Perhaps Love Romance Ser:

The Complete Directory of Large Print Books & Serials, 1994 **Forthcoming Books** Rose Arny, 2001-06 *The Heart of What Matters* Anthony Cunningham, 2001-09-11 The Heart of What Matters shows that literature has a powerful and unique role to play in understanding life's deepest ethical problems Anthony Cunningham provides a rigorous critique of Kantian ethics which has enjoyed a preeminent place in moral philosophy in the United States arguing that it does not do justice to the reality of our lives He demonstrates how fine literature can play an important role in honing our capacity to see clearly and choose wisely as he develops a moral philosophy that engages with our intimate emotional concerns Written in an accessible style and drawing from a provocative body of contemporary literature this book shows how moral philosophy can reach a far wider audience than it has In part one of this book Cunningham sketches out the theoretical basis for a redefined conception of moral philosophy In part two he engages in extended analyses of novels that address significant life and character issues specifically Kazuo Ishiguro's *The Remains of the Day* Toni Morrison's *Beloved* and Zora Neale Hurston's *Their Eyes Were Watching God* and Seraph on the Suwanee Cunningham shows exactly how works like these can inform moral philosophy Drawing from film history psychology and other social sciences in addition to literature this book adds to the growing number of works that use literature for ethical analysis and to the growing controversy over Kantian ethics

The Making of Romantic Love William M. Reddy, 2024-05-31 In the twelfth century the Catholic Church attempted a thoroughgoing reform of marriage and sexual behavior aimed at eradicating sexual desire from Christian lives Seeking a refuge from the very serious condemnations of the Church and relying on a courtly culture that was already preoccupied with honor and secrecy European poets romance writers and lovers devised a vision of love as something quite different from desire Romantic love was thus born as a movement of covert resistance In *The Making of Romantic Love* Longing and Sexuality in Europe South Asia and Japan William M Reddy illuminates the birth of a cultural movement that managed to regulate selfish desire and render it innocent or innocent enough Reddy strikes out from this historical moment on an international exploration of love contrasting the medieval development of romantic love in Europe with contemporaneous eastern traditions in Bengal and Orissa and in Heian Japan from 900-1200 CE where one finds no trace of an opposition between love and desire In this comparative framework Reddy tells an appealing tale about the rise and fall of various practices of longing underscoring the uniqueness of the European concept of sexual desire *The Origin and Meaning of*
