Fisher, 2012-08 The author Dari Y Fisher has created this manual in consultation with Dr Imre Kemecey Master Kayak Coach and Olympic Silver Medallist regarding coaching structure and technique for elite and emerging Flatwater and Surfski kayak athletes Initially the author thought about writing a book on the subject of kayaking in general however after much consideration he remembered a quote he once heard A book about everything is a book about nothing He is not in total agreement with this statement nevertheless it was determined that it would be far more beneficial to write in a precise manner regarding a small number of focused topics as opposed to writing vaguely concerning a multitude of topics In terms of what has been published it has for the most part been another person saying the same thing in a slightly different way It is barely beneficial to hear about rotation or using your large muscles in your back for the umpteenth time There is so much more to this sport than superficial and quite obvious biomechanical tips Critical analysis alone cannot do this great sport justice and will not assist our athletes to step forward to the next level **Mastering Kayaking: A Comprehensive Guide to Excellence** Stephen Holiday, Embark on an exhilarating journey towards mastery with *Mastering Kayaking A Comprehensive Guide to Excellence* Whether you're a novice paddler seeking to navigate your first river or an experienced kayaker aiming to refine your skills this book is your ultimate companion Dive into ten meticulously crafted chapters each brimming with expert insights practical advice and step by step instructions to elevate your kayaking prowess From choosing the perfect kayak and mastering essential paddling techniques to navigating diverse water bodies and honing advanced skills this guide covers every aspect of the kayaking experience Discover the secrets of mental preparation environmental stewardship and physical conditioning while delving into the art of kayak fishing and building a vibrant kayaking community With *Mastering Kayaking* you'll not only become a skilled paddler but also immerse
