Napoleon And His Times Selected Interpretations:

Napoleon and His Times Frank A. Kafker, James Michael Laux, 1991 **Napoleon and His Times** Frank A.

Kafker, James Michael Laux, 1989-01-01 This volume is a collection of 35 selections from the writings of many of the leading historians of the Napoleonic era French British German Spanish and American historians are represented These selections are organized around 11 of the most important problems of which there are differing interpretations such as Napoleon's psychology the Concordat the common people in France nationalism and the destruction of the Napoleonic Empire the main causes for the defeat in Russia and the Napoleonic legacy Eleven of the selections are new translations by the editors There are maps an annotated bibliography as well as a supplementary bibliography and a chronology Meteors that Enlighten the Earth Matthew D. Zarzeczny, 2012-11-16 Napoleon promoted and honored great men throughout his reign In addition to comparing himself to various great men he famously established a Legion of Honor on 19 May 1802 to honor both civilians and soldiers including non ethnically French men Napoleon not only created an Irish Legion in 1803 and later awarded William Lawless and John Tennent the Legion of Honour he also gave them an Eagle with the inscription L'Indépendance d'Irlande He awarded twenty six of his generals the marshal's baton from 1804 to 1815 and in 1806 he further memorialized his soldiers by deciding to erect a Temple to the Glory of the Great Army modeled on Ancient designs From 1806 to 1815 Napoleon had more men interred in the Pantheon in Paris than any other French leader before or after him In works of art depicting himself Napoleon had his artists allude to Caesar Charlemagne and even Moses Although the Romans had their legions Pantheon and temples in Ancient times and the French monarchy had their marshals since at least 1190 Napoleon blended both Roman and French traditions to compare himself to great men who lived in ancient and medieval times and to recognize the achievements of those who lived alongside him in the nineteenth century Analyzing Napoleon's ever changing personal cult of great men and his recognition of contemporary great men who contributed to European or even human civilization and not just French civilization is original While work does exist on the French cults of Greco Roman antiquity and of great men prior to 1800 Napoleon appears only fleetingly in other discussions of the cult of great men None of the burgeoning historiography adequately takes Napoleon's place in the story of this cult into perspective This book serves as a further exploration of the cult of great men including its place in Napoleonic and European history and the alleged efforts of its members to enlighten the earth **The Age of Napoleon** Susan P. Conner, 2004-03-30 Hegel called him an idea on horseback a description that suggests Napoleon Bonaparte's complexity as well as the extent to which he changed France Europe and the world Napoleon has been called a visionary a pragmatist a cynical opportunist an ogre and a demigod Here he is described in his own words and the words of his contemporaries from his clannishness to his knack for being at the right place at the right time and from his genius to his obsession with detail Napoleon brought order out of the chaos of the French Revolution pressed for revolutionary equality of opportunity and planned a European union In the process he knew

peace for only 14 months of his 15 year reign marched his armies from Lisbon to Moscow and caused the deaths of millions In this resource a detailed timeline maps illustrations biographical sketches and primary documents help students get a feel for the brief but enduring Age of Napoleon [Themes in Modern European History 1780-1830](#) Pamela Pilbeam,2012-08-21 Themes in Modern European History 1780 1830 is an authoritative and lively exploration of a period dominated by events which have shaped modern Europe In a series of articles six leading academics present some controversial conclusions the east west contrast in Europe today has more to do with responses to the French Revolution of 1789 than the Russian Revolution of 1917 the conservative Europe of 1814 was the product of the Romantic imagination not a Restoration of the old regime Spanning political social economic and demographic facets of revolutions this is an indispensable textbook for all students of the nineteenth century and for all those interested in understanding the nature of Europe today *The Napoleonic Wars 1803-1815* David Gates,2011-06-08 Known collectively as the Great War for over a decade the Napoleonic Wars engulfed not only a whole continent but also the overseas possessions of the leading European states A war of unprecedented scale and intensity it was in many ways a product of change that acted as a catalyst for upheaval and reform across much of Europe with aspects of its legacy lingering to this very day There is a mass of literature on Napoleon and his times yet there are only a handful of scholarly works that seek to cover the Napoleonic Wars in their entirety and fewer still that place the conflict in any broader framework This study redresses the balance Drawing on recent findings and applying a total history approach it explores the causes and effects of the conflict and places it in the context of the evolution of modern warfare It reappraises the most significant and controversial military ventures including the war at sea and Napoleon s campaigns of 1805 9 The study gives an insight into the factors that shaped the war setting the struggle in its wider economic cultural political and intellectual dimensions **Napoleon and the Transformation of Europe** Alexander Grab,2017-03-09 Creating a French Empire and establishing French dominance over Europe constituted Napoleon s most important and consistent aims In this fascinating book Alexander Grab explores Napoleon s European policies as well as the response of the European people to his rule and demonstrates that Napoleon was as much a part of European history as he was a part of French history **Napoleon and the Transformation of Europe** Examines the formation of Napoleon s Empire the Emperor s impact throughout Europe and how the Continent responded to his policies Focuses on the principal developments and events in the ten states that comprised Napoleon s Grand Empire France itself Belgium Germany the Illyrian Provinces Italy the Netherlands Poland Portugal Spain and Switzerland Analyses Napoleon s exploitation of occupied Europe Discusses the broad reform policies Napoleon launched in Europe assesses their success and argues that the French leader was a major reformer and a catalyst of modernity on a European scale **The Wars of Napoleon** Charles J. Esdaile,2014-02-04 A survey of the Napoleonic Wars The central theme is the scale of French military power and its impact on other European states from Portugal to Russia and from Scandinavia to Sicily [Napoleon](#) David Nicholls,1999-12-01 This illustrated A Z

encyclopedia provides easy access to information about the emperor Napoleon Over 300 entries cover significant events people and other topics such as the principal Napoleonic campaigns all the major battles including Waterloo and Austerlitz Napoleon s most important generals and marshals Josephine de Beauharnais and the Napoleonic Code Napoleon also includes primary source documents a handy chronology of key events a bibliography and an index *Napoleon and Europe*

Philip G. Dwyer,2014-07-22 Two hundred years ago Napoleon was at the apogee of his power in Europe This broad ranging reassessment explores the key themes presented by his extraordinary career from his rise to power and the foundation of the imperial state to the final defeat of his grand vision following the doomed invasion of Russia It was a period of almost uninterrupted war in Europe the consequences of victory or failure repeatedly transforming the political map But Napoleon s impact reached much deeper than this achieving the ultimate destruction of the ancien regime and feudalism in Europe and leaving a political and juridical legacy that persists today

Yeah, reviewing a ebook **Napoleon And His Times Selected Interpretations** could be credited with your near connections listings. This is just one of the solutions for you to be successful. As understood, realization does not recommend that you have fantastic points.

Comprehending as capably as union even more than supplementary will pay for each success. adjacent to, the proclamation as competently as keenness of this Napoleon And His Times Selected Interpretations can be taken as skillfully as picked to act.
