Hodge, 2007-11-30 In 1800 Europeans governed about one third of the world's land surface by the start of World War I in 1914 Europeans had imposed some form of political or economic ascendancy on over 80 percent of the globe The basic structure of global and European politics in the twentieth century was fashioned in the previous century out of the clash of competing imperial interests and the effects both beneficial and harmful of the imperial powers on the societies they dominated This encyclopedia offers current detailed information on the major world powers and their global empires as well as on the people events ideas and movements both European and non European that shaped the Age of Imperialism

**Napoleon in the Russian Imaginary** Gary Rosenshield, 2023-03-08 Napoleon today is still a figure who fascinates both his admirers and detractors because of his seminal role in European history at the end of the eighteenth and beginning of the nineteenth centuries straddling the French Revolution and the enormous empire that he fashioned through military conquest Napoleon in the Russian Imaginary focuses on the response of Russia's greatest writers poets novelists critics and historians to the idea of Great Man as an agent of transformational change as it manifests itself in the person and career of Napoleon After Napoleon's defeat at Waterloo in 1815 and his subsequent exile to St Helena in much of Europe a re-evaluation of Napoleon's person stature and historical significance occurred as thinkers and writers witnessed the gradual reestablishment of repressive regimes throughout Europe This re-evaluation in Russia would have to wait until Napoleon's death in 1821 but when it came to pass it continued to occupy the imagination of Russia's greatest writers for over 130 years Although Napoleon's invasion of Russia and subsequent defeat had a profound effect on Russian culture and Russian history for Russian writers what was most important was the universal significance of Napoleon's desire for world conquest and the idea of unbridled ambition which he embodied Russian writers saw this for good or ill as potentially determining the spiritual and moral fate of future generations What is particularly fascinating is their attempt to confront each other about this idea in a creative dialogue with each succeeding writer addressing himself and responding to his predecessor and predecessors
