Indigenous Women's Theatre in Canada

Sarah MacKenzie, 2020-11-15T00:00:00Z Despite a recent increase in the productivity and popularity of Indigenous playwrights in Canada most critical and academic attention has been devoted to the work of male dramatists leaving female writers on the margins In Indigenous Women's Theatre in Canada Sarah MacKenzie addresses this critical gap by focusing on plays by Indigenous women written and produced in the socio cultural milieu of twentieth and twenty first century Canada Closely analyzing dramatic texts by Monique Mojica Marie Clements and Yvette Nolan MacKenzie explores representations of gendered colonialist violence in order to determine the varying ways in which these representations are employed subversively and informatively by Indigenous women These plays provide an avenue for individual and potential cultural healing by deconstructing some of the harmful ideological work performed by colonial misrepresentations of Indigeneity and demonstrate the strength and persistence of Indigenous women offering a space in which decolonial futurisms can be envisioned In this unique work MacKenzie suggests that colonialist misrepresentations of Indigenous women have served to perpetuate demeaning stereotypes justifying devaluation of and violence against Indigenous women Most significantly however she argues that resistant representations in Indigenous women's dramatic writing and production work in direct opposition to such representational and manifest violence

Itineraries Marc Maufort, 2003 The fast growing body of postcolonial drama is progressively gaining its just recognition in the twentieth century canon of English language plays From the vantage point of various samplings along the Trans Pacific axis linking English Canada Australia and New Zealand this monograph seeks to document the significance of this emerging postcolonial theater More specifically it examines the myriad ways in which over the last two decades representative mainstream ethnic and First Nations playwrights have dramatized Europe's Other in its multiple guises In their efforts to match new content with innovative form these artists have followed transgressive itineraries redrawing the boundaries of conventional Western stage realism Their new aesthetics often relies on techniques akin to Homi Bhabha's notions of hybridity and mimicry The present study offers detailed analyses of the modes of hybridization through which Judith Thompson Louis Nowra Tomson Highway Jack Davis Hone Kouka and other prominent writers have articulated subtle forms of psychic grotesque and mythic magic realism Their legacy will undoubtedly affect the postcolonial dramaturgies of the

twenty first century *A Study Guide for Judith Thompson's "Habitat"* Gale, Cengage Learning, 2016 A Study Guide for Judith Thompson's *Habitat* excerpted from Gale's acclaimed *Drama For Students* This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust *Drama For Students* for all of your research needs **Tracing the Autobiographical** Marlene Kadar, Susanna Egan, 2009-10-22 The essays in *Tracing the Autobiographical* work with the literatures of several nations to reveal the intersections of broad agendas for example national ones with the personal the private and the individual Attending to ethics exile tyranny and hope the contributors listen for echoes and murmurs as well as authoritative declarations They also watch for the appearance of auto biography in unexpected places tracing patterns from materials that have been left behind Many of the essays return to the question of text or traces of text demonstrating that the language of autobiography as well as the textualized identities of individual persons can be traced in multiple media and sometimes unlikely documents each of which requires close textual examination These unlikely documents include a deportation list an art exhibit reality TV Web sites and chat rooms architectural spaces and government memos as well as the more familiar literary genres a play the long poem or the short story Interdisciplinary in scope and contemporary in outlook *Tracing the Autobiographical* is a welcome addition to autobiography scholarship focusing on non traditional genres and on the importance of location and place in life writing Read the chapter *Gender Nation and Self Narration Three Generations of Dayan Women in Palestine Israel* by Bina Freiwald on the Concordia University Library Spectrum Research Repository website **Shakespeare and the Problem of Adaptation** Margaret Jane Kidnie, 2009 Kidnie's study presents original sophisticated and profoundly intelligent answers to important questions Lukas Erne University of Geneva This is a fine and productive book one that will surely draw significant attention and commentary well beyond the precincts of Shakespeare studies W B Worthen Columbia University Shakespeare's plays continue to be circulated on a massive scale in a variety of guises as editions performances and adaptations and it is by means of such mediation that we come to know his drama *Shakespeare and the Problem of Adaptation* addresses fundamental questions about this process of mediation making use of the fraught category of adaptation to explore how we currently understand the Shakespearean work To adapt implies there exists something to alter but what constitutes the category of the play and how does it relate to adaptation How do play and adaptation relate to drama's twin media text and performance What impact might answers to these questions have on current editorial performance and adaptation studies Margaret Jane Kidnie argues that play and adaptation are provisional categories mutually dependent processes that evolve over time in accordance with the needs of users This theoretical argument about the identity of works and the nature of text and performance is pursued in relation to diverse examples including theatrical productions by the Royal Shakespeare Company the BBC's *ShakespeaRe Told* the Reduced Shakespeare Company and recent print editions of the complete works These new readings build up a persuasive picture of the cultural

and intellectual processes that determine how the authentically Shakespearean is distinguished from the fraudulent and adaptive Adaptation thus emerges as the conceptually necessary but culturally problematic category that results from partial or occasional failures to recognize a shifting work in its textual theatrical instance *Readings of the Particular* ,2007-01-01
