

A romantic couple is shown in a close embrace. The man, on the left, has a beard and is looking down at the woman. The woman, on the right, is looking away from him with a thoughtful expression. They are both wearing white clothing. The background is softly blurred, suggesting an indoor setting with warm lighting.

Rea, 2018-08-16 *The Hiddenness of God* addresses the problem of divine hiddenness which concerns the ambiguity of evidence for God's existence the elusiveness of God's comforting presence the palpable and devastating experience of divine

absence and abandonment and more phenomena which are hard to reconcile with the idea central to the Jewish and Christian scriptures that there exists a God who is deeply and lovingly concerned with the lives of humans Michael C Rea argues that divine hiddenness is not a problem to be explained away but rather a consequence of the nature of God himself He shows that it rests on unwarranted assumptions and expectations about God's love for human beings Rea explains how scripture and tradition bear testimony not only to God's love but to God's transcendence He shows that God's transcendence should be understood as implying that all of God's intrinsic attributes divine love included elude our grasp in significant ways

Confessions of a Christian Spinster Alisha Plummer, 2023-05-16

Encourages, challenges, and orients singles and ministry leaders to the role of the unmarried in church. Being single in today's church often feels like a waiting game. You're put on hold in ministry service, even spiritual growth, until you say "I do," and you're either pitied or not seen at all. Unlike today's church, God is not mystified by the presence of unmarried Christ followers in the pews. In fact, he has masterful plans for those without rings on their fingers. Alisha Plummer points out how God is eager to empower them with purpose and passion. In *Confessions of a Christian Spinster*, Alisha explores God's design specifically for Christian singlehood through amusing tales and scripturally based truths. She tackles the difficult questions the church often ignores, like "Where do I fit in?" "Does the church even want me?" "Has God forgotten about me?" "What happens if I never get married?" Further, she confronts the church, calling for an adjustment to its couple-centric culture and asking Christians to understand that their single brothers and sisters are not only valued by God but integral to his kingdom. Singles will feel seen through Alisha's words; they'll be

encouraged to seize their role in the church and inspire their pastoral staff to reinvent their culture on singleness

Confessions of a Christian Spinster is a powerful resource for those seeking to live and thrive in a perplexed church and a way forward for the church itself

Love Spells that Work! Dayanara Blue Star,2015-03-29 There are as many love spells as there are people who wish to cast them The most powerful spells are those that influence the chakras spiritual pathways of another or create love bonds between two souls These spells can be challenging and even dangerous however so it is often better to rely on magic that embraces the natural world and only subtly creates the opportunity for others to recognize one s inner beauty There are also spells that rely on a magical focus like stones candles or mirrors in order to draw the inherent magical forces into a shape moldable by the spell caster This manner of spell has been in use for ages and even in an increasingly cynical society which has largely turned its back on the spirit world persist today because of their proven effectiveness There are spells crafted to find the love of others and to open our souls to the love of self without the confidence in oneself and the love of oneself how can one hope to harness the energies needed to gain the love of another There are also spells designed to request the help of the goddess in her many forms should one be able to supplicate to her and prove their cause worthy Included here are a range of love spells of various type and description These have been drawn from ancient traditions the world over and some will appeal to certain kinds of casters while others may seem at odds with their nature You must always remember that casting is done with the heart and soul and that magic exists in the world of spirit so you should only try the magic that speaks to you on a mystical level If you cannot believe a spell will work it most certainly will not Please read the spells in this book and experiment with them responsibly Love is the most powerful force in the universe and it is unwise to use magic to toy with it unjustly Keep your heart pure in your pursuits and let your spirit guide you on a righteous path Blessed Be Dayanara Blue Star
