Percys Of Mississippi:

The Percys of Mississippi Lewis Baker, 1999-03-01 Set in the twilight years of southern aristocracy *The Percys of Mississippi* is a biography of a family in whose bloodline ran both a strong commitment to public service and an equally strong but more private dedication to literature Following four generations of Percy family history Lewis Baker chronicles the lives and public careers of Colonel William Alexander Percy a planter and lawyer his son LeRoy a lawyer and United States Senator LeRoy's son Will a poet and lawyer and Will's nephew and adopted son the novelist Walker Percy Known as the gray eagle of the delta for his piercing eyes and silver hair Colonel Percy served as a Confederate officer in both the eastern and western campaigns of the Civil War He returned home to practice law and manage the family's property but he was soon drawn into the arena of state politics where he fought vigorously to strengthen the Mississippi River levee system and to protect his district from the perils of Reconstruction With Colonel Percy's death in 1888 LeRoy Percy inherited his father's law practice and his mantle of leadership in the community LeRoy used his power as a United States Senator to continue his father's long quest for an adequate levee system struggled to loosen the Ku Klux Klan's grip of fear on the delta and campaigned tirelessly to discredit the divisive creed of the state's rising demagogue politicians In the election of 1911 LeRoy Percy was defeated in his bid to be returned to the Senate losing to the flamboyant demagogue James Kimble Vardaman the White Chief It was a defeat echoed across the South throughout the dawning years of the twentieth century as poorer whites rejected the moderate counsel of the planter class their traditional leaders and embraced the demagogues fiery gospel of resentment It was this troubling altered South that LeRoy Percy bequeathed to his son William Alexander Will Percy fought in World War I taught for a time and stood at his father's side throughout many of the battles to safeguard the delta from extremism But Will's true calling was as a poet and his lasting contribution to the delta would be in the form of a memorial to its past his memoir *Lanterns on the Levee* During my day he wrote Will Percy not long before his death I have witnessed the disintegration of that moral cohesion of the South which had given it its strength and its sons their singleness of purpose and simplicity It would be left to Walker Percy to fully confront this modern disintegrated South to seek in such works as *The Moviegoer* *The Last Gentleman* and *The Second Coming* the place of the Percy family's values in a world that has little use for aristocrats

The Percy Family of Mississippi and Louisiana, 1776-1943, 1943 [The House of Percy](#) Bertram Wyatt-Brown, 1996-10-31 Although the novels of Walker Percy represent some of the most prominent work in 20th century Southern fiction the Percy family itself has a history that is arguably as compelling as anything he could have created Behind Percy's prose lurks a legacy of wealth literary accomplishment political leadership depression and suicide that spans two centuries In this compelling biography Wyatt Brown skilfully combines intensive research and telling insights to produce the unforgettable story of this gifted family

48 halftones *William Alexander Percy* Benjamin E. Wise, 2012-03-12 In this evocative biography Benjamin E Wise presents the singular life of William Alexander Percy 1885-1942 a queer plantation

owner poet and memoirist from Mississippi Though Percy is best known as a conservative apologist of the southern racial order in this telling Wise creates a complex and surprising portrait of a cultural relativist sexual liberationist and white supremacist We follow Percy as he travels from Mississippi around the globe and always back again to the Delta Wise s exploration brings depth and new meaning to Percy s already compelling life story his prominent family s troubled history his elite education and subsequent soldiering in World War I his civic leadership during the Mississippi River flood of 1927 his mentoring of writers Walker Percy and Shelby Foote and the writing and publication of his classic autobiography *Lanterns on the Levee* This biography sets Percy s life and search for meaning in the context of his history in the Deep South and his experiences in the gay male world of the early twentieth century In Wise s hands these seemingly disparate worlds become one

Campbell Brown's Civil War Terry L. Jones, 2001-10-01 The Civil War writings of G Campbell Brown cousin stepson and staff officer of famed Confederate General Richard S Ewell provide a comprehensive account of the major campaigns in the north Virginia theater Terry L Jones has performed an invaluable service by gathering these widely scattered but oft cited primary sources into a deftly edited volume Brown s memoir details his service under Ewell during the campaigns of First Manassas the Shenandoah Valley the Seven Days Second Manassas and Gettysburg and under Joseph E Johnston at Vicksburg His correspondence and memoranda form a suspenseful recounting of the Overland Campaign the siege of Richmond and a harrowing retreat that ended with the capture of Brown and Ewell at Saylor s Creek just three days before Robert E Lee s surrender Their subsequent three month captivity in Fort Warren Massachusetts is documented in Brown s letters Leaders such as Ewell Johnston Lee whose daughter Brown tried to marry Stonewall Jackson and Jubal A Early come to life in rich anecdotes and occasional critiques of their wartime actions A southern aristocrat from Tennessee Brown exhibits a grasp of the nuances of military protocol that is as compelling as his descriptions of battlefield horrors Brown s eagerness to report all he sees from the quotidian to the bloodcurdling makes his writings among the finest to come out of the Civil War Scholars will want copies of this volume at close hand for ready reference and buffs will treasure the play of a nimble mind over a dire and fascinating time

The Literary Percys Bertram Wyatt-Brown, 1994 Few families in America can claim so many gifted writers as the Percys This examines the role of gender and family history in the writings of this exceptional lineage

The Fiction of Walker Percy John Edward Hardy, 1987 Hardy s study is concerned only with Percy s fiction rather than his life thought or his essays He covers all six of Percy s novels from *The Moviegoer* 1961 to *The Thanatos Syndrome* 1987 and treats them only as fiction rather than as philosophical disquisitions or religious treatises Hardy presents a close reading of each novel focusing on the internal artistic consistency of the works in regard to their subgenres adopted conventions narrative focus and reader text interactions He reveals Percy as a judicious and knowledgeable practitioner in control of his medium ISBN 0 252 01387 5 24 95

The Fourth Ghost Robert H. Brinkmeyer, Jr., 2009-01-01 In the 1949 classic *Killers of the Dream* Lillian Smith described three racial ghosts haunting the

mind of the white South the black woman with whom the white man often had sexual relations the rejected child from a mixed race coupling and the black mammy whom the white southern child first loves but then must reject In this groundbreaking work Robert H Brinkmeyer Jr extends Smith's work by adding a fourth ghost lurking in the psyche of the white South the specter of European Fascism He explores how southern writers of the 1930s and 1940s responded to Fascism and most tellingly to the suggestion that the racial politics of Nazi Germany had a special problematic relevance to the South and its segregated social system As Brinkmeyer shows nearly all white southern writers in these decades felt impelled to deal with this specter and with the implications for southern identity of the issues raised by Nazism and Fascism Their responses varied widely ranging from repression and denial to the repulsion of self recognition With penetrating insight Brinkmeyer examines the work of writers who contemplated the connection between the authoritarianism and racial politics of Nazi Germany and southern culture He shows how white southern writers both those writing cultural criticism and those writing imaginative literature turned to Fascist Europe for images analogies and metaphors for representing and understanding the conflict between traditional and modern cultures that they were witnessing in Dixie Brinkmeyer considers the works of a wide range of authors of varying political stripes the Nashville Agrarians W J Cash Lillian Smith William Alexander Percy Thomas Wolfe William Faulkner Katherine Anne Porter Carson McCullers Robert Penn Warren and Lillian Hellman He argues persuasively that by engaging in their works the vital contemporary debates about totalitarianism and democracy these writers reconfigured their understanding not only of the South but also of themselves as southerners and of the nature and significance of their art The magnum opus of a distinguished scholar *The Fourth Ghost* offers a stunning reassessment of the cultural and political orientation of southern literature by examining a major and heretofore unexplored influence on its development

Southern Masculinity Craig Thompson Friend, 2010-01-25 The follow up to the critically acclaimed collection *Southern Manhood Perspectives on Masculinity in the Old South Georgia* 2004 *Southern Masculinity* explores the contours of southern male identity from Reconstruction to the present Twelve case studies document the changing definitions of southern masculine identity as understood in conjunction with identities based on race gender age sexuality and geography After the Civil War southern men crafted notions of manhood in opposition to northern ideals of masculinity and as counterpoint to southern womanhood At the same time manliness in the South as understood by individuals and within communities retained and transformed antebellum conceptions of honor and mastery This collection examines masculinity with respect to Reconstruction the New South racism southern womanhood the Sunbelt gay rights and the rise of the Christian Right Familiar figures such as Arthur Ashe are investigated from fresh angles while other essays plumb new areas such as the womanless wedding and Cherokee masculinity

Walker Percy's Voices Michael Kobre, 2000 Walker Percy's novels are fraught with characters struggling toward a destiny and purpose in life who must sort through conflicting inner voices and the voices of family friends therapists and mentors until they finally find their own paths Through

trial error and retrial Percy's characters continuously reinvent themselves struggling until they reach solutions satisfaction and maturity In this multifaceted work Michael Kobre analyzes Walker Percy's major fiction works *The Moviegoer* *The Last Gentleman* *Love in the Ruins* *Lancelot* *The Second Coming* and *The Thanatos Syndrome* in terms of the Russian philosopher and literary scholar Mikhail Bakhtin's critical theory Kobre begins with an introduction to Percy's view of language and consciousness and a clear accessible explanation of Bakhtin's ideas His subsequent discussion of the novels connects each work in turn with Percy's advancing career and explores the deepening conflict in Percy's fiction between his desire to express his own religious and moral beliefs and his commitment to the essential freedom of his art the play of many voices in his narratives

Princes of Cotton Stephen Berry, 2010-01-25 A rogue a megalomaniac a plodder and a depressive the men whose previously unpublished diaries are collected in this volume were four very different characters But they had much in common too All were from the Deep South All were young between seventeen and twenty five All had a connection to cotton and slaves Most obviously all were diarists enduring night upon night of cramped hands and candle bugs to write out their lives Down the furrows of their fathers farms through the thickets of their local woods past the familiar haunts of their youth Harry Dixon Henry Hughes John Coleman and Henry Craft arrive at manhood via journeys they narrate themselves All would be swept into the Confederate Army and one would die in its service But if their manhood was tested in the war it was formed in the years before when they emerged from their swimming holes sopping with boyhood determined to become princes among men Few books exist about the inner lives of southern males especially those in adolescence and early adulthood *Princes of Cotton* begins to remedy this shortage These diaries along with Stephen Berry's introduction address some of the central questions in the study of southern manhood how masculine ideals in the Old South were constructed and maintained how males of different ages and regions resisted modified or flouted those ideals how those ideals could be expressed differently in public and private and how the Civil War provoked a seismic shift in southern masculinity

Art in Mississippi, 1720-1980 Patti Carr Black, 1998 In *Art in Mississippi* Patti Carr Black focuses on several hundred significant artists and showcases in full color the work of more than two hundred Nationally acclaimed native Mississippians are here George Ohr Walter Anderson Marie Hull Theora Hamblett William Dunlap Sam Gilliam William Hollingsworth Jr Karl Wolfe Mildred Nungester Wolfe John McCrady Ed McGowin James Seawright and many others Prominent artists who lived or worked in the state for a significant period of time are included as well John James Audubon Louis Comfort Tiffany George Caleb Bingham William Aiken Walker and more Black explores how art reflects the land and how modes of living and values dictated by Mississippi's changing topography created a variety of art forms She demonstrates the influence of Mississippi's diverse cultures upon the art and shows how it has responded in many forms painting architecture sculpture fine crafts to the changing aesthetics of national art movements

The House of Percy Bertram Wyatt-Brown, 1996-11-21 The novels of Walker Percy *The Moviegoer* *Lancelot* *The Second Coming* and *The Thanatos Syndrome* to name a few have left a permanent

mark on twentieth century Southern fiction yet the history of the Percy family in America matches anything perhaps that he could have created Two centuries of wealth literary accomplishment political leadership depression and sometimes suicide established a fascinating legacy that lies behind Walker Percy's acclaimed prose and profound insight into the human condition In *The House of Percy* Bertram Wyatt Brown masterfully interprets the life of this gifted family drawing out the twin themes of an inherited inclination to despondency and an abiding sense of honor The Percy family roots in Mississippi and Louisiana go back to Don Carlos Percy an eighteenth century soldier of fortune who amassed a large estate but fell victim to mental disorder and suicide Wyatt Brown traces the Percys through the slaveholding heyday of antebellum Natchez the ravages of the Civil War which produced the heroic Colonel William Alexander Percy the Gray Eagle and a return to prominence in the Mississippi Delta after Reconstruction In addition the author recovers the tragic lives and literary achievements of several Percy related women including Sarah Dorsey a popular post Civil War novelist who horrified her relatives by befriending Jefferson Davis a married man and bequeathing to him her plantation home Beauvoir along with her entire fortune Wyatt Brown then chronicles the life of Senator LeRoy Percy whose climactic re election loss in 1911 to a racist demagogue deeply stung the family pride but inspired his bold defiance to the Ku Klux Klan in the 1920s The author goes on to tell the poignant story of poet and war hero Will Percy the Senator's son The weight of this family narrative found expression in Will Percy's memoirs *Lanterns on the Levee* and in the works of Walker Percy who was reared in his cousin Will's Greenville home after the suicidal death of Walker's father and his mother's drowning As the biography of a powerful dynasty steeped in Southern traditions and claims to kinship with English nobility *The House of Percy* shows the interrelationship of legend depression and grand achievement Written by a leading scholar of the South it weaves together intensive research and thoughtful insights into a riveting unforgettable story

Walker Percy's Sacramental Landscapes

Allen Pridgen, 2000 Sometimes oblivious to the sacramental signs of life sometimes clear eyed both Will at the end of *The Second Coming* and Tom at the end of *The Thanatos Syndrome* finally assent to the wondrous possibilities these signs signify They begin to believe in the possibilities for a life that waits for them on the horizon and down the road

BOOK JACKET

Walker Percy Remembered David Horace Harwell, 2007-09-06 Walker Percy 1916-1990 the reclusive southern author most famous for his 1961 novel *The Moviegoer* spent much of his adult life in Covington Louisiana In the spirit of traditional southern storytelling this biography of Percy takes its shape from candid interviews with his family close friends and acquaintances In thirteen interviews we get to know Percy through his lifelong friend Shelby Foote Percy's brothers LeRoy and Phin his former priest his housekeeper and former teachers among others all in their own words Over the course of the interviews readers learn intimate details of Percy's writing process his interaction with community members of different ethnic religious and socioeconomic backgrounds and his commitment to civil rights issues What emerges is a multidimensional portrait of Percy as a man a friend and a family member

Lives of Mississippi Authors, 1817-1967 James

B. Lloyd, 1981 **Rowdy Boundaries** James L. Robertson, 2023-10-30 Dwelling along the Mississippi River the Tennessee state line the Tenn Tom Waterway and the Gulf of Mexico are a trove of characters with fascinating lives and histories In *Rowdy Boundaries True Mississippi Tales from Natchez to Noxubee* author James L Robertson weaves these stories to reveal a tapestry of Mississippi's border counties and the towns and people that occupy them From his unique vantage as a former Mississippi Supreme Court justice and seasoned lawyer he documents the legal geographical and biographical tales revealed during his journeys along and within the state lines The volume features the true stories of musicians authors portrait painters and football players as well as political activists educators politicians and judges Also featured are tributes to noteworthy newspaper editors and columnists for their many contributions over the years Robertson covers pivotal moments in Mississippi history including the Mississippi Married Women's Property Act of 1839 the development of Chinese culture in the Mississippi Delta and 1964 Freedom Summer He does not shy away from the tragedies of the past discussing lynchings and murders that still haunt the state today From ghost towns in Jefferson County to the Slugburger Festival in Corinth stopping en route for a mint julep in Columbus Robertson puts a human face on Mississippi history and tells a good yarn along the way *Fyodor Dostoevsky, Walker Percy, and the Age of Suicide* John F. Desmond, 2019-01-09 Fyodor Dostoevsky Walker Percy and the Age of Suicide is a study of the phenomenon of suicide in modern and post modern society as represented in the major fictional works of Fyodor Dostoevsky and Walker Percy In his study suicide is understood in both a literal and spiritual sense as referring to both the actual suicides in their works and to the broader social malaise of spiritual suicide or despair In the 19th century Dostoevsky called suicide the terrible question of our age For his part Percy understood 20th century Western culture as suicidal in both its social political and military behavior and in the deeper sense that its citizenry had suffered an ontological loss of self or deformation of being Likewise Thomas Merton called the 20th century an age of suicide *Dangerous Innocence* William P. Murray, 2024-04-03 *Dangerous Innocence* investigates how prevailing constructions of white masculinity in the U S South help feed and reinforce systems of racial inequity Tracing the rise of the southern outsider in literature and on television from 1960 to 2020 William P Murray probes white Americans' enduring desire to assert their own blamelessness even though such acts of self justification facilitate continued violence against historically oppressed populations *Dangerous Innocence* courses from popular television such as *The Andy Griffith Show* and *The Waltons* through influential fiction by Eudora Welty Walker Percy and other prominent southern authors alongside forceful challenges voiced by Black writers including Chester Himes and Ernest Gaines before turning to works created after the September 11 attacks that reinscribe cultural logics predicated on protecting white innocence and power Concluding on a note of praxis *Dangerous Innocence* argues that reattaching southern outsiders to a communal identity encourages an honest assessment about what whiteness represents and what it means to belong to a nation steeped in commitments to white supremacy *Thomas Percy* Bertram H. Davis, 2016-11-11 This book is a volume in the Penn Press

Anniversary Collection To mark its 125th anniversary in 2015 the University of Pennsylvania Press rereleased more than 100 titles from Penn Press's distinguished backlist from 1899-1999 that had fallen out of print. Spanning an entire century, the Anniversary Collection offers peer-reviewed scholarship in a wide range of subject areas.
