The Making of Canadian Food Aid Policy Mark William Charlton, 1992 Since the Colombo Plan in the early 1950s food aid has been an important and highly visible component of the Canadian development assistance program Until the early 1970s however the Canadian food aid program was little more than a loosely connected collection of disparate programs designed to meet a host of sometimes conflicting objectives In the wake of the world food crisis of 1972 75 a growing number of groups began to question the developmental effectiveness of food aid In response the Canadian government undertook an extensive review and assessment of its food aid program which resulted in a series of new policy initiatives designed to change both the substance of food aid programs and the manner in which they were administered These changes marked a watershed in the history of the Canadian food aid program setting out the fundamental policy themes that have been consolidated and refined in the 1980s and early 1990s Mark Charlton examines the evolution of the Canadian food aid program during this critical period of policy reform Focusing on the rationale of the food aid program the nature of the planning and programming process the selection of delivery channels the make up of the food aid commodity basket and the nature of donor recipient relations Charlton provides useful insights into the overall objectives and priorities of Canadian foreign policy in the developing world He also reveals the impact of domestic economic interests Canadian political culture bureaucratic politics and the global food aid regime on the evolution of Canadian aid policies

Foreign Aid and Economic Growth Janine L. Bowen, 2019-05-23 Published in 1998 this book provides an empirical analysis of the impact of foreign economic aid in 67 developed countries over a 19 year period The results include the relationships between aid and growth and the implication that methodologies traditionally used have been largely responsible for inconsistent findings in the past

Empire's Ally Gregory Albo, Jerome Klassen, 2013-01-01 The war in Afghanistan has been a major policy commitment and central undertaking of the Canadian state since 2001 Canada has been a leading force in the war and has spent hundreds of millions of dollars on aid and reconstruction After a decade of conflict however there is considerable debate about the efficacy of the mission as well as calls to reassess Canada s role in the conflict An authoritative and strongly analytical work Empire s Ally

provides a much needed critical investigation into one of the most polarizing events of our time This collection draws on new primary evidence including government documents think tank and NGO reports international media files and interviews in Afghanistan to provide context for Canadian foreign policy to offer critical perspectives on the war itself and to link the conflict to broader issues of political economy international relations and Canada's role on the world stage Spanning academic and public debates *Empire's Ally* opens a new line of argument on why the mission has entered a stage of crisis

Aid and Ebb Tide David R. Morrison, 2006-01-01 *Aid and Ebb Tide* A History of CIDA and Canadian Development Assistance examines Canada's mixed record since 1950 in transferring over 50 billion in capital and expertise to developing countries through ODA It focuses in particular on the Canadian International Development Agency CIDA the organization chiefly responsible for delivering Canada's development assistance *Aid and Ebb Tide* calls for a renewed and reformed Canadian commitment to development co operation at a time when the gap between the world's richest and poorest has been widening alarmingly and millions are still being born into poverty and human insecurity

Canada and the World since 1867 Asa McKercher, 2019-09-19 This book is a history of Canada's role in the world as well as the impact of world events on Canada Starting from the country's quasi independence from Britain in 1867 its analysis moves through events in Canadian and global history to the present day Looking at Canada's international relations from the perspective of elite actors and normal people alike this study draws on original research and the latest work on Canadian international and transnational history to examine Canadians involvement with a diverse mix of issues from trade and aid to war and peace to human rights and migration The book traces four inter connected themes independence and growing estrangement from Britain the longstanding and ongoing tensions created by ever closer relations with the United States the huge movement of people from around the world into Canada and the often overlooked but significant range of Canadian contacts with the non Western world With an emphasis on the reciprocal nature of Canada's involvement in world affairs ultimately it is the first work to blend international and transnational approaches to the history of Canadian international relations

The New Left
Dimitrios I. Roussopoulos, 2007 Revisits the sixties and traces its ongoing impact on North American politics and culture

Canada's Global Villagers Ruth Compton Brouwer, 2013-09-27 Established in 1961 the same year as the US Peace Corps Canadian University Service Overseas CUSO became the first Canadian NGO to undertake development work from a secular stance and in a context of rapid decolonization Over the next twenty five years nine thousand volunteers many of them women travelled to over forty countries and became Canada's face in the Global South Drawing on more than one hundred interviews Brouwer tells the story of how these young Canadians responded to the challenges of underdevelopment Moving beyond their initial na vet they sought to fit into the host communities that had invited them and to provide social services particularly in education Returning home they brought unique skills to the Canadian International Development Agency CIDA and other development organizations and a new level of global consciousness and cultural diversity to Canadian

society At a time when many are concerned about Canada's waning reputation for global humanitarianism this book reminds us of an earlier more hopeful time Imperial Power and Regional Trade Abigail B. Bakan, David Cox, Colin Leys, 2006-01-01

The election of Ronald Reagan as President of the United States in November 1980 opened a new chapter in international relations U S foreign policy shifted from an alliance based consensual approach to one based on a more overt use of its immense economic and above all military power This policy entailed some stark choices for the U S A's allies and neighbours and above all for the small countries of Central America and the Caribbean This revealing book tells the story of the Caribbean Basin Initiative CBI through which the new assertion of U S hegemony in the region was expressed The CBI entitled friendly countries of the region i.e. excluding Cuba pre invasion Grenada and Nicaragua to military and economic aid plus incentives modelled on the so called Puerto Rican miracle so as to reorient their trade towards the U S A The authors carefully compare the claims made for the CBI with its underlying political objectives and examine its actual impact on regional development through detailed case studies of the Eastern Caribbean and Trinidad Also examined are the impact of the CBI on Caribbean regional integration and the responses of Canada and Britain the two other major countries with long standing political and economic interests in the Caribbean What emerges from this investigation is the way the CBI reflects the U S A's historic quest for regional dominance rather than a new era in Caribbean development *Canadian Investment, Trade and Aid in Latin America*, 1981
