Pericles And The Ancient Greeks:

Pericles Of Athens And The Birth Of Democracy Donald Kagan,1991 A biography of Greek statesman Pericles focusing on the creation of Greek democracy in his time Pericles and the Ancient Greeks Michael Poulton,1993 Discusses the culture and daily life in Greece during the time of Pericles **Pericles** Thomas R. Martin,2016-07-25 Pericles was the most famous leader of the most famous ancient Greek democracy and also the most controversial in his own time and ever since Was he a brutal imperialist ready to oppress other Greeks or a clear eyed defender of Athens need for power to survive in a relentlessly hostile world How did his intellectual training in ideas that many Athenians regarded as dangerous make him the most persuasive leader Athenian democracy ever knew Why was his personal lifestyle so idiosyncratic How should we evaluate his responsibility for the suffering and loss of the Peloponnesian War Thomas R Martin s unique emphasis on the effect on Pericles of his family s notorious history his youthful experiences as a wartime refugee and his unusual education reveals a brilliant politician whose hyper rationality could not in the end protect him or his community from tragedy

Pericles Hamish Aird,2003-12-15 Describes the life and accomplishments of the Athenian leader who held power during the high point of Athenian civilization and places him in the context of his times **Pericles of Athens** Vincent Azoulay,2014-07-21 The definitive biography of the legendary first citizen of Athens Pericles has the rare distinction of giving his name to an entire period of history embodying what has often been taken as the golden age of the ancient Greek world Periclean Athens witnessed tumultuous political and military events and achievements of the highest order in philosophy drama poetry oratory and architecture Pericles of Athens is the first book in decades to reassess the life and legacy of one of the greatest generals orators and statesmen of the classical world In this compelling critical biography Vincent Azoulay takes a fresh look at both the classical and modern reception of Pericles recognizing his achievements as well as his failings From Thucydides and Plutarch to Voltaire and Hegel ancient and modern authors have questioned Pericles s relationship with democracy and Athenian society This is the enigma that Azoulay investigates in this groundbreaking book Pericles of Athens offers a balanced look at the complex life and afterlife of the legendary first citizen of Athens The Cambridge Companion to the Age of Pericles Loren J. Samons II,2007-01-15 Mid fifth century Athens saw the development of the Athenian empire the radicalization of Athenian democracy through the empowerment of poorer citizens the adornment of the city through a massive and expensive building program the classical age of Athenian tragedy the assembly of intellectuals offering novel approaches to philosophical and scientific issues and the end of the Spartan Athenian alliance against Persia and the beginning of open hostilities between the two greatest powers of ancient Greece The Athenian statesman Pericles both fostered and supported many of these developments Although it is no longer fashionable to view Periclean Athens as a social or cultural paradigm study of the history society art and literature of mid fifth century Athens remains central to any understanding of Greek history This collection of essays reveal the political religious economic social artistic literary

intellectual and military infrastructure that made the Age of Pericles possible Athens in the Age of Pericles Charles Alexander Robinson, 1959 The challenge of Periclean Athens to the students of civilizations is unmistakable the city and its empire reached a level of culture and well being scarcely paralleled in the history of man elsewhere And like the characters in a Greek tragedy the city and its leaders and citizens were busy in their time of glory making provision for their own tragic decline I have tried to suggest in general terms says the author the meaning of Periclean Athens addressing my interpretation to laymen With the increasing mass of specialized research on ancient Athens it is imperative to catch a general notion of the significance of the whole The result is a picture of a complex society as any great civilization is bound to be with its magnificent achievements and its faults This first volume in The Centers of Civilization Series does indeed give a clear picture of Athenian civilization its literature philosophy and political and judicial writing its painting sculpture architecture music and drama and even the arts of war Above all the book suggests to modern readers the supreme importance of decision in all of man's affairs and the frightful consequences of wrong decision once it is made **Pericles and the Golden Age of Athens** Evelyn Abbott, 1892 **The Age of Pericles** Don Nardo, 1996 A history of ancient Greece during the height of Athens power Encyclopedia of Ancient Greece Nigel Wilson, 2013-10-31 Examining every aspect of the culture from antiquity to the founding of Constantinople in the early Byzantine era this thoroughly cross referenced and fully indexed work is written by an international group of scholars This Encyclopedia is derived from the more broadly focused Encyclopedia of Greece and the Hellenic Tradition the highly praised two volume work Newly edited by Nigel Wilson this single volume reference provides a comprehensive and authoritative guide to the political cultural and social life of the people and to the places ideas periods and events that defined ancient Greece **Ancient Greeks** Rosalie F. Baker, Charles F. Baker III, 1997-07-31 Outstanding individuals have the whole world as their memorial Pericles The influence of ancient Greek civilization has been felt throughout modern Western history Greek ideas can be found in the laws that govern our lives the buildings in which we live the books we read and the vocabulary we use every day Because these ideas have become so much a part of our daily life we tend to forget that they originated more than 2 500 years ago Ancient Greeks chronicles the lives and accomplishments of Greek figures whose influence continues to be felt today We read about Greeks from all walks of life including one of the greatest physicians who ever lived the father of logic and a brilliant mathematician who once said Give me a lever long enough and a fulcrum strong enough and I will single handedly move the world And move the world he did but with his ideas not a mighty fulcrum In 42 essays authors Rosalie and Charles Baker explore the lives of many personalities from the most famous Greeks to people who are usually overlooked including Aesop author of timeless fables that continue to provide lessons today Lycurgus the legendary ruler of Sparta Plato the great philosopher who established the Academy in Athens Phidippides a courier and long distance runner whose run from Marathon to Athens became the basis of the modern marathon Sappho one of the best female poets of classical antiquity Hippocrates one of the
