Napoleon from Tilsit to Waterloo, 1807-1815 Georges Lefebvre,1969 Napoleon's Enfant Terrible John G.

Gallaher,2008 A dedicated career soldier and excellent division and corps commander Dominique Vandamme was a thorn in the side of practically every officer he served Outspoken to a fault he even criticized Napoleon whom he never forgave for not appointing him marshal His military prowess so impressed the emperor however that he returned Vandamme to command time and again In this first book length study of Vandamme in English John G Gallaher traces the career of one of Napoleon s most successful midrank officers He describes Vandamme s rise from a provincial youth with neither fortune nor influence to an officer of the highest rank in the French army Gallaher thus offers a rare look at a Napoleonic general who served for twenty five years during the wars of the French Revolution and Napoleonic Empire This was a time when a general could lose his head if he lost a battle Despite Vandamme s contentious nature Gallaher shows Napoleon needed his skills as a commander and Vandamme needed Napoleon to further his career Gallaher draws on a wealth of archival sources in France notably the Vandamme Papers in Lille to draw a full portrait of the general He also reveals new information on such military events as the Silesian campaign of 1807 and the disaster at Kulm in 1813 Gallaher presents Vandamme in the context of the Napoleonic command system revealing how he related to both subordinates and superiors Napoleon s Enfant Terrible depicts an officer who was his own worst enemy but who was instrumental in winning an empire **Napoleon's Wars** Charles Esdaile,2009-10-27 A glorious and conclusive chronicle of the wars waged by one of the most polarizing figures in military history Acclaimed on both sides of the Atlantic as a new standard on the subject this sweeping boldly written history of the Napoleonic era reveals its central protagonist as a man driven by an insatiable desire for fame and determined to push matters to extremes More than a myth busting portrait of Napoleon however it offers a panoramic view of the armed conflicts that spread so quickly out of revolutionary France to countries as remote as Sweden and Egypt As it expertly moves through conflicts from Russia to Spain Napoleon s Wars proves to be history writing equal to its subject grand and ambitious that will reframe the way this tumultuous era is understood The European Journals of William Maclure William Maclure,John S. Doskey,1988 William Maclure 1763 1840 was an Amer geologist they span the years 1805 15 1820 25 Illus **The Tragedy of Great Power Politics (Updated Edition)** John J. Mearsheimer,2003-01-17 A superb book Mearsheimer has made a significant contribution to our understanding of the behavior of great powers Barry R Posen The National Interest The updated edition of this classic treatise on the behavior of great powers takes a penetrating look at the question likely to

dominate international relations in the twenty first century Can China rise peacefully In clear eloquent prose John Mearsheimer explains why the answer is no a rising China will seek to dominate Asia while the United States determined to remain the world s sole regional hegemon will go to great lengths to prevent that from happening The tragedy of great power politics is inescapable **Negotiating Peace** Paul R. Pillar,2014-07-14 This work draws on insights from the experimental and theoretical literature on bargaining to provide a much needed comprehensive treatment of the neglected subject of how wars end In a study of how states simultaneously wage war and negotiate peace settlements Paul R Pillar argues that war termination is best understood as a bargaining process Originally published in 1983 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905
