Imperfect Dads, One Perfect Father Scott Silverii, Juan Martinez, George Gregory, Richard Bright, 2021-06-15 Want to be a better father Four dads have come together to create a powerfully honest and insightful guide for men who sincerely want to improve relationships with their kids Many men struggle with strained connections with their own dad or the effects of having grown up without a male role model This imperfect model of fatherhood has left a generation of dads without the foundation for raising their own kids The authors share their uniquely diverse perspectives and personal experiences to show that no matter who you are how you grew up or what your current situation is you can always look to the one perfect example of fatherhood to guide you into sharing the best relationship you've ever had with your kids God the Father created the gift of being a dad and it's through His very own example that we learn not the best way but the only way to be dad If you're not the dad you thought you'd be at this point in life or if you're looking to up your game in the dad department *Imperfect*

Dads One Perfect Father will encourage men through the journey of fatherhood **Collected Works of Erasmus**

Desiderius Erasmus,2009-05-23 As part of his effort to make the Bible an effective instrument of reform in society church and everyday life Erasmus composed the Paraphrases In these series of texts the Holy Scripture provides the core of a work that is vastly expanded to embrace the reforming philosophy of Christ in all of its forms This volume contains two sets of Paraphrases one on the Corinthian letters circa 1519 and the other on the group of letters from the Ephesians to the Thessalonians circa 1520 The first set presents an epistolary narrative which not only enlivens the events described but revisits them from a sixteenth century perspective Together they form a sharpened portrait of the primitive Corinthian church and an intriguing critique of the church as it was in Erasmus s time The second set Ephesians to Thessalonians offers an interpretation of Pauline theology with humanistic overtones that are distinctively Erasmian In these Paraphrases we see the craft of the philologist at work in the articulation of the doctrine of the Trinity the humanist depicting Christ with an unmistakably human sensibility and the artist discussing familiar theological virtues of faith and love in a new way Apart from providing the first complete English translations of these Paraphrases since 1549 this volume gives excellent insight into the fundamentals of Erasmian theology and includes annotations which highlight the historical and linguistic implications of Erasmus s original texts Volume 43 of the Collected Works of Erasmus series *8 Great Wonders* Eric Holmes,2006-10 [Awesome Mysteries Beyond Heaven's Gate](#) Tara Keeling,2003-07 The Word of God is laced with

profound mysteries peppered with power to saturate your soul with salvation The Holy Spirit has made known to me many of these mysteries and God has compelled me to convey this knowledge with you liberally Awesome Mysteries beyond Heaven s Gate offers a greater insight into God s Holy word through the empowerment of the Holy Spirit thereby giving the elect of God ultimate peace in their struggles while maintaining an intimate relationship with Christ Jesus God has equipped this powerful manifestation of the word with manifold blessings This in depth study of the promises of God will employ direction into every area of the believer s life as well as impart salvation into the lives of those who are lost and hopelessly on their way to hell Through the readings of this word God will endow you with strength to overcome the temptation of the devil and increase your faith to endure the test of life s journey You will learn how to conquer each battle encountered and count each victory won as you endeavor to run this Christian race **NIV, Bible for Women** Zondervan,2015-09-22 Daily devotions

Book I Days 1 - 91** Steve Haines, 2025-08-21 Like any professional Pastors can be busy people Often the demands upon their time are myriad The time when I first came to accept Christ as my Lord was wonderful beyond measure Although my Pastor was eager to introduce me to Christ he was not as intimately available to guide me in the aftermath of that wonderful moment You see having accepted Christ as Savior guarantees the blessing of eternity with Christ but the new believer still has the rest of his or her life to negotiate There are lots of things to learn but in big churches people can get lost in the crowd and fall through the cracks and in small churches well there is only so much a small staff can do So I stumbled around for a long time very gradually figuring out how to

navigate the world and still hold to my faith in Christ I remember thinking There has to be a better way than this These discussions are part commentary part history part blessing and part questioning There s a little bit of everything I ve put considerable thought into writing these things and I want you to get some benefit some blessing from them Think about what you read You might be provoked to irritation or to curiosity or to laughter Try to apply the thoughts to your life But the bottom line is if you don t read you won t benefit This first book that you are holding tries to answer some basic questions Why should I fear God Why should I trust Him Who am I in Christ What is the nature of sin Following books talk about the Jewish Festivals and their profound meaning about God s Constitution Matthew chapters 5 7 about God s manifested love what it means to be Grafted In to God s family how to know Jesus and what it means to abide in Christ I hope you stick around to the end Every life has its ups and downs and after several cycles of this I was fed up and began to look for answers I found this crazy new church which was meeting in a hotel conference room I remember people all around me speaking in these strange indecipherable ways people falling down on the floor and generally acting nuts I remember thinking Why am I here God had a plan but I was not awake to it But I stayed out of curiosity if nothing else and eventually God began to draw me in Since then God has led me on a wonderful journey Where once I had a sort of vague notion of God He used personal struggle to draw me closer to him Where once I looked at everything from a performance oriented point of view He taught me the true value of the love of Christ Where once I had to be doing things for Christ He taught me the value of resting in the presence of Christ I want people to understand these things I want everyone to experience the intimate presence of Christ in their lives I want everyone to see real time answers to prayer as I have I want people to understand that humble submission to God is the answer to every struggle every problem and every stress God's Holey Men Need Mending; And So Do You!
