Narrative Reading, Narrative Preaching Joel B. Green, Michael Pasquarello, III, 2003-12-01 There is often an unfortunate division between the technical work of biblical scholars and the practical work of preachers who construct sermons each week These two fields of study which ought to be mutually informed and supportive are more often practically divided by divergent methods interests and goals Narrative Reading Narrative Preaching aims to bridge that divide Using narrative as an organizing theme the contributors work through the New Testament offering examples of how interpretation can rightly inform proclamation Three pairs of chapters feature an exemplary reading by a New Testament scholar followed by a sermon informed by that reading Introductory and concluding chapters provide guidance for application of the model Pastors and seminarians will find here a uniquely practical work that will help them with both the reading and preaching of Scripture

From Story Interpretation to Sermon Crafting Charles R. Dickson, 2012-01-09 From Story Interpretation to Sermon Crafting was written by a preacher for preachers who have to deal with the competing demands of pastoral ministry It takes some of the gains of the last seven decades of the literary approach to Scripture and applies them to a vital aspect of pastoral ministry preaching The book presents a text centered and theological approach to analyzing Old Testament narratives This approach lays a solid basis for interpreting the narratives and demonstrates that the movement from examining the text to crafting the sermon is a continuous process Making use of many examples based on narrative passages from the Old Testament that facilitate grasping the methodology this approach to sermon crafting is rooted in the text shaped by the text and is characterized by sound and controlled exegesis It provides the pastor with an approach that enables Old Testament historical narrative to speak to Christian believers in contemporary society in a way that addresses the issues concerns and struggles faced by the church and Christians The writer to the Hebrews says of righteous Abel though he is dead he still speaks 11 4 Similarly these ancient stories do speak and can still speak today To make them heard effectively and relevantly is the purpose of the book

Preaching from Inside the Story Jeffrey W. Frymire, 2022-06-02 Preaching from Inside the Story is a book that seeks to carve out an understanding of narrative preaching in an age where there is little agreement about its nature and practice Capitalizing on the works of Craddock and Lowry it seeks to find an expanded palette upon which the preacher may engage the larger canvas of narrative preaching This book will engage the mind by introducing neuroscientific understandings of creativity build upon the foundations of the philosophy of stories by engaging Aristotle s foundational understanding of narrative and renew the Lowry Loop by expanding this seminal work and how it should be understood in our current culture Preaching from Inside the Story breaks new ground by encouraging preachers to move inside stories and tell them from the inside out providing a positive effect thereby affording non narrative

preachers to connect with storytelling principles Ultimately it is filled with examples of how to do narrative in a very practical way However in showing these practical examples the reader is involved in a deep analysis of those narrative sermons and how they fit into an overall narrative understanding of preaching In the final analysis it invites the reader to take a fresh journey into narrative preaching

Preaching the Atonement Peter Stevenson, Stephen Wright, 2005-12-01 Preaching the Atonement explores some classic texts which throw light on the atonement Each chapter focuses on a key Biblical passage offering a theological commentary which will help

both preachers and church members gain a deeper understandin *Seized by Truth* Prof. Joel B. Green, 2010-09-01 We read the Bible and interpret Scripture in order to live in grace filled relation to God s divine purpose When we approach the Bible as Scripture author Joel Green takes seriously the faith statement that the Bible is our Book these scriptures are our Scripture We are not reading someone else s mail as though reading the Bible had to do foremost with recovering an ancient meaning intended for someone else and then translating its principles for use in our own lives When we recall that we are the people of God to whom the Bible is addressed as Scripture we realize that the fundamental transformation is not the transformation of an ancient message into a contemporary meaning bur rather the transformation of our lives by means of God s Word This means that reading the Bible as Scripture has less to do with what tools we bring to the task however important these may be and more to do with our own dispositions as we come to our engagement with Scripture We come not so much to retrieve facts or to gain information but to be formed and ultimately transformed Scripture does not present us with texts to be mastered but with a Word God s Word intent on mastering us on shaping our lives

Embodied Performance Sarah Agnew, 2020-09-22 Embodied Performance presents a methodology by which performer interpreters can bring their intuitive interpretations to the scholarly conversations about biblical compositions It may not be comfortable for scholarship is out of practice in listening to emotion and intuition It may not be the only way to bring the fullness of human meaning making into scholarly discussions It is a beginning as Sarah Agnew storyteller and scholar places herself as the subject and object under examination observing her practice as a biblical storyteller making meaning through embodied performance and develops a coherent method rigorously tested with an Embodied Performance Analysis of Romans Follow Sarah s story as she searches within Biblical Performance Criticism for such a method before determining the need to strike out in a new direction from within an already innovative field All biblical scholars are complex human beings making meaning through their embodiment their emotions their embeddedness in community Embodied Performance Analysis offers

a way to attend to and incorporate the full range of human meaning making in our engagement with biblical compositions for richer discussion closer to the intent of the compositions themselves *Reading the Gospels Wisely* Jonathan T.

Pennington,2012-07-01 This textbook on how to read the Gospels well can stand on its own as a guide to reading this New Testament genre as Scripture It is also ideally suited to serve as a supplemental text to more conventional textbooks that discuss each Gospel systematically Most textbooks tend to introduce students to historical critical concerns but may be less adequate for showing how the Gospel narratives read as Scripture within the canonical framework of the entire New Testament and the whole Bible yield material for theological reflection and moral edification Pennington neither dismisses nor duplicates the results of current historical critical work on the Gospels as historical sources Rather he offers critically aware and hermeneutically intelligent instruction in reading the Gospels in order to hear their witness to Christ in a way that supports Christian application and proclamation **Read Me Like a Book** Jason Cusick,2014-06-05 Many pastors feel

overwhelmed and ill equipped to deal with the counseling issues in their congregations But pastors are actually better equipped for counseling than they realize Hermeneutics homiletics pastoral care and counseling all share a common foundation in the field of interpretation With this book pastors can learn to interpret people with the same expertise they use to interpret Scripture Read Me Like a Book offers a simple practical and theoretically sound approach to help pastors leverage their exegetical skills to improve their pastoral counseling *Reading Luke* Zondervan,2022-03-01 A rich and comprehensive volume essential reading for all those interested in how to read Luke as relevant for today In this sixth volume the Scripture and Hermeneutics Seminar brings its past six years of work on biblical hermeneutics to bear on the gospel according to Luke In his introduction Anthony Thiselton world authority on biblical hermeneutics sets the context for a wideranging exploration of how to read Luke for God s address today Traditional and more contemporary approaches are brought into dialogue with each other as several top Lukan scholars reflect on how best to read Luke as Scripture Topics covered include the purpose of Luke Acts biblical theology and Luke narrative and Luke reception history and Luke the parables in Luke a missional reading of Luke and theological interpretation of Luke Since prayer is a major theme in Luke this volume explores not only the role of prayer in Luke but also the relationship between prayer and exegesis
