Narciso Hermetico Sor Juana De La Cruz Y Jose Lezama Lima

Aída María Beaupied

Narciso Hermetico Sor Juana De La Cruz Y Jose Lezama Lima:

Narciso Hermético Aída María Beaupied,1988 *Narciso hermético* Aída Beaupied,1997 A study in Spanish of the hermetic tradition in the works of Sor Juana and Lezama Lima *NARCISO HERMETICO* Aída Beaupied,1997-01-01 A study in Spanish of the hermetic tradition in the works of Sor Juana and Lezama Lima *Sor Juana* Gonzalez, Michelle A.,2014-04-10 Sor Juana In s de la Cruz a seventeenth century Mexican nun is one of the most compelling figures of her age A prolific writer a learned scholar and the first woman theologian of the Americas she was also a defender of the dignity and rights of women in the midst of a fiercely patriarchal culture In this study Michelle Gonzalez examines Sor Juana s contributions as a foremother of many currents of contemporary theology In particular in joining aesthetics with the quest for truth and justice her work and witness suggest new avenues for Hispanic feminist and other liberation theologies Perfect Wives, Other Women Georgina Dopico Black,2001-02-13 Close readings of canonical Spanish Golden Age and Latin American colonial texts drawing heavily on the findings and strategies of psychoanalytic criticism gender studies and Marxism and offering an understanding of a repres **Me gustas cuando callas ...** Ana Sierra,2002 Ana Luisa Sierra s thought provoking essays deal with the way in which literary works reflect various latent perspectives of sex and gender and how a text may likewise construct a vision of gender which may be subsequently incorporated into society *Literary Self-fashioning in Sor Juana Inés de la Cruz* Frederick Luciani,2004 This is a close reading of selected poetic dramatic and prose works by Sor Juana Ines de la Cruz 1651 1695 with the intent of elucidating ways in which this important colonial Mexican intellectual and literary figure created a textual self through her writing The book analyzes Sor Juana s complex varied and strategic process of literary self fashioning the self promotional and self protective functions that it served and its consequences for readers of her and subsequent generations The book situates its readings of Sor Juana s work against the background of the arc of her career its ascent in the 1680s to its descent and disintegration in the 1690s The book does not try to reassemble the life of a literary figure rather it explores the traces of that figure s process of literary self fashioning contextually and over time Illustrated **The Routledge Research Companion to the Works of Sor Juana Inés de la Cruz** Emilie L. Bergmann,Stacey Schlau,2017-04-28 Called by her contemporaries the Tenth Muse Sor Juana In s de la Cruz 1648 1695 has continued to stir both popular and scholarly imaginations While generations of Mexican schoolchildren have memorized her satirical verses only since the 1970s has her writing received consistent scholarly attention focused on complexities of female authorship in the political religious and intellectual context of colonial New Spain This volume examines those areas of scholarship that illuminate her work including her status as an iconic figure in Latin American and Baroque letters popular culture in Mexico and the United States and feminism By addressing the multiple frameworks through which to read her work this research guide serves as a useful resource for scholars and students of the Baroque in Europe and Latin America colonial Novohispanic religious institutions and women s and gender studies The chapters are

distributed across four sections that deal broadly with different aspects of Sor Juana's life and work: institutional contexts, political, economic, religious, intellectual, and legal reception history, literary genres, and directions for future research. Each section is designed to provide the reader with a clear understanding of the current state of the research on those topics and the academic debates within each field.

La filosofía de género de Sor Juana Inés de la Cruz Dinorah

Cortés-Vélez, 2025-03-06 The Philosophy of Gender of Sor Juana Inés de la Cruz gathers Sor Juana's most salient pronouncements on the topic of gender. This study poses that the nun draws from both theology and philosophy in her approach to issues of gender, including the double standard between men and women and the need to transcend sexual binaries. Her methods reveal that for her, philosophy and theology are interrelated in a unique and specific way. This project seeks to affirm Sor Juana's pioneering role in the development of both philosophy and theology in Latin America. La filosofía de género de Sor Juana Inés de la Cruz recoge los pronunciamientos más destacados de Sor Juana sobre género sexual. Este estudio plantea que la monja recurre a la filosofía y a la teología en su acercamiento a cuestiones de género que incluyen el doble estándar moral entre hombres y mujeres y la necesidad de trascender binarismos sexuales. Sus métodos revelan que para ella la filosofía y la teología están interrelacionadas de manera muy singular. Este proyecto procura afirmar el papel pionero de Sor Juana en el desarrollo de la filosofía y la teología en América Latina.

Figuring Modesty in Feminist

Discourse Across the Americas, 1633-1700 Tamara Harvey, 2008 Inventive in its approach, this study offers fresh readings of the arguments and practices of four seventeenth-century Euro-American women: Anne Bradstreet, Anne Hutchinson, Sor Juana Inés de la Cruz, and Marie de l'Incarnation. Tamara Harvey offers a new way to think of corporeality as a device in literary and religious expressions of modesty by women and explores how these women engaged in ongoing religious, political, scientific, and social debates of the time.

Voices Out of Africa in Twentieth-century Spanish Caribbean Literature Julia

Cuervo Hewitt, 2009 Hewitt Spanish and Portuguese Pennsylvania State U explores the representation of Africa and Afro-Caribbeanness in Spanish Caribbean literature of the 20th century. Her main argument is that the literary representation of Africa and Africanness, meaning practices, belief systems, music, art, myths, popular knowledge in Spanish-speaking Caribbean societies, constructs a self-referential discourse in which Africa and African things shift to a Caribbean landscape as the site of the *M Other*. Or, in other words, these representations imaginatively rescue and simultaneously construct a Caribbean cultural imaginary conceived as the *Other* within that associates Africa with a cultural womb. Among the texts she explores are Fernando Ortiz's interpretations of the Black Carnival in Cuba, the early Afro-Cuban poems of Alejo Carpentier, the Afro-Cuban stories of Lydia Cabrera, a number of literary representations of the figure of the runaway slave, and two works by Puerto Rican novelist Edgardo Rodríguez Juliá.

Cuba and the Fall Eduardo González, 2010-08-05 The literature of Cuba argues Eduardo González in this new book takes on quite different features depending on whether one is looking at it from the inside or from the outside, a view that in turn is shaped by official political culture and the authors it sanctions or by those

authors and artists who exist outside state policies and cultural politics Gonz lez approaches this issue by way of two twentieth century writers who are central to the canon of gay homoerotic expression and sensibility in Cuban culture Jos Lezama Lima 1910 1976 and Reinaldo Arenas 1943 1990 Drawing on the plots and characters in their works Gonz lez develops both a story line and a moral tale revolving around the Christian belief in the fall from grace and the possibility of redemption that bring the writers into a unique and revealing interaction with one another The work of Lezama Lima and Arenas is compared with that of fellow Cuban author Virgilio Pi era 1912 1979 and in a wider context with the non Cuban writers John Milton Nathaniel Hawthorne William Faulkner John Ruskin and James Joyce to show how their themes get replicated in Gonz lez s selected Cuban fiction Also woven into this interaction are two contemporary films The Devil s Backbone 2004 and Pan s Labyrinth 2007 whose moral and political themes enhance the ethical values and conflicts of the literary texts Referring to this eclectic gathering of texts Gonz lez charts a cultural course in which Cuba moves beyond the Caribbean and into a latitude uncharted by common words beyond the tyranny of place

La ascendente estrella Alberto Pérez Amador Adam, 2007 Accompanying CD ROM has same title as book Foucault and Latin America Benigno Trigo, 2013-02-01 Foucault and Latin America is the first volume to trace the influence of Foucault s theories on power discourse government subjectivity and sexuality in Latin American thought

Hearing Voices Sarah Finley, 2019-02-01 Hearing Voices takes a fresh look at sound in the poetry and prose of colonial Latin American poet and nun Sor Juana In s de la Cruz 1648 51 95 A voracious autodidact Sor Juana engaged with early modern music culture in a way that resonates deeply in her writing Despite the privileging of harmony within Sor Juana s work however links between the poet s musical inheritance and subjects such as acoustics cognition writing and visual art have remained unexplored These lacunae have marginalized nonmusical aurality and contributed to the persistence of both ocularcentrism and a corresponding visual dominance in scholarship on Sor Juana and indeed in early modern cultural production in general As in many areas of her work Sor Juana s engagement with acoustical themes restructures gendered discourses and transposes them to a feminine key Hearing Voices focuses on these aural conceits in highlighting the importance of sound and in most cases its relationship with gender in Sor Juana s work and early modern culture Sarah Finley explores attitudes toward women s voices and music making intersections of music rhetoric and painting aurality in Baroque visual art sound and ritual and the connections between optics and acoustics Finley demonstrates how Sor Juana s striking aurality challenges ocularcentric interpretations and problematizes paradigms that pin vision to logos writing and other empirical models that traditionally favor men s voices Sound becomes a vehicle for women s agency and responds to anxiety about the female voice particularly in early modern convent culture

Cuban Studies 23 Jorge Perez-Lopez, 1994-01-15 Cuban Studies has been published annually by the University of Pittsburgh Press since 1985 Founded in 1970 it is the preeminent journal for scholarly work on Cuba Each volume includes articles in both English and Spanish a large book review section and an exhaustive compilation of recent

works in the field *Ficino in Spain* Susan Byrne, 2015-07-27 As the first translator of Plato's complete works into Latin the Florentine writer Marsilio Ficino 1433-99 and his blend of Neoplatonic and Hermetic philosophy were fundamental to the intellectual atmosphere of the Renaissance In Spain his works were regularly read quoted and referenced at least until the nineteenth century when literary critics and philosophers wrote him out of the history of early modern Spain In *Ficino in Spain* Susan Byrne uses textual and bibliographic evidence to show the pervasive impact of Ficino's writings and translations on the Spanish Renaissance Cataloguing everything from specific mentions of his name in major texts to glossed volumes of his works in Spanish libraries Byrne shows that Spanish writers such as Miguel de Cervantes Lope de Vega Bartolom de las Casas and Garcilaso de la Vega all responded to Ficino and adapted his imagery for their own works An important contribution to the study of Spanish literature and culture from the fifteenth to the seventeenth centuries *Ficino in Spain* recovers the role that Hermetic and Neoplatonic thought played in the world of Spanish literature **Libertad en cadenas** Aída Beaupied, 2010 El tema de la libertad ha sido uno de los más debatidos en la cultura cubana sin embargo hasta el momento no se ha estudiado como discurso como instrumento impreciso y vulnerable a inconsistencias Dentro y fuera de Cuba se prefiere hablar de libertad en relación a factores externos religiosos políticos derechos civiles Esto explica por qué tantos de los que abordan este tema de las letras cubanas se han mantenido ajenos a las contradicciones propias del mismo Libertad en cadenas explora los orígenes y trayectoria de las ideas de la libertad que mayor impacto han tenido en la cultura cubana a fin de llamar la atención sobre las aporías inherentes a una serie de discursos míticos religiosos teológicos filosóficos políticos ficticios literarios desde principios del siglo diecinueve hasta hoy Al igual que en el resto de América Latina donde figuras como Borges o Paz han confrontado de manera directa y autoconsciente estas dificultades propias de los discursos sobre libertad en Cuba los que mejor han sabido explorar este asunto han sido escritores y cineastas esta es la razón por la que sin descuidar las contribuciones de un pensador como Jorge Mañach o las del político Fidel Castro este estudio dedica especial atención al análisis de discursos literarios y ficticios como los de José Martí Virgilio Piñera Alejo Carpentier Tomás Gutiérrez Alea José Lezama Lima Leonardo Padura Fuentes Nelson Simón Zo Valdés y José Antonio Ponte entre otros Algo que distingue los discursos cubanos de la libertad es el hecho de que conscientemente o no de ello todos fluctúan entre el mito y la ironía fluctuación esta cuyos registros más notables incluyen la trascendencia y sus demandas de sacrificio el existencialismo el choteo y en fechas más recientes una distancia crítica que ni abraza ni rechaza del todo sino que observa con una actitud benigneamente cansada el montaje ideológico discursivo de las ideas sobre la libertad **Las leyendas de Sor Juana** Jean-Michel Wissmer, 2016 *La sustancia de lo inexistente* Carlos Fino, 2016-11-01 La sustancia de lo inexistente busca a partir de la cartografía teórica en la crítica de arte de José Lezama Lima articular los conceptos estéticos e historiográficos presentes en su obra para presentarlos como un aporte a la discusión de los discursos artísticos en el continente Así está dirigido no solo al lector lezamiano al experto en literatura cubana o latinoamericana sino también a los interesados en

explorar la estética y la historiografía de las artes en el continente En el 2014 fue galardonado con el premio Casa de las Américas en Ensayo Artístico Literario Este libro constituye un viaje convincente e iluminador pleno de desplazamientos articulados por las ideas estéticas y artísticas de José Lezama Lima al hacer uso de una escritura dialéctica que a partir de Lezama se erige en un sistema cultural capaz de comprender la mirada que pervive en la materia artizada con una libertad que se apropia creativamente de los textos estudiados para reformularlos e insertarlos en los que para Lezama eran los dilemas y las preguntas sobre el arte y la representación en Latinoamérica
