The Wax Pack Brad Balukjian, 2022-03 The Wax Pack part baseball nostalgia and part road trip travelogue follows Brad Balukjian as he tracks down players from a single pack of baseball cards from 1986
My Word! Susan D. Blum, 2011-06-15 Classroom Cheats Turn to Computers Student Essays on Internet Offer Challenge to Teachers Faking the Grade Headlines such as these have been blaring the alarming news of an epidemic of plagiarism and cheating in American colleges more than 75 percent of students admit to having cheated 68 percent admit to cutting and pasting material from the Internet without citation Professors are reminded almost daily that many of today's college students operate under an entirely new set of assumptions about originality and ethics Practices that even a decade ago would have been regarded almost universally as academically dishonest are now commonplace Is this development an indication of dramatic shifts in education and the larger culture In a book that dismisses hand wringing in favor of a rich account of how students actually think and act Susan D Blum discovers two cultures that exist often uneasily side by side in the classroom Relying extensively on interviews conducted by students with students My Word presents the voices of today's young adults as they muse about their daily activities their challenges and the meanings of their college lives Outcomes based secondary education the steeply rising cost of college tuition and an economic climate in which higher education is valued for its effect on future earnings above all else These factors each have a role to play in explaining why students might pursue good grades by any means necessary These incentives have arisen in the same era as easily accessible ways to cheat electronically and with almost intolerable pressures that result in many students being diagnosed as clinically depressed during their transition

from childhood to adulthood However Blum suggests the real problem of academic dishonesty arises primarily from a lack of communication between two distinct cultures within the university setting On one hand professors and administrators regard plagiarism as a serious academic crime an ethical transgression even a sin against an ethos of individualism and originality Students on the other hand revel in sharing in multiplicity in accomplishment at any cost Although this book is unlikely to reassure readers who hope that increasing rates of plagiarism can be reversed with strongly worded warnings on the first day of class *My Word* opens a dialogue between professors and their students that may lead to true mutual comprehension and serve as the basis for an alignment between student practices and their professors expectations *Napoleon Dynamite [DVD Recording]*, 2004 *Accidental Movie Hits* Ethan Parker, AI, 2025-03-29 *Accidental Movie Hits* explores the captivating world of films that defied industry expectations and achieved unexpected box office success It delves into the unpredictable nature of audience reception demonstrating how some movies initially deemed likely failures become cultural phenomena Highlighting the complexities of film marketing the book reveals that even meticulous planning and star power cannot guarantee success sometimes a film s resonance with moviegoers hinges on chance and timing The book examines specific case studies of films from various genres and eras analyzing their production marketing and critical reception in relation to their ultimate commercial and cultural impact It emphasizes the disconnections between critical assessment and popular appeal illustrating how films can overcome negative reviews to achieve widespread popularity By dissecting these accidental hits it provides valuable insights into predicting box office success and understanding consumer behavior in the entertainment business Structured to provide a comprehensive understanding the book begins by establishing a framework for analyzing these unexpected successes Subsequent chapters delve into detailed case studies contrasting pre release expectations with actual outcomes The analysis which includes box office data film reviews and interviews culminates in practical insights for industry professionals offering a deeper appreciation of the complex forces shaping the film industry

You Gotta See This Cindy Pearlman, 2007-01-30 In time for Oscar season Hollywood s top stars talk about the movies that move them Everyone has a favorite movie even movie stars themselves In *You Gotta See This* veteran entertainment reporter Cindy Pearlman gets the scoop on the top movie picks of Hollywood s entertainment elite Through over one hundred interviews with actors writers and directors Pearlman discovers the eclectic and sometimes surprising tastes of the people who make the movies we love Jet Li discusses the Buddhist themes that made him a lifelong *Star Wars* fan Johnny Depp talks about how *The Wizard of Oz* gave him hope of escaping his bleak childhood in rural Florida Jennifer Lopez recalls the inspiration of seeing proof that my people could sing dance and act in *West Side Story* Vin Diesel explains why he considers *Gone With the Wind* the ultimate action movie From Bruce Willis on *Dr Strangelove* to Jim Carrey on *Network* *You Gotta See This* is a compulsively readable star studded tribute to the movies *Bowker Annual Library and Book Trade Almanac* Information Today Inc, 2006 As an on the job answer book a statistical information resource a planning and research guide

and a directory and calendar The Bowker Annual Library and Book Trade Almanac 2006 delivers the hard to find industry news and information you need This acclaimed must have resource provides the following Expert reviews of the key trends events and developments that will influence your work in 2006 and the years to come Clear explanations of new legislation and changes in funding programs and how this will affect libraries Definitive statistics on book prices numbers of books published library expenditures average salaries and other budget crunching assistance A full calendar of events key organizations names and numbers of important individuals including e mail addresses and fax numbers and much more This fully updated reference tool makes it easy to stay on top of the developments that affect libraries booksellers and publishers alike and to find fast answers to the countless on the job questions you encounter **The Marriage Turnaround** Mitch Temple,2009 What if you were sitting in a room with all sorts of struggling couples and you were one of them What would it take to turn your marriage around in a short period of time Mitch Temple says it would take a change of mind of heart and of practice all of which could be done by two people willing to discard the old myths and put on the new truth Mitch has been a family therapist for many years and is on staff with Focus on the Family bringing his counseling expertise and humor to the table for you to munch on Through real life stories and biblical solutions The Marriage Turnaround will encourage readers that their marriage can turn around The Onion Presents Homeland Insecurity Scott Dikkers,Carol Kolb,2006 Hot off the reprint presses Onion fans hear this Homeland Insecurity is the largest collection of award winning journalism from America s Finest News Source ever released and that means you must buy it Featuring every brilliantly biting article printed in The Onion between November 2004 and December 2005 a time in our country s history ripe for further examination by America s Finest News Source Homeland Insecurity collects all the news reporting you were too lazy to read when it first appeared now delivered in a handy single volume that will fit perfectly on the bookshelf of your dorm ward or cell Homeland Insecurity is Volume 17 in the always bestselling and always entertaining Onion series The Onion is the world s most popular humor publication with more than 3 8 million weekly visitors to its website theonion com and a print circulation of more than 500 000 More than a million copies of its various books have been sold to date beginning with Our Dumb Century which was a 1 New York Times bestseller and winner of the Thurber Prize for American Humor *Mo' Urban Dictionary* ,2007-10-01 I have seen the future of slang dictionaries and its name is urbandictionary com Times London Move over Merriam Webster Oxford and American Heritage your version of truthiness has hit the marble ceiling Compiled from the wildly popular Web site urbandictionary com Mo Urban Dictionary Ridonkulous Street Slang Defined includes more than 2 000 of the latest contemporary slang entries Since the site s founding in 1999 more than 2 5 million definitions have been submitted Thousands of new words and definitions are added each day Each alphabetized entry includes a word a definition and a sample sentence Applejacked Having your Apple iPod stolen Dude on the train last night I totally got Applejacked bacon bit A rent a cop not good important enough to be referred to as a pig or bacon I thought we d be in trouble when the 5 0 started

rollin up but then I realized it was just the bacon bits mall security cruiser spoon To park two police cruisers with the drivers sides adjacent so that the officers can converse through the open windows Better slow down the po po are cruiser spooning in the parking lot ahead

Episodes Blaze Ginsberg, 2009-09-01 EPISODES is a memoir like no other Debut writer Blaze Ginsberg offers a unique perspective on his life as a highly functioning autistic 21 year old Inspired by the format of the Internet Movie Database Blaze organizes his life events as a collection of episodes Some episodes are still running some are in syndication and some have sadly come to an end With an innovative style and approach that is all its own EPISODES reinvents the traditional memoir and it will inspire young readers to see the world as they ve never seen it before

Movie Quotes for All Occasions James Scheibli, 2017-12-15 Find a film quotation for any situation in this collection that s full of gems Varla Ventura author of The Book of the Bizarre From Rhett Butler to Obi Wan Kenobi movie quotes have become an integral part of the way we express ourselves This book gathers great lines with a purpose in mind finding the right words to toast celebrate motivate or comfort during the important occasions in our lives whether it s a wedding a big game a memorial service a graduation or a workplace event Moving inspiring or just plain funny you ll find lots of options or you can just enjoy reading with this volume that also includes plenty of trivia and viewing suggestions for movie lovers

Poems That Solve Puzzles Chris Bleakley, 2020-08-30 Algorithms are the hidden methods that computers apply to process information and make decisions Nowadays our lives are run by algorithms They determine what news we see They influence which products we buy They suggest our dating partners They may even be determining the outcome of national elections They are creating and destroying entire industries Despite mounting concerns few know what algorithms are how they work or who created them Poems that Solve Puzzles tells the story of algorithms from their ancient origins to the present day and beyond The book introduces readers to the inventors and inspirational events behind the genesis of the world s most important algorithms Professor Chris Bleakley recounts tales of ancient lost inscriptions Victorian steam driven contraptions top secret military projects penniless academics hippy dreamers tech billionaires superhuman artificial intelligences cryptocurrencies and quantum computing Along the way the book explains with the aid of clear examples and illustrations how the most influential algorithms work Compelling and impactful Poems that Solve Puzzles tells the story of how algorithms came to revolutionise our world

Ramble Eric Peterson, 2006 Ramble is a hybrid travel guide travelogue based in fact but like a good road trip is ultimately a flight of fancy a departure from the usual Disinfected of the P R inspired copy that dominates travel writing this book celebrates the USA as the best destination in the world for a road trip because not in spite of its warts Highlighting the country s 250 most definitively American attractions and six of its most mythic road trips seasoned travel writer Eric Peterson describes seven regions from coast to coast with a sociologist meets Gonzo writing style belying up to the ugly truth and the bizarre at every stop Each regional chapter offers maps oddball stats as well as required reading viewing and listening and about thirty to forty listings per area of not so run of the mill tourist destinations think graves vices sin grub

sleeps drinks American lore and the like As a topper a predestined road trip is presented to the reader with themes such as Atomic Vacation Road Trip of the Third Kind and Down at the End of Lonely Street A Denver based freelance writer Eric Peterson contributes to numerous periodicals and travel guides His recent credits include Scooters Red Eyes White Walls Blue Smoke the fifth edition of Frommer s Montana Wyoming Roadside Americana and The Great American Road Trip One of Peterson s earliest travel memories is a visit to Paul Bunyan in Bemidji Minnesota **The Publishers Weekly** ,2005

American Bee James Maguire,2006 A narrative portrait of the America s national spelling bee competition offers insight into its subculture of young wordsmiths competitive parents and spectator tension sharing the stories of five top contestants to offer insight into their ambitions and winning strategies 40 000 first printing
