Narcissus Dreaming Dabney Stuart, 1990-09-01 The four sections of Dabney Stuart's new book represent a progression toward release from self preoccupation both personal and cultural and a growing intimation of acceptance of the world outside the self Using language with elasticity and elegance Stuart is engaged in serious play usually on more than one level His familiar wit and subtlety arise in a context of good humor and sadness warmth and reserve His subject are a deft blend of pop culture baseball the movies family situations and legends some old Hansel and Gretel some invented The Harpist's Dream His is by turns straightforward and surreal In fact Stuart's skillful rendering of dream sequenced is one of the appealing dimension of this work Stuart is concerned as well with awakenings and with transitions sometimes intensified into transformations In Love Story for example a physical injury becomes the way to talk of psychic development after a dizzying performance by an unusual broken leg the poem concludes Relax said middle age when I woke up Dreams are for those who never heal We healed The title poem is a fresh appearance of Narcissus not a mere reworking of the legend but an opening out of the present world through the possibilities of the old myth At the close of the poem Narcissus who has been fishing without luck pulls his reflection from the water He lower sit into the boat takes it upon himself drenched obscene a perfectly imperfect fit leaving the water imageless opaque other Narcissus Dreaming is the work of a mature accomplished artist sensitive to psychological nuance and complexity

Dangerous Charisma Jerrold Post, 2019-11-05 Offering an in depth psychological and political portrait of what makes Donald Trump tick Dangerous Charisma combines psychoanalysis with an investigation into the personality of the current American president This narrative not only examines the life and psychology of Donald Trump but will also provide an analysis of the charismatic psychological tie between Trump and his supporters While there are many books on Donald Trump there has been no rigorous psychological portrait by a psychiatrist who specializes in political personality profiling As the founding director of the CIA's Center for the Analysis of Personality and Political Behavior Dr Post has created profiles of world leaders for the use of American presidents during historic events As once stated by Jane Mayer of the New Yorker who characterized Dr Post as a pioneer in the field of political personality profiling he may be the only psychiatrist who has specialized in the self esteem problems of both Osama bin Laden and Saddam Hussein In this new book the psychiatrist who once served under five American presidents applies his expertise to profiling the current resident in the White House with surprising and revelatory results

Courageous Dreaming Dr. Alberto Villoldo, 2009-03-01 Modern physics tells us that we're dreaming the world into being with every thought Courageous Dreaming tells us how to dream our world with power and grace The ancient shamans of the Americas understood that we're not only creating our experience of the world but are dreaming up the very nature of reality itself that is life is but a dream When you don't dream your life you have to settle for the nightmare being dreamed by others This book shows how to wake up from the collective nightmare and begin to dream a life of courage and grace a sacred dream that shamans throughout

time have known and served Alberto Villoldo reveals ancient wisdom teachings that explain how to birth reality from the invisible matrix of creation and reveals how we can interact with this matrix to dream a life of peace health and abundance He shows us that courage is all that is required to create the joy we desire **Light Years** Dabney Stuart,1994-10-01

Dabney Stuart's subject over the last thirty years are as disparate as the forms he chooses for them His range includes baseball and other games geography the movies history sideshows domestic life a world in short that is rich and various Amid this exploration Stuart has sustained certain concerns The evasive and unsettling nature of family relationships threads consistently through the poems collected in *Light Years* the poet uncovers deepening emotional and psychological complexities There are celebrations of his children his own sonship his grandparents and grandchildren Through it all as he says in *The Opposite Field* the haunting image of a possible life watches from a distance Stuart rings evocative changes on recurrent image patterns too Birds are central to his work for instance and sing often water flows frequently music sounds in places as apparently incongruous as a row of cornstalks Dreams and dreaming inform many poems their precision of detail becoming part of the sharply observed physical world Stuart renders Whatever else he is up to Stuart always seeks the play in language a source of delight and solace even in the most unlikely context Indeed as he writes in *Coming To When* he listens to his words play back they shimmer oddly on edge a stranger talking as if they have gone through something he has no other knowledge of and brought it back his life **INTERPRETATION OF DREAMS** IBN SERIN,2014-01-01 French Literary Fascism David Carroll,1998-07-21

Focusing first on three important extremist nationalist writers at the turn of the century and then on five of the most visible fascist intellectuals in France in the 1930s David Carroll shows how both traditional and modern concepts of art figure in the elaboration of fascist ideology and in the presentation of fascism as an art of the political Sweet Lucy Wine Dabney Stuart,1992 Stories told from the point of view of Mark Random a boy growing up in a Southern town reveal the complexities of his interactions with his family and with Sweet Lucy Wine a woman who lives with his family for a short time *A Way of Happening* Fred Chappell,2013-12-17 One of our most acclaimed and versatile authors Fred Chappell is comfortably at home in fiction poetry and literary criticism *A Way of Happening* gathers his essays and reviews of contemporary poetry Chappell considers new writers as well as more established authors including Alfred Corn William Matthews A R Ammons Linda Pastan Julia Randall Cornelius Eady Alan Shapiro and many others And there are essays on the plight of the critic Thanks but No Thanks and the delicate role of the writing teacher *First Night* *Come Round Again* **Long Gone** Dabney Stuart,1996 From its haunted opening to the complex affirmation of its final lines this profound collection by Dabney Stuart presents a palimpsest of the spirit in the modern age With jagged syncopations lyrical stop time and a kind of elegiac swing these poems spiral through multiple dimensions of time memory and emotion from post World War II America to the South Pacific evoking perspectives of the psyche as brooding and cryptic as the Antarctic *Long Gone* nimbly weaves carnal and familial love the search for lost innocence and the epistemology of memory

into moments of hallucinatory focus where insight comes and goes like light on water

No Visible Means of Support Dabney Stuart, 2001 She was not there anymore She was dead He had made the mistake of reaching out for her the third time he had seen the coordinates of her presence but all he had touched was air He had fallen to his knees in the upstairs hall thinking absurdly that this giving and taking away must have been what made men believe in angels once The gust of a sob had racked him Its force had thrown him forward onto his hands and he remained like that breathless a mongrel brought to heel For the first and only time in his life he had wished to die In No Visible Means of Support Dabney Stuart's stories turn within themselves like trapeze artists passing each other in midair Stuart works without a net using anagrams iconographic details and dreams to imply connections and resolutions only to shift focus and veer off into new configurations This collection is complex yet direct funny yet profound emotional yet clever Despite all their narrative sophistication these stories always concern themselves with basic human predicaments the sorrow of loss the mysteries of creation the persistence and resilience of the spirit The first two stories evoke mystery resembling spy and detective fiction In Loose Ends the focus figure is a middle aged courier whose simple curiosity gets the better of him and turns his life upside down One Good Turn depicts an old man whose past almost overwhelms him The Egg Lady presents a successful writer who gets a sort of comeuppance in a small town when he underestimates those around him All of the stories are concerned with fate and destiny each indirectly
