Theosophical Quarterly, 1920 *The Theosophical Quarterly*, 1921 Byzantine Ideas of Persia, 650-1461 Rustam Shukurov, 2023-12-13 Joint winner of the Iran Heritage Foundation Prize 2024 Offering a comprehensive study into the perceptions of ancient and medieval Iran in the Byzantine empire, this book explores the effects of Persian culture upon Byzantine intellectualism, society, and culture. *Byzantine Ideas of Persia 650-1461* focusses on the enduring position of ancient Persia in Byzantine cultural memory, encompassing both in the religious and the secular significance. By analysing a wide range of historical sources from church literature to belles lettres, this book examines the intricate relationship between ancient Persia and Byzantine cultural memory, as well as the integration and function of Persian motifs in the Byzantine mentality. Additionally, the author uses these sources to analyse thoroughly the knowledge Byzantines had about contemporary Iranian culture, the presence of ethnic Iranians, and the circulation and usage of the Persian language in Byzantium. Finally, this book concludes with an insightful exploration of the importance and influence of Iranian science on Byzantine scholars. This book will appeal to scholars and students in the fields of Byzantine and Iranian History, particularly to those studying the cross-cultural and social influence between the two societies during the Middle Ages. Tingley, Gottfried Purucker, 1921 **Theosophy and the Study of Religion**, 2024-06-11 Since its emergence in the nineteenth century, the Theosophical Society has wielded enormous influence across diverse fields, none more so than the study of religion. This volume explores this legacy in North America, Europe, and India, demonstrating its impact on the conceptualization of religion and its influence on methods of comparison. Unveiling overlooked entanglements, the volume challenges standard narratives in the history of religious studies and interrogates the deliberate neglect of theosophy's influence in the secular academy. In doing so, the work confronts lingering ghosts, urging a reappraisal that enriches the study of religion and offers prescriptions for its future. **Theosophical Forum and the Theosophical Path and Lucifer**, 1950

Another Modernity Clémence Boulouque, 2020-09-01 *Another Modernity* is a rich study of the life and thought of Elia Benamozegh, a nineteenth-century rabbi and philosopher whose work profoundly influenced Christian-Jewish dialogue in twentieth-century Europe. Benamozegh, a Livornese rabbi of Moroccan descent, was a prolific writer and transnational thinker.
