## **Performance Of Subsidized Microfinance Organizations:**

*The Performance of Subsidized Microfinance Organizations* Mark Schreiner, 2003      Microfinance Institutions R. Mersland, Ø. Strøm, 2015-12-11 Research on MFI performance is still in its infancy MFIs are hybrid organizations with dual objectives Performance studies in microfinance are therefore less straightforward compared to performance studies in traditional banking research This book contains new MFI performance research by top scholars from across the globe

Data Science for Financial Econometrics Nguyen Ngoc Thach, Vladik Kreinovich, Nguyen Duc Trung, 2020-11-13 This book offers an overview of state of the art econometric techniques with a special emphasis on financial econometrics There is a major need for such techniques since the traditional way of designing mathematical models based on researchers insights can no longer keep pace with the ever increasing data flow To catch up many application areas have begun relying on data science i e on techniques for extracting models from data such as data mining machine learning and innovative statistics In terms of capitalizing on data science many application areas are way ahead of economics To close this gap the book provides examples of how data science techniques can be used in economics Corresponding techniques range from almost traditional statistics to promising novel ideas such as quantum econometrics Given its scope the book will appeal to students and researchers interested in state of the art developments and to practitioners interested in using data science techniques

**Contemporary Topics in Finance** Iris Claus, Leo Krippner, 2019-02-27 The literature surveys presented in this edited volume provide readers with up to date reviews on eleven contemporary topics in finance Topics include unconventional monetary policy implicit bank guarantees and financial fraud all linked to the exceptional event of the Global Financial Crisis Explores how recent studies on inflation risk premia and finance and productivity have benefitted from new empirical methods and the availability of relevant data Demonstrates how angel investing venture capital relationship lending and microfinance have benefitted from increased research as they have become more seasoned Investigates crowdfunding and crypto currencies which have both arisen from recent technological developments      **Development Finance Institutions**

Mark Schreiner, Jacob Yaron, 2001-01-01 The purpose of the measurement of the social cost of subsidised development finance institutions DFIs is to see if the social benefit exceeds the social cost In most cases it is so expensive to measure social benefits that a full blown social cost benefit analysis cannot be done The measurement of social costs however is not as expensive and it can inform choices of how to spend public funds This paper presents two measures of social cost The first is the Subsidy Dependence Index SDI that can measure social cost in short time frames The second measure is the net present cost of society NPCS which can measure social cost in any time frame Both the SDI and the NPCS model shift the emphasis from prices paid to opportunity costs      Corporate Social Responsibility and Sustainable Development Jitendra K.

Das, Shallini Taneja, Hitesh Arora, 2021-06-22 This book critically analyzes the role of corporate social responsibility CSR in achieving sustainable development in emerging economies It brings together recent developments effective frameworks

business models and strategies adopted by companies and looks at how they contribute to sustainable business growth The volume discusses diverse themes such as green marketing for promoting sustainable development digitization and sustainability concerns communication strategies for CSR ethical standards in Indian advertising microfinance as an instrument for achieving sustainable development the role of CSR in the Skill India initiative and CSR activities of Indian listed companies It also provides solutions to challenges in achieving sustainable development goals at local and global levels Drawing on in depth case studies the book will be an essential read for corporate professionals students and researchers of CSR management studies development studies business studies economics environmental studies green marketing and sociology It will also be relevant for policy makers NGOs public and private sector corporations and consultants in sustainability reporting business ethics and sustainable development

**Measuring the Performance and Achievement of Social Objectives of Development Finance Institutions** Manuela Francisco, *Ethiopian Microfinance Institutions Performance Analysis Report*, 2007 **The Handbook of Microfinance** Beatriz Armendariz, Marc Labie, 2011 Handbook of Microfinance addresses the gap between clients who are benefiting from access to financial services via MFIs and the potential market which remains underserved or untapped This gap can be attributed to a mismatch between what consumers or potential clients demand and what MFIs offer in terms of financial products The scope of the book is wide It includes successes and failures main challenges and debates methodologies for impact evaluation via random trials leading trends in Asia versus Latin America main efforts in Africa the importance of value chains in Central America ethical and gender issues savings microinsurance governance commercialization trends and the potential advantages and disadvantages of it Lastly it features main lessons from informal finance and 19th century credit cooperatives addressing the above mentioned mismatch

*Attacking Poverty*, 2000 At the start of each decade the World Development Report focuses on poverty reduction The World Development Report now in its twenty third edition proposes an empowerment security opportunity framework of action to reduce poverty in the first decades of the twenty first century It views poverty as a multidimensional phenomenon arising out of complex interactions between assets markets and institutions This Report shows how the experience of poverty reduction in the last fifteen years has been remarkably diverse and how this experience has provided useful lessons as well as warnings against simplistic universal policies and interventions It shows how current global trends present extraordinary opportunities for poverty reduction but also cause extraordinary risks including growing inequality marginalization and social explosions The World Development Report 2000 2001 explores the challenge of managing these risks in order to make the most of the opportunities for poverty reduction *Microfinance and Financial Inclusion* Eugenia Macchiavello, 2017-07-20 Following the recent global financial crisis there is a growing interest in alternative finance and microfinance in particular as new instruments for providing financial services in a socially responsible way or as an alternative to traditional banking Nonetheless correspondingly there is also a lack of clarity about how to regulate alternative financial methods particularly in

light of the financial crisis lessons on regulatory failure and shadow banking's risks This book considers microfinance from a legal and regulatory perspective Microfinance is the provision of a wide range of financial services particularly credit but also remittances savings to low income people or financially excluded people It combines a business structure with social inspiration often resorts to technological innovations to lower costs Fintech e.g. crowdfunding and mobile banking and merges with traditional local experiences e.g. financial cooperatives and Islamic finance this further complicating the regulatory picture The book describes some of the unique dimensions of microfinance and the difficulties that this can cause for regulators through a comparative analysis of selected European Union EU countries regimes The focus is in fact on the EU legal framework with some references to certain developing world experiences where relevant The book assesses the impact and validity of current financial regulation principles and rules in light of the most recent developments and trends in financial regulation in the wake of the financial crisis and compares microfinance with traditional banking The book puts forward policy recommendations for regulators and policy makers to help address the challenges and opportunities offered by microfinance *World Economic And Social Survey 2008 - Overcoming Economic Insecurity* United Nations,2009

**Microfinance** David Hulme,Thankom Arun,2009-01-13 This timely book written by one of the major players in the UK in development economics explores amongst others topics such as microfinance and poverty reduction microinsurance and regulating and supervising microfinance institutions **A Research Agenda for Financial Inclusion and Microfinance** Marek Hudon,Marc Labie,Ariane Szafarz, How can financial services such as credit deposit accounts financial transfers and insurance be provided to people in need This challenging and complex issue has been a topic of interest for the international aid community for decades Drawing on renowned experts in microfinance and financial inclusion this Research Agenda sheds much needed light on this multifaceted challenge and points the way ahead for future research *MicroFinTech* Roberto Moro-Visconti,2021-09-06 Microfinance is a renowned albeit controversial solution for giving financial access to the unbanked even if micro transactions increase costs limiting outreach potential The economic and financial sustainability of Microfinance Institutions MFIs is a prerequisite for widening a potentially unlimited client base Automation decreases costs expanding the outreach potential and improving transparency and efficiency Technological solutions range from branchless mobile banking to geo localization of customers digital social networking for group lending blockchain validation big data and artificial intelligence up to MicroFinTech FinTech applications adapted to microfinance Of interest to both scholars students and professors of financial technology and microfinance this book examines these trendy solutions comprehensively going beyond the existing literature and showing potential applications to the traditional sustainability versus outreach trade off Escalation Management in International Crises Jonathan Wilkenfeld,Egle E. Murauskaite,2023-02-14 Based on cutting edge research by an interdisciplinary team of academics and policy analysts this insightful and timely book considers the role of great power competition in what has come to be known as gray zone conflict Taking the 2022 Russian invasion of Ukraine

as a backdrop for some of its critical evaluation it also examines US and NATO approaches to the management of escalation in asymmetric conflicts and proposes innovative tools for managing crises in the future      *Competition for Resources in a Changing World New Drive for Rural Development* Eric Tielkes,2008      **Transforming Microfinance Institutions** Joanna Ledgerwood,Victoria White,2006-08-30 In response to a clear need by low income people to gain access to the full range of financial services including savings a growing number of microfinance NGOs are seeking guidelines to transform from credit focused microfinance organizations to regulated deposit taking financial intermediaries In response to this trend this book presents a practical how to manual for MFIs to develop the capacity to become licensed and regulated to mobilize deposits from the public Transforming Microfinance Institutions provides guidelines for regulators to license and regulate microfinance providers and for transforming MFIs to meet the demands of two major new stakeholders regulators and shareholders As such it focuses on developing the capacity of NGO MFIs to mobilize and intermediate voluntary savings Drawing from worldwide experience it outlines how to manage the transformation process and address major strategic and operational issues inherent in transformation including competitive positioning business planning accessing capital and shareholders and how to transform the MFI s human resources financial management MIS internal controls and branch operations Case studies then provide examples of developing a new regulatory tier for microfinance and how a Ugandan NGO transformed to become a licensed financial intermediary This book will be invaluable to regulators and microfinance NGOs contemplating institutional transformation and will be of tremendous use to donors and technical support agencies supporting MFIs in their transformation      *Promoting Microfinance* R. Manos,J. Gueyie,J. Yaron,2015-12-04 Promoting Microfinance brings together essays and empirical work by leading researchers and practitioners in the field of microfinance It covers key issues currently facing the microfinance industry and provides an overview of the microfinance industry in selected countries regions pointing to the direction in which it is heading      **Handbook of Production Economics** Subhash C. Ray,Robert G. Chambers,Subal C. Kumbhakar,2022-06-02 This three volume handbook includes state of the art surveys in different areas of neoclassical production economics Volumes 1 and 2 cover theoretical and methodological issues only Volume 3 includes surveys of empirical applications in different areas like manufacturing agriculture banking energy and environment and so forth
