Napoleon's Surgeon

Emile B.M.J. Blomme

Napoleons Surgeon

Otto von Pivka

Napoleons Surgeon:

A Surgeon in Napoleon's Grande Armée Calum Johnson, 2024-05-30 Pierre Fran ois Percy was Surgeon in Chief of Napoleon s Grande Arm e This is the first English translation of Baron Percy s notebooks containing his interesting revealing and informative testimony of the Revolutionary and Napoleonic campaigns in which he played an active role as the most senior surgeon in the French Army from 1799 1807 In his journal Percy writes intimately about his life on campaign He recounts his experiences across Europe particularly in Switzerland Helvetia Germany and Poland The journal shows Percy s delight at seeing his surgeons recognized for their work at Eylau and his notes express his shock at the brazen corruption of military officials and the indiscriminate pillaging to which the French army frequently resorted He recounts his audiences with Napoleon during which his pleas for more resources and a more professional military surgical corps frequently fell on deaf ears Details that may have seemed trivial to Percy s contemporaries about food accommodation dress and transport now offer a vital insight into the persistent struggles and occasional pleasures of those who followed Napoleon on his quest to conquer Europe Percy documents his experiences of some of the major battles of the period namely Jena Eylau and Friedland As a surgeon he witnessed the enormous scale of devastation wrought by these significant battles so often glorified in the historiography as tactical successes His descriptions are meticulous and personal injuries are described scientifically their stark details offering a vivid and horrifying picture of the aftermath of the fighting Percy s singular position living with the soldiers and sharing in their poor conditions while also being aware of the administrative decisions that governed and often negatively impacted their lives makes for an account that is simultaneously fascinating for the general reader and invaluable for scholars of military and surgical history *Baron Larrey, Surgeon General to Napoleon's Armies* Joseph A. Daly, 1929

Napoleon David Nicholls, 1999-12-01 This illustrated A Z encyclopedia provides easy access to information about the emperor Napoleon Over 300 entries cover significant events people and other topics such as the principal Napoleonic campaigns all the major battles including Waterloo and Austerlitz Napoleon s most important generals and marshals Josephine de Beauharnais and the Napoleonic Code Napoleon also includes primary source documents a handy chronology of key events a bibliography and an index **Napoleon's Poisoned Chalice** Martin Howard, 2009-04-01 In 1815 Napoleon Bonaparte arrived on the island of St Helena to begin his imprisonment following Waterloo By 1821 he was dead During his brief stay he crossed paths with six medical men all of whom would be changed by the encounter whether by court martial the shame of misdiagnosis or resulting celebrity What would seem to be a straightforward post became entangled with politics as Governor Hudson Lowe became paranoid as to the motivations of each doctor and brought their every move into question In *Napoleon s Poisoned Chalice* Martin Howard addresses the political pitfalls navigated with varying success by the men who were assigned to care for the most famous man in Europe The hostility that sprang up between individuals thrown together in isolation the impossible situations the doctors found themselves in and the fear of censure when Napoleon finally

began to die **The Wars of Napoleon** Charles J Esdaile, 2019-02-18 First published in 1995 to great critical acclaim The Wars of Napoleon provides students with a comprehensive survey of the Napoleonic Wars around the central theme of the scale of French military power and its impact on other European states from Portugal to Russia and from Scandinavia to Sicily The book introduces the reader to the rise of Napoleon and the wider diplomatic and political context before analysing such subjects as how France came to dominate Europe the impact of French conquest and the spread of French ideas the response of European powers the experience of the conflicts of 1799 1815 on such areas of the world as the West Indies India and South America the reasons why Napoleon's triumph proved ephemeral and the long term impact of the period This second edition has been revised throughout to include a completely re-written section on collaboration and resistance a new chapter on the impact of the Napoleonic Wars in the wider world and material on the various ways in which women became involved in or were affected by the conflict Thoroughly updated and offering students a view of the subject that challenges many preconceived ideas The Wars of Napoleon remains an essential resource for all students of the French Revolutionary Wars as well as students of European and military history during this period Napoleon, 1901 *Napoleon's Infantry Handbook* T. E. Crowdy, 2015-01-30 What did Napoleon's soldiers carry in their backpacks A unique reference that paints a detailed picture of one of history's great military machines Napoleon's Infantry Handbook is an essential reference guide filled with fascinating detail on the training tactics equipment service and administration of Napoleon's infantry regiments Based on training manuals regulations and orders of the time it details the everyday routines and practices that governed the imperial army up to the Battle of Waterloo and made it one of history's most formidable military machines Through years of research Terry Crowdy has amassed a huge wealth of information on every aspect of the infantryman's existence weapons drill and maintenance uniform regulations pay diet and cooking regulations hygiene and latrine digging medical care burial of the dead how to apply for leave and more This remarkable book fills in the gaps left by campaign histories and even eyewitness memoirs which often omit such details This book doesn't merely recount what Napoleon's armies did it explains how they did it in a world so different from our own The result is a unique guide to the everyday life of Napoleon's infantry soldiers as well as an outstanding reference for anyone writing about this historical period **Napoleon's Specialist Troops** Philip Haythornthwaite, 2012-06-20 Though less celebrated than the infantry and cavalry Napoleon's specialist troops artillery engineers and supporting services were indispensable elements without which no army could have operated and frequently assumed greater significance than the line regiments Indeed having suffered least from the emigration of Royalist officers the artillery was the best element of the early Republican armies the nucleus of the old Royal artillery serving with distinction in the early campaigns such as Valmy The organisation and uniform of Napoleon's specialist troops are here examined by Philip Haythornthwaite in an engaging volume complemented by a wealth of illustrations including eight full page colour plates by Bryan Fosten *Napoleon* Robert McNair Wilson, 1927 **Napoleon's Elites (cloth)** Raymond

Horricks,1995-01-01 The Napoleonic era was one of turmoil and constant change and produced a plethora of interesting characters unsurpassed in French history Napoleon s Elite originally published as In Flight with the Eagle by Raymond Horricks is a detailed guide to the many hundreds of people who immediately surrounded the Emperor the magic inner circle of marshals and near marshals members of Napoleon s administration his often treacherous family wives and mistresses and members of his household staff Napoleon s Elite presents a tightly woven tapestry of those who surrounded and were important to this most intriguing of leaders Horricks charts the Emperor s progress and provides the historical backdrop within which we can place the elite In his new introduction he describes the many qualities he finds admirable in Napoleon as well as the negative aspects of Napoleon s character Written as a companion volume to Military Politics from Bonaparte to the Bourbons Horricks s Napoleon s Elite is a rich source of anecdotes and memoirs providing sharp and telling insights into the personality of this complex yet truly remarkable man It will be of interest to historians political scientists and students of military affairs

The Military Surgeon ,1922 Military Medicine Jack E. McCallum,2008-02-21 This volume highlights the people and scientific developments in military medicine through the ages concentrating on medical advances that changed both warfare and societies at home Thanks to advances in field medicine and improved mobility and efficiency of medical units the death rate of soldiers injured during battle has dramatically declined in the last 100 years Nowadays with forward medical stations operating close to battle lines and medical transports ground and air at hand injured soldiers survive their battle wounds Military Medicine From Ancient Times to the 21st Century provides expert coverage of the key role medical advances and practices have played in the evolution of warfare and how many of those advances and practices have been put to work saving and improving civilian lives as well Military Medicine surveys the development of military medicine from its prehistoric origins through modern threats and practice That coverage is followed by over 200 of alphabetically organized entries with special emphasis placed on those areas with the most dramatic applications to civilian medicine including triage and trauma management treatment for infections emergency surgical procedures and more

Wellington's Lieutenant Napoleon's Gaoler Gareth Glover,2005-04-19 The Author wrote numerous letters home from the campaigns that he fought with Wellington in the Peninsular when he was commanding his Regiment He was therefore in a senior position and privy to secrets of the war He is often caustic regarding his superiors including The Iron Duke himself He packs his letters with interesting descriptions of the life and his surroundings Once Waterloo was won and Napoleon defeated and captive Bingham was selected to accompany him on his journey on HMS Northumberland to final exile at St Helena There he remained with his captive until relieved by another officer Sir Pine Coffin in 1818 The diary for this period is full of fascinating descriptions of the deposed Emperor and the habits of him and his staff

Napoleon's Polish Troops Otto von Pivka,2012-03-20 In 1795 the kingdom of Poland fell prey to her stronger neighbours Russia Prussia and Austria Following the death of the king of Poland in 1798 his kingdom was divided among these three neighbouring powers France

became increasingly involved and protested at Poland's treatment offering refuge for Polish exiles On 11 October 1796 the Polish Legion was formed in the French army by General Dombrowski and Napoleon This book covers the uniforms dress organisation and equipment of the infantry artillery and cavalry of Napoleon's Polish Troops Among the cavalry units covered are the Chasseurs and Lancers This title also provides a summary of the Polish divisions campaigns in Spain Russia and within Poland itself

Railway Surgeon, 1895 **Surgeons at War** Matthew Kaufman, 2000-11-30 Kaufman examines the training and status of British military surgeons during the late 18th and 19th centuries Their management of the sick and wounded during the wars with France leading up to and including the Peninsular War is also described He concludes with an analysis of the medical problems associated with the Crimean War Using important contemporary texts Kaufman describes the personalities who served in the British Army Medical Department during the late 18th and 19th centuries when diseases caused a much higher mortality than injuries sustained in battle Many military surgeons were only poorly trained and the management of the sick and wounded only gradually improved over this period despite significant advances in medicine surgery and hygiene Government spending cuts after the Peninsular War greatly depleted the medical service of the army so that by the time of the Crimean War it was unable to cope with a European style war Deficiencies were recognized and in the case of the medical services this led to the establishment of the Army Medical School in 1860 This analysis should be of particular interest to serving military medical officers and to historians and other researchers interested in the management of 18th and 19th century armies in times of peace and war

Interesting Particulars of Napoleon's Deportation ... to St. Helena, Etc Napoleon I (Emperor of the French), 1816 *The Art of Warfare in the Age of Napoleon* Gunther E. Rothenberg, 1980 Some 12 years ago it was estimated that well over 300 000 works existed on this period and since then several thousand more have appeared Therefore it might be reasonably argued that there is little room for another volume Nonetheless this vast outpouring of literature has usually dealt with major leaders specific battles or campaigns and with certain branches of the service Moreover at least in English the literature tends to concentrate primarily on the French or British armies There appears to be a lack of works combining a description of the major changes and trends in the art of war especially at the cutting edge of events with a discussion of the French military establishment and the armies of the major opponents British as well as continental And while this book is only a brief survey I do believe that it may serve as a contribution towards filling this gap in our historical knowledge of military institutions and fighting men

The Effects Of Infectious Disease On Napoleon's Russian Campaign LCDR Brian M. Allen USN, 2015-11-06 This paper will discuss the effects of infectious disease on Napoleon's forces during the Russian campaign of 1812 In short it will argue that the primary reason Napoleon failed to defeat the Russian army was because his forces were decimated by disease specifically typhus dysentery and diphtheria It will also demonstrate the effect of disease and illness on Napoleon's judgement and decision making process This subject infectious disease and the military has great implications for military planners in the future The

recent Gulf war and its related Gulf War Illness is just one example The United States has lost more men to disease during war than any other cause hence it is critical that today s and tomorrow s military leaders are aware of the dangers The scope of this paper is bounded by the Russian campaign timeframe but it will concentrate on the march to Moscow specifically the events that occurred upon entering Polish and Russian territory Also there were two major battles fought prior to reaching the gates of Moscow which this paper will show were the two decisive points in the campaign These battles occurred at Smolensk and Borodino and they illustrate key instances where Napoleon s leadership judgment and decision making come into question not only by historians and authors but by several of Napoleon s own generals The Russians were outnumbered in the summer of 1812 and were forced to play at fight and retreat game with Napoleon s army This was not well received by the Russian people who were suffering at the hands of the French invaders but it was just about the only sound course of action the Russians could pursue The situation turned itself around however when Napoleon reached Moscow and stayed there until an orderly and safe retreat was nearly impossible At this time the Russian winter was upon them and they had neither the will nor the supplies to return to France *Napoleon's Captivity in Relation to Sir Hudson Lowe* Robert Cooper Seaton,1903

Recognizing the artifice ways to get this book **Napoleons Surgeon** is additionally useful. You have remained in right site to begin getting this info. get the Napoleons Surgeon connect that we have the funds for here and check out the link.

You could purchase guide Napoleons Surgeon or get it as soon as feasible. You could quickly download this Napoleons Surgeon after getting deal. So, once you require the ebook swiftly, you can straight acquire it. Its for that reason utterly simple and fittingly fats, isnt it? You have to favor to in this song

While this might not be the Napoleons Surgeon full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Napoleons Surgeon eBooks, including some popular titles.

FAQs About Napoleons Surgeon Books

What is a Napoleons Surgeon PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it.

How do I create a Napoleons Surgeon PDF? There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF.

How do I edit a Napoleons Surgeon PDF? Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities.

How do I convert a Napoleons Surgeon PDF to another file format? There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats.

How do I password-protect a Napoleons Surgeon PDF? Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities.

How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs?

Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
