The Narrative and Selected Writings, 2008 **The Narrative and Selected Writings** Frederick Douglass, Michael Meyer, 2009-04-09 Relates the experiences and ideas of the nineteenth century abolitionist **Frederick Douglass: The Narrative and Selected Writings** Frederick Douglass, 1984 Introduction by Michael Meyer **The Cambridge Introduction to Narrative** H. Porter Abbott, 2002-02-11 Publisher Description *Narrative and History* Alun Munslow, 2018-09-19 Based on the assumption that reality reference and representation work together this introductory textbook explains and illustrates the various ways in which historians write the past as history For the first time the full range of leading narrative theorists such as Paul Ricoeur Hayden White Frank Ankersmit Seymour Chatman and Gerard Genette have been brought together to explain the narrative making choices all author historians make when creating historical explanations Combining theory with practice Alun Munslow expands the boundaries of the discipline and charts a new role for unconventional historical forms and modes of expression Clear but comprehensive this is an ideal resource for undergraduate and postgraduate students taking courses on history and theory history and method and historiography **A Narrative Community** Chaim Noy, 2007 An intertextual examination of the storytelling of Israeli backpackers that analyzes their unique patterns of communication to create a thorough picture of this narrative community Backpacking or Tarmila ut has been a time honored rite of passage for young Israelis for decades Shortly after completing their mandatory military service young people set off on extensive backpacking trips to exotic and authentic destinations in so called Third World regions in India Nepal and Thailand in Asia and also Colombia Ecuador Peru Brazil Chile and Argentina in Central and South America Chaim Noy collects the words and stories of Israeli backpackers to explore the lively interplay of quotations constructed dialogues and social voices in the backpackers stories and examine the crucial role they play in creating a vibrant voiced community A Narrative Community illustrates how against the peaks of Mt Everest avalanches and Incan cities the travelers storytelling becomes an inherently social drama of shared knowledge values hierarchy and aesthetics Based on forty five in depth narrative interviews the research in this book examines how identities and a sense of belonging emerge on different social levels the individual the group and the collective through voices that evoke both the familiar and the Other In addition A Narrative Community makes a significant contribution to modern tourism literature by exploring the sociolinguistic dimension related to tourists accounts and particularly the transformation of self that occurs with the experience of travel In particular it addresses the interpersonal persuasion that travelers use in their stories to convince others to join in the ritual of backpacking by stressing the personal development that they have gained through their journeys This volume is groundbreaking in its dialogical conceptualization of the interview as a site of cultural manifestation innovation and power relations The methods employed which include qualitative sampling and interviewing clearly demonstrate ways of negotiating manifesting and embodying speech performances Because of its unique interdisciplinary

nature A Narrative Community will be of interest to sociolinguists folklore scholars performance studies scholars tourism scholars and those interested in social discourses in Israel

Narrative Paul Cobley, 2013-12-04 Human beings have constantly told stories presented events and placed the world into narrative form This activity suggests a very basic way of looking at the world yet this book argues even the most seemingly simple of stories is embedded in a complex network of relations Paul Cobley traces these relations considering the ways in which humans have employed narrative over the centuries to re present time space and identity This second revised and fully updated edition of the successful guidebook to narrative covers a range of narrative forms and their historical development from early oral and literate forms through to contemporary digital media encompassing Hellenic and Hebraic foundations the rise of the novel realist representations narratives of imperialism modernism cinema postmodernism and new technologies A final chapter reviews the way that narrative theory in the last decade has re orientated definitions of narrative Written in a clear engaging style and featuring an extensive glossary of terms this is the essential introduction to the history and theory of narrative **The Oxford Handbook of Biblical Narrative** Danna Fewell, 2016-05-30 Comprised of contributions from scholars across the globe The Oxford Handbook of Biblical Narrative is a state of the art anthology offering critical treatments of both the Bible s narratives and topics related to the Bible s narrative constructions The Handbook covers the Bible s narrative literature from Genesis to Revelation providing concise overviews of literary critical scholarship as well as innovative readings of individual narratives informed by a variety of methodological approaches and theoretical frameworks The volume as a whole combines literary sensitivities with the traditional historical and sociological questions of biblical criticism and puts biblical studies into intentional conversation with other disciplines in the humanities It reframes biblical literature in a way that highlights its aesthetic characteristics its ethical and religious appeal its organic qualities as communal literature its witness to various forms of social and political negotiation and its uncanny power to affect readers and hearers across disparate time frames and global communities

Critical Criminology and Literary Criticism Rafe McGregor, 2021-11-08 Establishing a new interdisciplinary methodology criminological criticism Rafe McGregor proposes a model for collaboration between literary studies and critical criminology that is beneficial to the humanities the social sciences and society

Counternarrative Possibilities James Dorson, 2016-06-09 Counternarrative Possibilities reads Cormac McCarthy s Westerns against the backdrop of the two formative national tropes of virgin land from the 1950s and homeland after 9 11 in American mythology While both of these figures have been used in exceptionalist discourse about the United States they are also intimately connected with the emergence and transformation of the field of American Studies Using an integrative approach to read McCarthy s Westerns in relation to both their ideological context and the institutionalized ideology critique that has shaped their reception the book shows how McCarthy s Westerns simultaneously counter the national narratives underlying the tropes of virgin land and homeland and reinvest them with new potentially transformative meaning McCarthy s work of the

1980s and 1990s both draws on postmodern strategies of narrative disruption and departs from them by staging a return to narrative that prefigures recent postpostmodern developments Departing from prevailing accounts of McCarthy that place him in relation to his literary antecedents *Counternarrative Possibilities* takes a forward looking approach that reads McCarthy's work as a key influence on millennial fiction Weaving together disciplinary history with longstanding debates over the relationship between aesthetics and politics *Counternarrative Possibilities* is at once an exploration of the limits of ideology critique in the 21st century and a timely reconsideration of McCarthy's work after postmodernism

National Identities and Post-Americanist Narratives Donald E. Pease, 1994 National narratives create imaginary relations within imagined communities called national peoples But in the American narrative alongside the nexus of belonging established for the national community the national narrative has represented other peoples women blacks foreigners the homeless from whom the property of nationness has been removed altogether and upon whose differences from them the national people depended for the construction of their norms Dismantling this opposition has become the task of post national Post Americanist narratives bent on changing the assumptions that found the national identity This volume originally published as a special issue of *boundary 2* focuses on the process of assembling and dismantling the American national narrative sketching its inception and demolition The contributors examine various cultural political and historical sources colonial literature mass movements epidemics of disease mass spectacle transnational corporations super weapons popular magazines literary texts out of which this narrative was constructed and propose different understandings of nationality and identity following in its wake Contributors Jonathan Arac Lauren Berlant Robert J. Corber Elizabeth Freeman Kathryn V. Lingberg Jack Matthews Alan Nadel Patrick O'Donnell Daniel O'Hara Donald E. Pease Ross Posnock John Carlos Rowe Rob Wilson

Women and Domestic Space in Contemporary Gothic Narratives A. Soon, 2016-04-29 Moving away from traditional studies of Gothic domesticity based on symbolism *Soon* instead focuses on domestic space's material presence and the traces it leaves on the human subjects inhabiting it Approaching novels and films such as *Beloved* and *The Exorcist* this study intersects psychoanalysis phenomenology and various spatial theories

Adventure Narratives in the Early Soviet Union Riccardo Nicolosi, Brigitte Obermayr, 2024-11-12 In the early 1920s Soviet writers and literary theorists were convinced that adventure fiction held the key to developing a new kind of narrative The call for a Russian Stevenson Lev Lunts profoundly impacted the theory of prose and different notions of the literary hero It also led theorists like Shklovsky to write dime novels and convinced writers of various backgrounds to explore Soviet topography in a new light harnessing the synergies between imperialism and adventure Despite the inherently anarchist nature of adventure and its bourgeois offspring the magic of adventure found its way into socialist realism under different guises demanding recognition and resisting neglect especially in the case of socialist realist film This book offers a critical historical reconstruction of the early Soviet adventure craze and its lasting popularity in socialist realism It also offers innovative theoretical propositions for a

philological analysis of adventure fiction that arise from this unique historical context Revolution and Its Narratives
Xiang Cai, 2016-02-04 Published in China in 2010 *Revolution and Its Narratives* is a historical literary and critical account of the cultural production of the narratives of China's socialist revolution Through theoretical empirical and textual analysis of major and minor novels dramas short stories and cinema Cai Xiang offers a complex study that exceeds the narrow confines of existing views of socialist aesthetics By engaging with the relationship among culture history and politics in the context of the revolutionary transformation of Chinese society and arts Cai illuminates the utopian promise as well as the ultimate impossibility of socialist cultural production Translated annotated and edited by Rebecca E Karl and Xueping Zhong this translation presents Cai's influential work to English language readers for the first time **Narratives of Trauma in South Asian Literature** Goutam Karmakar, Zeenat Khan, 2022-12-30 This volume addresses cultural and literary narratives of trauma in South Asian literature Presenting a novel cross cultural perspective on trauma theory the essays within this volume study the divergent cultural responses to trauma and violence in various parts of South Asia including Sri Lanka Bangladesh Nepal and Afghanistan which have received little attention in literary writings on trauma in their specific circumstances Through comprehensive sociocultural understanding of the region this book creates an approachable space where trauma engages with themes like racial identity ethnicity nationality religious dogma and cultural environment With case studies from Kashmir the 1971 liberation war of Bangladesh and armed conflict in Nepal and Afghanistan the volume will be of interest to scholars students and researchers of literature history politics conflict studies and South Asian studies

Views on Slavery Suzanne Cloud-Tapper, 2016-07-15 It is difficult for the modern student to truly understand how America could have supported slavery This volume containing primary source first person accounts allows readers to learn directly from the people of the time Through their words some hateful others inspiring students will develop a fuller understanding of this chapter in American history The Collected Writings of Thomas De Quincey Thomas De Quincey, David Masson, 1897 *The Oxford Handbook of British Romantic Prose* Robert Morrison, 2024 The Oxford Handbook of British Romantic Prose is a full length essay collection devoted entirely to British Romantic nonfiction prose Organized into eight parts each containing between five and nine chapters arranged alphabetically the Handbook weaves together familiar and unfamiliar texts events and authors and invites readers to draw comparisons reimagine connections and disconnections and confront frequently stark contradictions within British Romantic nonfiction prose but also in its relationship to British Romanticism more generally and to the literary practices and cultural contexts of other periods and countries The Handbook builds on previous scholarship in the field considers emerging trends and evolving methodologies and suggests future areas of study Throughout the emphasis is on lucid expression rather than gnomic declaration and on chapters that offer not a dutiful survey but evaluative assessments that keep an eye on the bigger picture yet also dwell meaningfully on specific paradoxes and the most telling examples Taken as a whole the volume demonstrates the energy

originality and diversity at the crux of British Romantic nonfiction prose. It vigorously challenges the traditional construction of the British Romantic movement as focused too exclusively on the accomplishments of its poets and it reveals the many ways in which scholars of the period are steadily broadening out and opening up delineations of British Romanticism in order to encompass and thoroughly evaluate the achievements of its nonfiction prose writers. **Narratives in Action** Stanton Emerson Fisher Wortham, 2001. This work tells how narrative self construction happens in part through the interactional power of narrative discourse as narrators enact characteristic types of social events with their audiences while telling their stories. *The Collected Writings of Thomas De Quincey: Historical essays and researches* Thomas De Quincey, 1890
