**It's What I Do** Lynsey Addario, 2015-02-05 A brutally real and unrelentingly raw memoir Kirkus starred review War photographer Lynsey Addario s memoir It s What I Do is the story of how the relentless pursuit of truth in virtually every major theater of war in the twenty first century has shaped her life What she does with clarity beauty and candor is to document often in their most extreme moments the complex lives of others It s her work but it s much more than that it s her singular calling Lynsey Addario was just finding her way as a young photographer when September 11 changed the world One of the few photojournalists with experience in Afghanistan she gets the call to return and cover the American invasion She makes a decision she would often find herself making not to stay home not to lead a quiet or predictable life but to set out across the world face the chaos of crisis and make a name for herself Addario finds a way to travel with a purpose She photographs the Afghan people before and after the Taliban reign the civilian casualties and misunderstood insurgents of the Iraq War as well as the burned villages and countless dead in Darfur She exposes a culture of violence against women in the Congo and tells the riveting story of her headline making kidnapping by pro Qaddafi forces in the Libyan civil war Addario takes bravery for granted but she is not fearless She uses her fear and it creates empathy it is that feeling that empathy that is essential to her work We see this clearly on display as she interviews rape victims in the Congo or photographs a fallen soldier with whom she had been embedded in Iraq or documents the tragic lives of starving Somali children Lynsey takes us there and we begin to understand how getting to the hard truth trumps fear As a woman photojournalist determined to be taken as seriously as her male peers Addario fights her way into a boys club of a profession Rather than choose between her personal life and her career Addario learns to strike a necessary balance In the man who will become her husband she finds at last a real love to complement her work not take away from it and as a new mother she gains an all the more intensely personal understanding of the fragility of life Watching uprisings unfold and people fight to the death for their freedom

Addario understands she is documenting not only news but also the fate of society It s What I Do is more than just a snapshot of life on the front lines it is witness to the human cost of war     Hot, Healthy, Happy Christy Fergusson,2013 Let s face it we d all love to have the perfect body but not if it means starving ourselves and feeling miserable all the time There are a million ways to lose weight and countless books selling the secret to skinny but what if you want a diet for girls that s about more than thin thighs and a size 6 waist Inside Hot Healthy Happy you ll find a nutritional psychological and spiritual toolkit that will enable you to wake up each day with enough energy to follow your dreams have flawless skin and nails to die for have a period without needing painkillers and chocolate bars connect to and trust your inner wisdom feel happy and confident despite facing drama in the TwittersphereIn Hot Healthy Happy The Food Psychologist and nutritional therapist Christy Fergusson shows how science makes you sexy and invites you to achieve the life and the body you want Discover the cutting edge 21 day formula she used to overcome a myriad of health conditions and become the definition of hot healthy and happy Now it s your turn to eat drink and think your way to self love and skinny jeans     Sun Signs & Past Lives Bernie Ashman,2024-11-06 Reach your full potential with an instant past life reading based on your Sun sign Internationally known astrologer Bernie Ashman offers an easy foolproof way to pinpoint behaviors that may be holding you back from a rewarding life of peace and fulfillment You don t have to know any specialized astrology terms or concepts to use this book all you need is your birthday Sun Signs Past Lives separates each Sun sign into three energy zones Simply look up the zone in which your birthday falls and find out your innate strengths and the spiritual lessons you need to learn for this lifetime Most importantly you ll discover how to transform these precious insights into action Learn about your spouse or partner friends and loved ones Bring about improved health and healing Discover your true purpose for this lifetime Reverse negative past life tendencies
