Perfect Together Lisa Plumley, 2011-05-01 Plumley's humor sparkles in this thoroughly engaging tale about what's real and what isn't. Booklist starred review. Nationally bestselling author Lisa Plumley has charmed readers and critics alike with her gift for sparkling screwball romance. Now she turns reality TV upside down with a totally different take on prime time love. After her long running sitcom is cancelled, actress Marley Madison finds herself a typecast. Has been at the ripe old age of twenty seven. Her career needs a jump start fast and an incognito appearance on the hit reality game show Dream Date will prove her acting ability to the world. But before long she finds herself wanting to prove something entirely different to her fellow contestant Jake Jarvis. There's something decidedly un-Hollywood about Jake, a sportscaster whose laid back charm belies something deeper than an intimate understanding of box scores. And the better Marley gets to know him, the harder it is to remember her motivation. Because she's beginning to realize that what makes her career could break both their hearts if reality and honesty are on different wavelengths. Engaging well developed protagonists and an abundance of appealing secondary characters, especially an adorable four year old and the heroine's geeky twin sister who definitely needs her own story, add to the fun. This effervescent and heartwarming comedy will appeal to fans of Rachel Gibson and Elizabeth Bevarly. Library Journal. Perfect Together is the perfect recipe for an entertaining and satisfying romantic read. I'm hastily jotting down this author's backlist for my next trip to the bookstore because this one was so delightful. The Romance Reader's Connection. Lisa Plumley scores another big winner with Perfect Together. An ensemble of fabulous characters, smart and often very funny dialogue, fine pacing and some great comedic scenes is an expert combination that will often have you laughing out loud and smiling long after you turn the last page. Bookloons. Plumley is becoming a master at blending silly and poignant. She hits all the marks with Perfect Together. The Oakland Press newspaper. I enjoyed this book from beginning to end. Romance and Friends. Lisa Plumley creates charming characters. Her books are a delight. USA Today best selling author Rachel Gibson. Lisa Plumley is a comedic buried treasure. Screwball comedy with sizzle. Perfect Together blends laugh out loud antics and touching romance. Romantic Times BOOKclub. Perfect Together is a perfectly spontaneous, perfectly fun fish out of water splash. Stephanie Bond, author of I Think I Love You.
