Persecution A Novel:

A Crown of Life Brian Patrick Mitchell, 2014-01-08 A Crown of Life is an epic romance spanning ten pivotal years in the history of the world beginning in 303 when churches were closed books were burned and Christians were forbidden to assemble and later forced to prove their loyalty to the empire by offering a sacrifice to the government's gods Thousands chose death instead in what has been known since as the Great Persecution Vividly written with surprising twists heart pounding drama a colorful cast of endearing characters good and bad and profound insight into life's deepest mysteries A Crown of Life is an inspiring tale of Christian faith in the face of death You will weep You will cheer You will fall in love You will learn why they believed and why they died *The Jewish Novel in the Ancient World* Lawrence M. Wills, 2015-03-11 Lawrence M Wills here traces the literary evolution of popular Jewish narratives written during the period 200 BCE 100 CE In many ways these narratives were similar to Greek and Roman novels of the same era as well as to popular novels of indigenous peoples within the Roman Empire Yet as a group they demonstrated a variety of novelistic innovations the inclusion of adventurous episodes passages of description and of dialogue concern with psychological motivation and the introduction of female characters Wills focuses on five novels Greek Esther Greek Daniel Judith Tobit and Joseph and Aseneth Drawing on a wide range of theoretical works he delineates the techniques and motifs of the Jewish novel shows how the genre both initiated and distanced itself from nonfictional prose such as historical and philosophical writing discusses its relation to Greco Roman romance and describes the social conditions governing its emergence and reception Wills also places the novels in historical context situating them between the Hebrew Bible on the one hand and subsequent developments in Jewish and Christian literature on the other Wills sees the Jewish novel as a popular form of writing that provided amusement for an expanding audience of Jewish entrepreneurs merchants and bureaucrats In an important sense he maintains it was a product of the novelistic impulse the impulse to transfer oral stories to a written medium to reach a more literate audience **Ritual Violence and the Maternal in the British Novel, 1740-1820** Raymond F. Hilliard, 2010 This challenging book brings to light a mythic dimension of seventeen important eighteenth and early nineteenth century narratives that revolve around the persecution of one or more important female characters and offers original reading of novels by Richardson Fielding Burney Radcliffe Godwin Austen Scott and others The myth in question which Raymond Hilliard calls the myth of persecution and reparation serves as a major vehicle for the early novel's preoccupation with the mother a mythic figure distinct from the historical mother or from the mother as she is represented in eighteenth and early nineteenth century maternal ideology Hilliard argues that the myth of persecution and reparation derives from the topos of female sacrifice in the romance tradition and shows that this topos is central to several kinds of novels realist Gothic Jacobin feminist and historical Hilliard contends that the narrative of persecution and reparation anticipates the twentieth century maternal myth associated with the work of Melanie Klein and other relational model psychoanalytic theorists and he thus

also examines the psychosexual significance of the mother Hilliard explores the relation of psychosexual themes to social representations and delineates a new theory of plot both tragic and comic plots in the early novel Book Jacket

The Trial of Julian Assange Nils Melzer, 2022-02-08 The shocking story of the legal persecution of Wikileaks founder Julian Assange and the dangerous implications for the whistleblowers of the future In July 2010 Wikileaks published Cablegate one of the biggest leaks in the history of the US military including evidence for war crimes and torture In the aftermath Julian Assange the founder and spokesman of Wikileaks found himself at the center of a media storm accused of hacking and later sexual assault He spent the next seven years in asylum in the Ecuadorian embassy in London fearful that he would be extradited to Sweden to face the accusations of assault and then sent to US In 2019 Assange was handed over to the British police and on the same day the U S demanded his extradition They threatened him with up to 175 years in prison for alleged espionage and computer fraud At this point Nils Melzer UN Special Rapporteur on Torture started his investigation into how the US and UK governments were working together to ensure a conviction His findings are explosive revealing that Assange has faced grave and systematic due process violations judicial bias collusion and manipulated evidence He has been the victim of constant surveillance defamation and threats Melzer also gathered together consolidated medical evidence that proves that Assange has suffered prolonged psychological torture Melzer s compelling investigation puts the UK and US state into the dock showing how through secrecy impunity and crucially public indifference unchecked power reveals a deeply undemocratic system Furthermore the Assange case sets a dangerous precedent once telling the truth becomes a crime censorship and tyranny will inevitably follow The Trial of Julian Assange is told in three parts the first explores Nils Melzer s own story about how he became involved in the case and why Assange s case falls under his mandate as the Special Rapporteur on Torture The second section returns to 2010 when Wikileaks released the largest leak in the history of the U S military exposing war crimes and corruption and Nils makes the case that Swedish authorities manipulated charges against Assange to force his extradition to the US and publicly discredit him In the third section the author returns to 2019 and picks up the case as Ecuador kicks Assange out of the embassy and lays out the case as it currently stands as well as the stakes involved for other potential whistleblowers trying to serve the public interest

Echevarría,2005-01-01 The consolidation of law and the development of legal writing during Spain s Golden Age not only helped that country become a modern state but also affected its great literature In this fascinating book Roberto Gonzalez Echevarria explores the works of Cervantes showing how his representations of love were inspired by examples of human deviance and desire culled from legal discourse **Revolutionary Subjects in the English "Jacobin" Novel, 1790-1805**

Miriam L. Wallace,2009 The Jacobin novel was labeled as such in Britain because of its supposed connections to the French Revolution This book takes an in depth look at these novels written between 1790 and 1805 She centers on the group surrounding Wollstonecraft and Godwin although not exclusively exploring the limits of their philosophy of human rights and personal subjectivity Unlike other recent scholars the author treats both male and female writers making feminism an aspect of the work but not the overriding one While the novels are the main focus other work by the writers is considered as it pertains to their beliefs She also discusses the reaction from those who defined the Jacobins by opposing them **Myth in**

the Modern Novel Liisa Steinby,2023-03-20 Myth in the Modern Novel Imagining the Absolute posits a twofold thesis First although Modernity is regarded as an era dominated by science and rational thought it has in fact not relinquished the hold of myth a more primitive form of thought which is difficult to reconcile with modern rationality Second some of the most important statements as to the reconcilability of myth and Modernity are found in the work of certain prominent novelists This book offers a close examination of the work of eleven writers from the late eighteenth century to the beginning of the twenty first representing German French American Czech and Swedish literature The analyses of individual novels reveal a variety of intriguing views of myth in Modernity and offer an insight into the modernizing transformations myth has undergone when applied in the modern novel The study shows the presence of the subconscious the mythic layer in modern western culture and how this has been dealt with in novelistic literature An Introduction to the Detective Story LeRoy

essays range across five centuries from the Renaissance to our postmodern present from Shakespeare and his contemporary Coryate to recent novels detective fiction and films and in contrast to previous studies focussing on the Grand Tour they emphasise more recent developments and how they continue or disrupt traditional ways of perceiving or being blind to Venice *Marriage as a National Fiction* Dagmar Stöferle, 2023-02-15 There is a prehistory of the adultery novel which became a pan European literary paradigm in the second half of the 19th century In the wake of the French Revolution secular marriage legislation emerges producing a metaphorical surplus that is still effective today Using legal history and canonical literary texts from Rousseau to Goethe and Manzoni to Hugo and Flaubert this book traces how marriage around 1800 became a figure of reflection for the modern nation state In the process original contributions to the philology of the individual texts emerge At the same time law and literature are made fruitful for a historical semantics of society and community This book is a translation of an original German 1st edition *Ehe als Nationalfiktion* by Dagmar Stöferle published by J B Metzler imprint of Springer Verlag GmbH Germany part of Springer Nature in 2020 The translation was done with the help of artificial intelligence machine translation by the service DeepL com The author with the support of Chris Owain Carter has subsequently revised the text further in an endeavour to refine the work stylistically Long 1890s in Egypt Marilyn Booth, 2014-07-28 Egypt just before political eruption Turns of the century in Africa's northeastern corner have been critical moments ushering in overt popular activism in the hope of radical political redirection as this volume's focus on Egypt's 19th century fin de siècle demonstrates The end of the 19th century in Egypt witnessed crisscrossing and conflicting political currents as well as fluctuating economic geopolitical social conditions demographic conditions and cultural processes Like Egypt's 20th century fin de siècle much of this ferment was a prelude to the more visible and politically eruptive events of the next decades when Egypt's popular resistance burst onto the international scene But its subterranean cast was no less dynamic for that **Role of the Romanies** Nicholas Saul, Susan Tebbutt, 2004-08-01 Since their arrival in Europe at the beginning of the eleventh century the Gypsies have stimulated and fascinated the European imagination but have also always been perceived as other and marginalised This title is split into four parts and seeks to address the questions raised by the ambivalent encounter of the Gypsies with European cultures The volume begins with three chapters about the genesis development and scope of Romany Studies Constructions of Romany culture and identity are at the heart of the second part Part three focuses on nineteenth and twentieth century literary constructions of Romany identity be it from a gadzo or Romany perspective The final part tackles the question of how the role of the Romanies will be remembered recorded and commemorated *Exploring Sinophone Liminality in Contemporary Chinese Fiction* Di-kai Chao, 2025-05-13 Chao explores Sinophone literature as a complex field that navigates the intersections of Sinitic languages global literary systems and China centered perspectives He presents an alternative perspective that Sinophone literature especially through ghost narratives offers a platform for communities to critically examine modernity transgress boundaries and challenge
