Naperville Illinois Illinois:

Naperville: A Brief History Bryan J. Ogg, 2018-11-12 Since Naperville sprang from the northern Illinois prairie it has maintained an unmistakably fascinating heritage The settlers who followed the Napers to the DuPage River had to endure the hardships of felling trees and plowing prairies to make a place to call home The campuses of the Research and Technology corridor might seem pretty far removed from the travails of those early years but both are part of the same determined community That shared tradition holds surprises even for lifelong residents of Naperville such as the location of the Stenger Brewery or the legacy of Peter Kroehler furniture tycoon mayor and philanthropist Bryan Ogg takes stock of the unique people and memorable events that shaped Naperville from its humble founding through its current thriving state

Naperville: Illinois Jo Fredell Higgins, 2001-08 The remarkable city of Naperville Illinois began as an agrarian community in the mid 1800s The rich prairie filled the grain elevators and cattle were shipped to the Chicago Yards Through the medium of historic photographs this book captures the evolution of the people of Naperville from the mid 1800s to the present day These pages bring to life the people events communities and industries that helped to shape and transform Naperville With more than 200 vintage images Naperville Illinois portrays a community that is both idyllic and contemporary This book takes readers back to Naperville's simpler days and provides a glimpse as to how this community grew into a new mecca Business and commerce thrive the schools offer quality education city services are national award winning cultural activities are diverse and plentiful and traditions blend easily with the future *Pioneers of Naperville, Illinois* Daughters of the American Revolution. become a shopping and social hot spot of Chicago's western suburbs and a potent draw for new residents. Many of the same buildings settlers built remain but downtown Naperville has changed in many ways. Local businesses have come and gone and the area was once threatened by indoor mall development. The community's dedication to building the Riverwalk in 1981 sparked a resurgence of Naperville's quaint and celebrated downtown. On the eve of the new millennium, Naperville threw a huge celebration on the streets of downtown to welcome the 21st century but the party could have been a farewell to the downtown of old as well. A new era began at about that time as many longtime local service businesses began leaving downtown while national retail chains and restaurants moved in. Through photographs of each stage of downtown Naperville's vibrant history, see the area change from 1831 through the 20th century to today. *Village Records of Naperville, Illinois, February 7, 1857 Thru April 26, 1870* Naperville (Ill.), Mrs. Robert Miller, 1857. Although first settled in 1831, Naperville was incorporated in 1857 when the first official records of the village were kept. This document includes the articles of incorporation as a village and the minutes of village council meetings through April 26, 1870. Handwritten records have been transcribed and indexed by name and subject to facilitate research into the unfolding of the progress and activities of the community through its civic leaders. Naperville's founders and early settlers' businesses and ordinances of this period are revealed in the context of civic debate. *Directions for Growth, Naperville, Illinois* General Planning and Resource Consultants, Inc., St. Louis, 1970. *An Historical Sketch of Naperville, Illinois 1831-1938* Howard Pitton Van Norman, 1938.
