

Napoleon For And Against

Ralph Ashby

Napoleon For And Against:

Napoleon, for and Against Pieter Geyl, 1949 *Napoleon, for and Against* Pieter Geyl, 1976 **Napoleon Against Great Odds** Ralph Ashby, 2010-06-02 This revisionist history offers a fresh analysis of Napoleon and the French army as they defended their empire against the massive Coalition invasion of 1814 French defeat in 1814 is too often shrugged off as the result of obvious and understandable factors Napoleon Against Great Odds The Emperor and the Defenders of France 1814 challenges the widely accepted notion that war weariness and internal political opposition to Napoleon were the decisive and direct causes of French defeat At least as important it argues were material shortages diplomatic missteps and even faulty strategic planning on Napoleon's part The book not only traces the narrative of Napoleon's 1814 Campaign in France but explores the formation of the French army tasked with defending France against the Coalition invasion Diplomatic political and social factors are taken into account and the issue of war weariness is analyzed carefully and critically Each branch and arm of the French forces is examined as are military mobilization under difficult circumstances and partisan and guerilla warfare Designed to encourage fresh debate about the 1814 campaign the book offers thought provoking reading for scholars and general readers alike *Napoleon Against Himself* Avner Falk, 2015-08-01 Although Napoleon Bonaparte has been a favorite subject of biographers for nearly two centuries to date no full scale psychobiography of arguably the most compelling fascinating and complex leader in world history has ever been published With *Napoleon Against Himself* internationally recognized scholar Avner Falk fills this void He not only considers Napoleon's intellect but also what use he made of it how it affected his emotional life and whether he used intellectualization as one of his unconscious defensive processes Additionally he examines Napoleon's ambivalent relationship with his mother his identification with the Motherland and his fits of narcissistic rage violence and aggression Specifically Falk focuses on his numerous irrational self defeating and self destructive actions In weaving in the psychological interpretations that have previously been proposed for Napoleon's actions with his own new insights Falk has created a most stimulating and original work that sheds much needed light on Napoleon's troubled inner world **Napoleon Against Russia** Digby Smith, 2005-02-19 In June 1812 500 000 men of Napoleon's army invaded Russia Six months later barely 20 000 returned The disastrous advance to Moscow and the subsequent retreat irreparably damaged Napoleon's military power and prestige and resulted one of the most celebrated catastrophes of in all military history Digby Smith's new account of the grim events of 1812 is based on the diaries and letters of soldiers who survived many of which have not been published in English before They describe the deadly effect of Napoleon's faulty decisions on the lives of his men to say nothing of the innumerable Russian military and civilian casualties his campaign caused *Napoleon Against Great Odds* Ralph Ashby, 2010-06-02 This revisionist history offers a fresh analysis of Napoleon and the French army as they defended their empire against the massive Coalition invasion of 1814 French defeat in 1814 is too often shrugged off as the result of obvious and understandable factors Napoleon Against Great Odds The

Emperor and the Defenders of France 1814 challenges the widely accepted notion that war weariness and internal political opposition to Napoleon were the decisive and direct causes of French defeat At least as important it argues were material shortages diplomatic missteps and even faulty strategic planning on Napoleon s part The book not only traces the narrative of Napoleon s 1814 Campaign in France but explores the formation of the French army tasked with defending France against the Coalition invasion Diplomatic political and social factors are taken into account and the issue of war weariness is analyzed carefully and critically Each branch and arm of the French forces is examined as are military mobilization under difficult circumstances and partisan and guerilla warfare Designed to encourage fresh debate about the 1814 campaign the book offers thought provoking reading for scholars and general readers alike **Napoleon: For and against** Pieter Geyl,1968 *History of the Consulate and the Empire of France Under Napoleon* Adolphe Thiers,1883 Life of Napoleon Bonaparte Walter Scott,1876 **Life of Napoleon, Tr. from the French. With Notes, by H.W. Halleck** Antoine Henri baron de Jomini,1897
