*Cuentos completos de Antón Chéjov*  
**Vol. 1-2-3** Antón Chéjov, Cuentos completos de Antón Chéjov Vol 1 2 3 es una edición rigurosa y definitiva en tres volúmenes preparada por Vesta Books que por primera vez ofrece en español la narrativa completa y ordenada cronológicamente del cuentista dramaturgo y médico ruso Antón Chéjov. El camino de Chéjov. La herencia intacta. El cuento en su forma más pura.

**Volumen 1** 1880-1885. Aquí comienza el viaje. Con estos primeros cuentos breves e irónicos a veces disparatados emerge la voz de un joven Chéjov que sin saberlo ya estaba redibujando los contornos del relato moderno. Este primer tomo reúne desde sus piezas más juguetonas y paródicas hasta joyas inolvidables como *El camaleón*, *Se fue o*, *Flores tardías*. Es el umbral de un universo narrativo que al desplegarse marcará un antes y un después en la historia de la literatura.

**Volumen 2** 1885-1886. En estos años decisivos Chéjov escribe sin cesar, perfecciona su estilo, depura el gesto y refina el silencio. De las brevedades milimétricas como *Fracaso* a la amplitud de *Un drama de caza*, este volumen contiene relatos que han ingresado por derecho propio en el canon universal. *La broma*, *Vanka*, *Agafia*. En el camino. Aquí la elipsis, la estructura y la intuición narrativa alcanzan una madurez deslumbrante. El arte del cuento encuentra una de sus cumbres.

**Volumen 3** 1887-1893. Este volumen marca el punto más alto de su arte. Son años de plenitud creativa. Antón Chéjov despliega todo su talento en relatos extensos y complejos como *La estepa*, *El duelo* o *La sala número seis*, sin dejar de lado piezas breves y memorables como *Luces*, *El beso*, *El encuentro* o *Ganas de dormir*. Es el tiempo en que crítica y público reconocen su genio y su nombre comienza a esculpirse en la memoria literaria como el del gran renovador del cuento moderno.

**Unreal City** Edward Timms, David Kelley, 1985

**La Traducción Literaria en la Época Contemporánea** Assumpta Camps, Lew Zybatow, 2008. Los 32 artículos de este volumen se ocupan de la traducción literaria a la lengua española y otras lenguas románicas. Las exposiciones fueron sostenidas durante la Conferencia Internacional Traducción e Intercambio Cultural en la época de la Globalización que tuvo lugar en el mayo de 2006 en la Facultad de Filología de la Universidad de Barcelona. La Conferencia fue organizada por el grupo de investigación del CRET Traducción e interculturalidad de la Universidad de Barcelona. El Ministerio de Educación y Ciencia español ha tenido a bien financiar tanto la Conferencia como la antología dentro del marco del Proyecto de Investigación BFF2003-002216.

**César Vallejo** Stephen M. Hart, 2013. This is the first biography of Latin America's most important poet, the Peruvian César Vallejo. It traces the important events of his life and evaluates his poetry, fiction, theatre, political essays and journalism. This is the first biography of Latin America's most important poet, the Peruvian César Vallejo, who was born in an Andean village, Santiago de Chuco, on 16 March 1892 and died in Paris on 15 April 1938. It traces the important events of his life: becoming a poet in Peru, falling in love with Mirtha in Trujillo, writing *Trilce*, which would transform forever the avant-garde in the Spanish-speaking world, fleeing to Paris in the summer of 1923 after being accused of burning down Carlos Santa María's house in Santiago de Chuco, falling in love with Georgette Philippart and then with communism, writing his *Poemas humanos* (Human Poems) and then shortly before his death writing his moving poems inspired by the Spanish Civil War. España

**Translated Poe** Emron Esplin, Margarida Vale de Gato, 2014-10-23 Few if any US writers are as important to the history of world literature as Edgar Allan Poe and few if any US authors owe so much of their current reputations to the process of translation Translated Poe brings together 31 essays from 19 different national literary traditions to demonstrate Poe's extensive influence on world literature and thought while revealing the importance of the vehicle that delivers Poe to the world translation Translated Poe is not preoccupied with judging the quality of any given Poe translation nor with assessing what a specific translation of Poe must or should have done Rather the volume demonstrates how Poe's translations constitute multiple contextual interpretations testifying to how this prolific author continues to help us read ourselves and the world's we live in The examples of how Poe's works were spread abroad remind us that literature depends as much on authorial creation and timely readership as on the languages and worlds through which a piece of literature circulates after its initial publication in its first language This recasting of signs and symbols that intervene in other cultures when a text is translated is one of the principal subjects of the humanistic discipline of Translation Studies dealing with the products functions and processes of translation as both a cognitive and socially regulated activity Both literary history and the history of translation benefit from this book's focus on Poe whose translated fortune has helped to shape literary modernity in many cases importantly redefining the target literary systems Furthermore we envision this book as a fountain of resources for future Poe scholars from various global sites including the United States since the cases of Poe's translations both exceptional and paradigmatic prove that they are also levers that force the reassessment of the source text in its native literature
