Coles, The Chicago History of American Civilization, 2024-05-31 This compact history of the war attempts to separate myth from reality Professor Coles narrates the main operations on both land and sea of the three year struggle He examines the conflict from the British and Canadian as well as the American point of view relating events in America to the larger war going on in Europe A balanced analysis of tactics and strategy this book also summarizes succinctly and clearly recent scholarship on causes and describes briefly the war s military economic and political consequences Coles has surveyed thoroughly the existing literature but arrives at a number of independent judgments It is the best single volume account of the war in all its aspects In recounting sea battles Coles puts aside the patriotic blinders that have for so long prevented a sensible understanding of American capabilities and strategic necessities thus American naval victories are put in a proper perspective And in dealing with land engagements he has shunned the mocking and amused attitude which has so often passed for historical judgment Undergraduates will be stimulated by the hints of modern parallels and will find useful the excellent annotated bibliography and simple maps Choice A Local Kid (Does Only O.K.) The Serpent Under it Edith Taylor, 1973 **Lasting City: The Anatomy of Nostalgia** James McCourt, 2013-10-21 A Kirkus Reviews Best Book of 2013 A profoundly American work with distinct echoes of Samuel

Beckett *Lasting City* hypnotizes with its symphonic lyricism Enjoined by his dying mother to tell everything James McCourt was liberated by this deathbed wish to do just that The result is *Lasting City* a gripping uniquely McCourt invention an operatic recollection that braids a nostalgic portrait of old Irish New York with a boy's funny gutter snipe precocity and hardly innocent coming of age in the 1940s and 50s A literary outlaw in the poetic tradition of Verlaine and Baudelaire McCourt tells his own story his mother's his family's and that of a lost New York the lasting city While ostensibly an account of the author's first seven years *Lasting City* expands into a philosophical exploration of memory perhaps as daring a statement on perception as anything since Faulkner a kaleidoscopic unraveling of time Mating fact with fantasy or fantasy with fact McCourt takes us from his deeply moving bedside account of his mother Catherine's death to its traumatic aftermaths both real and imagined which are as McCourt tells it equally real He revisits the fantasy city of his youth sometimes in soliloquy as well as in the plaintive threnody of an older man who recounts his tales of woe to a Hindu cabdriver named Primit Banarjee on Broadway only hours after leaving his mother's bedside By celebrating our powerlessness over memory he explores the darkly intense Irish American family romance and the love hate relationship between an unusually bright boy and his eternally wise mother who harbored an excruciating guilty secret With Joycean panache McCourt then takes us to the wake where his aunts recall their sister as if they are the Fates he has a late night dialogue with a former showgirl turned hash slinging waitress and he then anticipates his own death with the some of the most lyrical cadences in recent literature wondering whether his ashes will be scattered on the waters of that little rivulet emerging from Central Park's Ramble where in his grandfather's day real Venetian gondoliers imported from Venice plied their trade Reflecting McCourt's belief that the perfectly diagrammed sentence has become the secret weapon of nice people *Lasting City* written as much for the ear as the reading eye unfolds in multiple voices that are at times like theater and at times the reverie of a mind lost in memory It is a heartfelt aria to a lost time and to an eternal city *Black World/Negro Digest*, 1963-04 Founded in 1943 *Negro Digest* later *Black World* was the publication that launched Johnson Publishing During the most turbulent years of the civil rights movement *Negro Digest* *Black World* served as a critical vehicle for political thought for supporters of the movement **The Blue Book of The John Birch Society [Fifth Edition]** Robert Welch, 2016-08-09 Robert Welch was the founder of the John Birch Society a conservative advocacy group supporting anti communism and limited government This book is a transcript of Robert Welch's two day presentation of the background methods and purposes of the John Birch Society as given at the founding meeting in Indianapolis on December 8 9 1958 The book became a cornerstone of the Society's beliefs with each new member receiving a copy This Fifth Edition include two previous Forewords and a Postscript from earlier editions 1959 and 1961 as well as a new Postscript dated March 15 1961 [The Principle Centered Life](#) Wil Watson, 2008-11-19 The book presents thirteen paradoxical and thought provoking principles that generate positive living The following topics are discussed in an interesting manner including real life

Remembering Zionsville Joan Praed Lyons, 2009-07-01

Although William Zion never lived in Zionsville it was his business acuity that led to the railway station being built on Elijah and Polly Crosss plot of landthe beginnings of a burgeoning town This strategic location brought development and prosperity to Zionsville as people traveling through Indiana stopped to discover the distinctive flair of this small but industrious community Local historian Joan Praed Lyons depicts the spirit of a town in which a rousing game of donkey softball raised money for a new park and neighbors formed bucket brigades when fires broke out In this delightful collection of vignettes Lyons brings new life to Zionsvilles history through her engaging and meticulously researched prose
