Narrative Strategies in Television Series G. Allrath, M. Gymnich, 2005-08-10 In the context of a systematic overview of the possibilities of applying narratological concepts to a study of TV series ten case studies are explored in depth demonstrating how series such as 24 Buffy Twin Peaks Star Trek Blackadder and Sex and the City make use of innovative audiovisual means of storytelling Transgressing the traditional confines of narrative theory the chapter authors address the question of how form content and function intersect in these series **Handbook of Research on Transmedia**

Storytelling and Narrative Strategies Yilmaz, Recep, Erdem, M. Nur, Resuloğlu, Filiz, 2018-07-06 Transmedia storytelling is defined as a process where integral elements of fiction get dispersed systematically across multiple delivery channels to create a unified and coordinated entertainment experience This process and its narrative models have had an increasing influence on the academic world in addressing both theoretical and practical dimensions of transmedia storytelling The Handbook of Research on Transmedia Storytelling and Narrative Strategies is a critical scholarly resource that explores the connections between consumers of media content and information parts that come from multimedia platforms as well as the concepts of narration and narrative styles Featuring coverage on a wide range of topics such as augmented reality digital society and marketing strategies this book explores narration as a method of relating to consumers This book is ideal for advertising professionals creative directors academicians scriptwriters researchers and upper level graduate students seeking current research on narrative marketing strategies *The Science Fiction Reboot* Heather Urbanski, 2013-02-06

This analysis examines several recent reimagined science fiction franchises Star Trek Battlestar Galactica V and Star Wars in order to capture how reboots work from a fan perspective Previous encounters with these stories make the reboot experience distinct for fan viewers who bring with them a set of expectations and knowledge often tied to franchise canon that cannot be separated from the new film or television series Even when elements of the original versions are maintained memories of them influence the narrative encounter This book considers reimagined texts from several levels including the medium the characters and the world building to break down and then explore the reboot experience *Television* Jeremy G.
