The Divine Defense Robert Jeffress,2010-06-02 It s what you can t see that can hurt you The temptation that regularly assaults you the depression or illness that pulls you down the discord in your relationships the private doubts you harbor about God These are not just a natural part of life they re battles in a behind the scenes war against your faith family and future From a balanced perspective Robert Jeffress lifts the curtain of everyday existence to reveal these invisible but very real battles in the war Satan wages against followers of Christ like you Because you don t have to be spiritual road kill Using the spiritual armor of Ephesians 6 The Divine Defense outlines six practical strategies you can use through every day to defeat Satan s vicious and destructive plan Recognize and replace destructive thoughts the belt of truth Do what you know you should do the breastplate of righteousness Make God s business your business boots of the gospel of peace Move forward in spite of doubts the shield of faith Remember your power to win the helmet of salvation Strengthen your resolve to resist the sword of the spirit Together these strategies form The Divine Defense that will help you live victoriously in the unshakable power of God

Light Warriors Joshua Mills,2025-02-25 Spiritual warfare is a battle against the dark forces of the enemy It is a fight that has eternal consequences It is serious business and rightly so But have we been so focused on the darkness that we have overlooked the Light Many of us exhaust ourselves striving against Satan in our own strength unknowingly employing the enemy s own tactics rather than resting in Christ s triumphant finished work These methods frustrate us and keep us from experiencing victory and deliverance That is all about to change as we move from being victims of the darkness to becoming victorious warriors of the light Best selling author Joshua Mills explains that in these momentous times God wants us to recover His original plan for spiritual warfare He is providing us with a higher revelation with better tools for overcoming so we can release His powerful light When the light shines darkness must flee Light warriors choose to stand in the light and not back down from the darkness As you learn how to become a spiritual light warrior you will release healing activate angels and disarm demons be set ablaze with God s power live in heavenly light and shift atmospheres for spiritual victory

God's Opportunity Athanasios Scott Tonk,2016-02-05 We human beings have messed up so badly We have atomized the Body of Christ so that only a miracle can heal the wounds of the Body again But God is already acting to heal the Body of His Son as you will see in part 1 of the book This book does not deal in generalities when it comes to Christians It views the Body of Christ as one big family complete with a mother our heavenly Father His Son who is the head of the Body and children kissin cousins aunts uncles and so forth Oh yes we have had our fights but they have all been family fights Now this book issues a challenge to all of the members of the family Appreciate one another s heritage and bring it to the table of the Lord This book is also a call to greater evangelism and mission but it by and large recognizes that the churches are going all out to
