

The background of the cover is a light tan color with a repeating pattern of small, faint, sepia-toned sketches. These sketches depict various human figures in different poses and activities, many of whom appear to have prosthetic limbs or other forms of physical augmentation. Some figures are standing, some are sitting, and some are in motion. The sketches are rendered in a simple, almost etched style, reminiscent of historical medical illustrations or early modern woodcuts. The overall effect is a dense, textured field of imagery that relates to the book's themes of disability and prosthetics.
