Pronoun-Antecedent Agreement

- A personal pronoun must agree with its antecedent in person, number, and gender.
- Collective nouns are singular when the group is acting as a single unit.
- Collective nouns are plural when the members of the group are acting independently.

Example:

The orchestra disagree on the selections for the concert.

Subject-Verb Agreement

- Normally, when two or more subjects are connected by *and*, the subject is plural and requires a plural verb.

Fred and Dave like this class.

- If the two subjects form a unit, the subject is then singular and requires a singular verb.

Chicken and dumplings is my favorite meal.

- Two singular subjects joined by *or* are considered singular and require a singular verb.

- When one of the subjects is singular and the other is plural, the verb agrees with the subject that is nearer.

- The subject of the sentence is never affected by intervening phrases that might come between it and the verb.

- A collective noun that is singular requires a singular verb.

- If the collective noun indicates by its usage that the individual members are acting separately, then a plural verb is required.

- A plural noun that shows *weight*, *extent*, or *quantity* is singular and takes a singular verb.

Ten dollars is the price of this tape.

Rules for Titles

- All principal words in titles are capitalized. Do not capitalize prepositions, coordinating conjunctions, and articles unless they begin the title.
- Underline the titles of books, magazines, newspapers, and films. (Italics may take the place of underlining if you are using a word processor capable of doing it.)
- Quotation marks are used to enclose the titles of magazine articles, chapters of books, names of songs, and titles of poems.

Capitalization Rules

- Capitalize names of particular persons, places, and things.
- Capitalize titles of rank when they come before a person's name.
- Do not capitalize the names of the seasons of the year unless they are personified.
- The words *north*, *south*, *east*, and *west* are capitalized only when they refer to sections of the country, not directions.
- The names of school subjects are not capitalized unless they are names of languages.
- All words that refer to a specific deity and sacred books are capitalized.

The "Of" Error

- Do not substitute the preposition *of* for the auxiliary verb *have*.

Common error forms are:

could of
should of

You should use:

could have
should have

What Is Good Writing? Geoffrey Huck, 2015-07-01 Though we all think we know what good writing is when we see it it's difficult to define it precisely and without a satisfactory definition it becomes problematical to assess as well as to teach In What Is Good Writing Geoffrey J Huck advances the contemporary debate on writing achievement by drawing on empirical research in linguistics and the other cognitive sciences that shed light on the development of fluency in language The utility of defining good writing as fluent writing or writing that is on par with the typical fluency in speech attained by normal adults is demonstrated by the progress it permits in evaluating the success of current writing programs in school and

university programs which for the most part have proved unable to deliver writing assessments that are both valid and reliable Huck advances an alternative approach that rests on more scientific footing He explains why reading is key to good writing and why standard composition programs often do not live up to their aspirations **Master the SAT Writing**
