Sir Pelham Grenville Wodehouse,1956-01-01 Through the curtained windows of the furnished flat which Mrs Horace Hignett

had rented for her stay in New York rays of golden sunlight peeped in like the foremost spies of some advancing army It was a fine summer morning The hands of the Dutch clock in the hall pointed to thirteen minutes past nine those of the ormolu clock in the sitting room to eleven minutes past ten those of the carriage clock on the bookshelf to fourteen minutes to six In other words it was exactly eight and Mrs Hignett acknowledged the fact by moving her head on the pillow opening her eyes and sitting up in bed She always woke at eight precisely Was this Mrs Hignett the Mrs Hignett the world famous writer on Theosophy the author of *The Spreading Light* *What of the Morrow* and all the rest of that well known series I m glad you asked me Yes she was She had come over to America on a lecturing tour About this time there was a good deal of suffering in the United States for nearly every boat that arrived from England was bringing a fresh swarm of British lecturers to the country Novelists poets scientists philosophers and plain ordinary bores some herd instinct seemed to affect them all simultaneously It was like one of those great race movements of the Middle Ages Men and women of widely differing views on religion art politics and almost every other subject on this one point the intellectuals of Great Britain were single minded that there was easy money to be picked up on the lecture platforms of America and that they might just as well grab it as the next person Mrs Hignett had come over with the first batch of immigrants for spiritual as her writings were there was a solid streak of business sense in this woman and she meant to get hers while the getting was good She was half way across the Atlantic with a complete itinerary booked before ninety per cent of the poets and philosophers had finished sorting out their clean collars and getting their photographs taken for the passport She had not left England without a pang for departure had involved sacrifices More than anything else in the world she loved her charming home Windles in the county of Hampshire for so many years the seat of the Hignett family Windles was as the breath of life to her Its shady walks its silver lake its noble elms the old grey stone of its walls these were bound up with her very being She felt that she belonged to Windles and Windles to her Unfortunately as a matter of cold legal accuracy it did not She did but hold it in trust for her son Eustace until such time as he should marry and take possession of it himself There were times when the thought of Eustace marrying and bringing a strange woman to Windles chilled Mrs Hignett to her very marrow Happily her firm policy of keeping her son permanently under her eye at home and never permitting him to have speech with a female below the age of fifty had averted the peril up till now Eustace had accompanied his mother to America It was his faint snores which she could hear in the adjoining room as having bathed and dressed she went down the hall to where breakfast awaited her She smiled tolerantly She had never desired to convert her son to her own early rising habits for apart from not allowing him to call his soul his own she was an indulgent mother Eustace would get up at half past nine long after she had finished breakfast read her correspondence and started her duties for the day

Wodehouse was an English author and one of the most widely read humorists of the 20th century Wodehouse worked extensively on his books sometimes having two or more in preparation simultaneously He would take up to two years to build

a plot and write a scenario of about thirty thousand words After the scenario was complete he would write the story Early in his career he would produce a novel in about three months but he slowed in old age to around six months He used a mixture of Edwardian slang quotations from and allusions to numerous poets and several literary techniques to produce a prose style that has been compared to comic poetry and musical comedy *Three Men and a Maid* Pelham Grenville Wodehouse, 1922 *Three Men and a Maid* is a classic humorous story by P G Wodehouse The maid of the title is red haired dog loving Wilhelmina Billie Bennet and the three men are Bream Mortimer a long time friend and admirer of Billie Eustace Hignett a lily livered poet who is engaged to Billie at the opening of the tale and Sam Marlowe Eustace s dashing cousin who falls for Billie at first sight The four of them find themselves together on a White Star ocean liner called the Atlantic sailing for England Also on board is a capable young woman Jane Hubbard who is in love with Eustace Wodehousian funny stuff ensues with happy endings for all except Bream Mortimer The White Star Line had a ship called the Atlantic which operated from 1871 to 1873 when it struck a rock off Nova Scotia and sank with the loss of about 535 lives As this disaster occurred 48 years before the publishing of the story and 8 years before Wodehouse was born it is unlikely that he knew about it The Grail Procession Justin E. Griffin, 2004-11-15 By the 12th century European literature was rich with tales of a procession carrying a group of objects closely tied to the Passion of Christ the Holy Grail the lance that pierced Christ s side the sword used to behead John the Baptist and a dish from the Last Supper While legends of the quest for the Holy Grail continue to grip the popular imagination the other relics once closely associated with the Grail legends receive little mention Still the overlooked Grail Hallows as they are called have a rich symbolic history winding through the ages and leading in some surprising directions This exploration of the forgotten relics of the Grail Procession examines the body of evidence hinting at their authenticity and traces their history as symbols from the early days of Christianity to Celtic mythology to the foggy wastelands inhabited by history s outcasts to the suits of the modern tarot The oral histories and a possible sourcebook that informed the earliest known stories are discussed Illustrations and photographs of relevant locations and objects including the cards of the tarot further illuminate the story An appendix gives a timeline of the Hallows history and there is a bibliography and an index «**He should have listened to his wife!**» Annegret Oehme, 2020-01-20 This publication uncovers two previously dismissed pre modern adaptations of the Middle High German Wigalois 1215 by exploring their different approaches to female agency in comparison with the original Wigalois the Yiddish Viduvilt 14th ct and the German Wigoleis 15th ct Traditionally scholarship often concentrated on the Yiddish text presenting female figures as behaving in a Jewish manner or embodying famous Jewish mythical figures such as Lilith see Achim Jaeger Robert G Warnock Rather than trying to argue for or against a figure s Jewishness I evaluate these interpretations from the perspective of Arthurian Literature by showing that the construction of female agency is at the center of all three adaptations of this important chapter of German Jewish literature and culture
