Naomis Place:

Naomi's Place Delores Wardell, Dee Wardell, 2000 A fact based novel that tells the story of Jennifer a young girl who was raised in an Appalachian orphanage run by two strong religious women Naomi and Ruth *Being Someone's Naomi* Annette Skipper, 2025-05-07 Have you been told you motivate others and you don't think you do Well this book tells how someone else can look at you and what you mean to them even when you don't think you impact them I tell the story of a small town southern girl who was taken out of her comfort zone and became a woman who inspired others and was inspired by others like the woman Naomi of the bible This book gives us a different view of the story of Naomi in the book of Ruth It compares my life to Naomi's It shows comparisons that may have not been explored before The book of Ruth is a small book of 4 chapters with only 2574 KJV words but spans several decades of the life of Naomi So much is packed in that story and only a portion is unpacked in this book to show how God directs our lives and we as women can be or become someone who inspires other people in our lives The words spoken to me You are My Naomi has impacted my life so much it made me search out Naomi in the book of Ruth We do not have to be ICONs to be influencers We just need to be dedicated to our Creator God
