Narrow Gate, Narrow Way Paul Washer, 2018-06-15 Talk is cheap and so is a profession of faith apart from repentance But we live in a day when people put more stock in a once said prayer than a life reflective of a renewed heart Taking Matthew 7 13 27 as his text Paul Washer reminds us of Jesus s insistence that His way is narrow and that its travelers will bear good fruit and rest on the solid foundation of God s Word Neglecting these warnings from Christ have left many on the broad road to destruction Don t think you are heading to heaven if you are not following the way of the Master

For Self-Examination / Judge For Yourself! Søren Kierkegaard, 2015-06-29 For Self Examination and its companion piece Judge for Yourself are the culmination of S ren Kierkegaard s second authorship which followed his Concluding Unscientific Postscript Among the simplest and most readily comprehended of Kierkegaard s books the two works are part of the signed direct communications as distinguished from his earlier pseudonymous writings The lucidity and pithiness and the earnestness and power of For Self Examination and Judge for Yourself are enhanced when as Kierkegaard requested they are

read aloud They contain the well known passages on Socrates defense speech how to read the lover s letter the royal coachman and the carriage team and the painter s relation to his painting The aim of awakening and inward deepening is signaled by the opening section on Socrates in For Self Examination and is pursued in the context of the relations of Christian ideality grace and response The secondary aim a critique of the established order links the works to the final polemical writings that appear later after a four year period of silence

Dutch Calvinistic Pietism in the Middle Colonies James Robert Tanis, 2012-12-06 The word pietism usually conjures up a host of ambivalent impressions It has seemed to me increasingly clear that many of the strengths of pietism have been swept aside by reactions against the excesses of the movement To properly assess the structures of pietism it is important to comprehend its matrix and to understand its exponents In preparing this study therefore I have sought to recapture something of the person of Theodorus Jacobus Frelinghuysen as well as the gist of his thought something of his environment as well as the institutions of his day To achieve this I have traveled many by paths and knocked on many doors But the past has not always yielded its secrets much is lost forever Hagen in Westphalia Frelinghuysen s birthplace is now a modern city and only in a few isolated particulars is it reminiscent of Hagen in 1693 In the nearby village of Schwerte however the ancestral church of his forebears remains as it was nearly three hundred years ago The gymnasium he attended in Hamm was destroyed in the bombings of World War II though the library he used during his study at Lingen is still largely intact In the tiny East Frisian village of Loegumer Voorwerk Frelinghuysen s first parish one can still stand in the pulpit where he first preached his awakening gospel Yet oddly enough in America where his name is most remembered most physical traces of his life have disappeared

English Hymns of the Nineteenth Century Richard Arnold, 2004 English Hymns of the Nineteenth Century brings together for the first time the most popular and widely used English hymns from that period continuing the work of its foregoing volume English Hymns of the Eighteenth Century the genre's formative period This annotated and edited collection of nearly 200 hymns with author introductions and a general historical introduction will be of inestimable value to scholars students and laypersons from several disciplines and interests from hymnology to church and social history and theology from political science to literature to popular culture Hymns were the most widely read and memorized verbal structures from the eighteenth and nineteenth centuries and in the nineteenth century the hymn became not only the property of dissenters but also of representatives from the Church of England and the Roman Catholic Church This anthology therefore provides unique and highly significant insights into the culture beliefs and habits of thought of a people and their spiritual leaders **The**

, 1866 Jesus Said It, But We Ignore It Donald Werner, 2020-02-17 The Christian Church adopts its name from Jesus the Christ They are called Christians because they follow Jesus teachings and examples or do they One would think that Jesus words would be held in high esteem within the Christian Church and they would do what they could to obey Jesus But that's not the case Strangely enough I can quote dozens of verses commands and warnings that the church completely ignores And they are not insignificant verses For example Jesus told us to keep the Law and the Prophets until heaven and earth pass away What Christian does that What church teaches that What preacher preaches that I know of none There are many such serious commands by Jesus that are completely ignored placing all in the Christian Church on the Broad way headed for destruction Why I address that in this book and much more *The National Sunday School Teacher*, 1867 The Sunday

Abide Jamie Marie Ogiemien (Lampert), 2024-11-13 Abide was written in honor of my brother who passed away unexpectedly He was known for his sacrificial love and welcoming spirit by all who knew him I hope the parts of his story that I tell will encourage others to love without bias or limit as he did Grief is complex It is rarely if ever a single emotion This book was written for the grieving soul While it s my personal experience of grief faith and the many emotions intertwined My hope is that it reaches a grieving soul to provide comfort and reassurance This book starts with me in a pit of despair in physical agony from grief I worried constantly over the idea of my brother s salvation As I worried I wondered if he was safe in heaven and searched for answers God opened my eyes to his great love The fact that he would do the unthinkable for any of his children He reassured me that there was no need to question his love or ability to save Looking back I can see God s personal touches throughout the small and big details of our tragedy So much so that my understanding of his lovingkindness has grown tenfold in light of the ways he cares so beautifully for the hurting heart Life is messy Humans are messy Grief is life altering and constantly changing It never leaves you it becomes a part of you Grief is the cost of love But God He is so much bigger and better than any pain or suffering we come across in this crazy world John 16:33 I am thankful our savior abides in us so we can follow his lead and abide in him What a gift to be so entangled by his loving kindness that our perspective of him as well as understanding of suffering is forever changed We were never meant to say goodbye or see you later to loved ones We are made for eternal love and unity with both our Creator Savior and also with loved ones The Bible stresses family and lineage often and a common theme understanding of those who have experienced near death experiences NDEs is how very important love is as well as the fact that there will be a reunion in heaven We re created in the image of a living and eternal God that is why our souls long for just that One day God will restore and make all things right What a glorious day that will be

The Works of Jonathan Edwards, Volume Two , Christ's Teaching of Judgment to Christians David Rivington, 2017-07-06 Christ s Teaching of Judgment to Christians by David Rivington The most terrifying words ever spoken by the Lord Jesus Christ were spoken to Christians to His own disciples when He said Not everyone who says to Me Lord Lord shall enter the kingdom of heaven but he who does the will of My Father in heaven Many will say to Me in that day Lord Lord have we not prophesied in Your name cast out demons in Your name and done many wonders in Your

name And then I will declare to them I never knew you depart from Me you who practice lawlessness Matthew 7 21 23 What does Jesus mean What are Christ s warnings to professing 21st century Christians today This book is written to answer Christ s own teaching to these questions and God s judgment upon every professing Christian I know of no chapter in all of Scripture which needs to be taught and explained to Christians in this modern superficial and confused Church age more than Matthew chapter 7 David Rivington
