Persian Gulf War Views From The Social And Behavioral Sciences

Clayton R. Newell

Persian Gulf War Views From The Social And Behavioral Sciences:

The Persian Gulf War Herbert H. Blumberg, Christopher C. French, 1994 This collection assesses the Gulf War from a variety of social science perspectives and across several disciplines history international relations economics psychology and law Contributors Joe Stork Ann M Lesch John Simpson John Bulloch Harvey Morris Adel Darwish Judith Miller Laurie Mylroie Clive Ponting Peter W Rodman James Petras Charles William Maynes Hugh Miall Peter Custers Maarten Smeets George Joffe Ralph K White Jerrold M Post Christopher C French Christopher Greenwood Michael J Glennon Michael T Klare Mark Kramer David Albright Mark Hibbs Rune Ottosen Louis Kriesberg Amnesty International Michael K Walzer Amin Saikal Chris Dammers Mary Ann Tetreault Rashid I Khalidi Clovis Maksoud Robert E Harkavy Bruce R Kuniholm Jeremy Seabrook Amnon Kapeiyouk Masaru Tamamoto Jerry W Sanders Oliver Ramsbotham K Subrahmanyam George Perkovich John C Olanyi Dou Hui Pam Solo Thomas Risse Kappan Leonard V Johnson John W Dower Mohamed Nabil Fahmy Bernard Wood Marilyn B Young Bruce Russett James S Sutterlin Stephen Lewis Jim Wurst Robert C Johansen and Herbert H Blumberg

The Persian Gulf Crisis Steve A. Yetiv, 1997-08-26 Ideal for student research this book provides a reference guide to the war as well as seven essays analyzing a variety of aspects of the war and its consequences The essays address questions such as How did Saddam Hussein become such a major threat and how has he survived the war How critical was George Bush in driving U S and global foreign policy during the crisis How were key decisions made Did the war fail or succeed in retrospect What were its long run political economic strategic and cultural effects Can collective security work Is the United Nations likely to be effective in future crises What lessons can be learned from the crisis Yetiv draws on primary documents and extensive interviews with many key players such as Colin Powell James Baker and Brent Scowcroft and Arab and European leaders which cast new light on the event Following a list of key players and a complete chronology of events seven essays offer a contemporary perspective on the war Drama in the Desert War Erupts in a Storm The Continuation of Diplomacy by Air and on the Ground From Truman to Desert Storm The Rising Eagle in the Persian Gulf President Bush and Saddam Hussein A Classic Case of Individuals Driving History The West Arms a Brutal Dictator Can Proliferation Be Controlled in the Post Cold War World The United Nations and Collective Security Was the Gulf War a Model for the Future The Impact of the Persian Gulf War Reference components include a narrative historical overview of the war and biographical profiles of each of the major players in the war Twelve primary documents include speeches and UN resolutions A glossary of terms particular to the war and an annotated bibliography complete the work A selection of photos complements the text This readable guide is a one stop source for reference material and in depth analysis of the key foreign policy event of the 1990s and should appeal to a broad readership

Iraq Heather Bleaney, Roper, Peter Sluglett, 2004-06-01 Well considered answers to the many questions raised by the situation in Iraq past and present are rare This first comprehensive thematically organised bibliography devoted to Iraq is based on the full Index Islamicus database and is drawn from a wide variety of

European language journals and books Featuring an extensive introduction to the subject and its literature by Peter Sluglett this bibliography will help readers to find their way through the massive secondary literature now available Following the pattern established by the Index Islamicus both journal articles and book publications are included as well as important internet resources The editors have taken care to add much new material to bring its coverage up to date and supplement the previously published volumes while the most important and or influential publications are conveniently highlighted in the introduction An indispensable gateway for all those with a more than superficial interest in what is and what has been happening in this nation so much the focus of attention today *The A to Z of the Persian Gulf War, 1990-1991* Clayton R. Newell, 2007 Contrary to many assessments that immediately followed the end of the 1991 Persian Gulf War that war was neither short nor decisive The 1991 conflict was the dramatic manifestation of long standing antagonisms among the principal participants and its results continue to have a profound effect on the region a fact that can be seen most clearly in the current U S occupation of Iraq It is therefore important to determine on the diplomatic side just how the war got started how it was fought and whether the dramatic ground campaign should have exceeded the mere hundred hours it lasted in order to bring about a more decisive conclusion With the seemingly endless follow up to the war continuing The A to Z of the Persian Gulf War 1990 1991 draws together the results of assessments of the war by a multitude of commentators This is accomplished through an introduction a chronology a list of acronyms and abbreviations a bibliography appendixes and hundreds of cross referenced dictionary entries on many of the significant civilian and military persons crucial diplomatic and political actions as well as the essential military aspects including the strategy and tactics the encounters and battles and the forces and weapons deployed by both sides As the situation in the Middle East continues to deteriorate this reference provides an important historical perspective on an increasingly critical issue **Militarization and War J.**

Schofield, 2016-09-23 This book looks at the influence of military regimes in seven cases Pakistan in 1965 India in 1971 Israel in 1956 and 1967 Egypt in 1973 Iran in 1969 and Iraq in 1980 The author contends that countries with military governments are warlike not because they glorify war but rather because they are poorly equipped to manage diplomacy *Peace Psychology* Herbert H. Blumberg, A. Paul Hare, Anna Costin, 2006-12-07 This textbook provides a comprehensive introduction to peace psychology covering interdisciplinary practice primary psychological topics core peace studies topics and terrorism

Oil and the Creation of Iraq David E. McNabb, 2016-04-14 Off to the sidelines of the brutal western front of World War I was a nasty little campaign by British and India troops sent to secure Persian oil fields Explaining what and how this happened in the early decades of the twentieth century goes beyond being just another history of a distant campaign in the 1914 to 1918 war The highs and lows of what many British military planners in London considered to be a minor campaign in a distant theatre of operations proved to be a long costly conflict the results of which still influence events today Oil and the Creation of Iraq describes how the policies of allied military leaders of the time resulted in pushing the Ottoman government

into partnership with Germany and Austria during World War I resulting in its disintegration and loss of its Middle Eastern territories The book then describes how the political and economic aims of the nations involved in the Mesopotamian campaign influenced the fighting and subsequent creation of Iraq a new nation with few defensible boundaries but one sitting atop an almost inexhaustible supply of oil and gas History of the 4th Marine Division, 1943-2000 ,2000

History of the 4th Marine Division, 1943-1996 ,1997 **US Foreign Policy and the Gulf Wars** Ahmed Ijaz Malik,2014-12-09 The US led coalition which launched an invasion of Iraq on 20 March 2003 led to a decade long military presence in the country In the run up to that invasion many comparisons were made with the 1991 Gulf War Ahmed Ijaz Malik takes these two instances of military intervention by Republican US governments to highlight how the official discourse of leaders and decision makers has an impact on foreign policy and its results By taking these two examples he examines how discourse affects real events and the extent to which the legacy of the Cold War has influenced the decisions which are made at the upper echelons of the US government US Foreign Policy and the Gulf Wars critically analyses the post Cold War liberal cosmopolitan and realist discourses related to these two instances of US military intervention Using an approach which Malik labels critical realism this book examines the ways in which discourses often act as ideological covers for material interests whilst still not holding a deterministic view whereby these interests alone shape policies From this perspective this book assesses the themes of Just War humanitarianism and cosmopolitanism It furthermore uses the approach of critical realism to engage with a variety of arguments on the emerging role of the US as they were displayed in academic discourses and other intellectual contributions around each of the 1991 and 2003 wars Malik relates these discussions to an analysis of the official discourses documents and policies displayed prior to the 1991 and 2003 wars as well as to an examination of the resulting actual conduct Since the implications of the US military presence in the Middle East are so central to the study of International Relations and Security Studies this book will be invaluable for specialists in these disciplines as well as for those interested in policy formation and the wider Middle East *Syria and Iran* Jubin M. Goodarzi,2009-04-30 The enduring alliance between Iran and Syria which came about after Iran s 1979 Revolution proved to be a feature of the Middle East s political landscape in the 20th and early 21st centuries Moreover its impact in moulding events and bringing about major changes in this troubled region proved enormously significant Jubin M Goodarzi provides us with the first in depth study on the Syrian Iranian nexus which traces the origins and development of the strategic partnership between Damascus and Tehran from 1979 until the present He argues that contrary to prevailing views due in large part to the authoritarian and unpopular nature of the Syrian and Iranian regimes the alliance between them was conceived as essentially defensive in nature He puts forth an empirical survey with a chronology of events and analyses the key phases in the evolution of the alliance In the process he explains their significance both in terms of how they affected bilateral relations between the two states and their regional implications Through careful research and analysis Goodarzi

reveals linkages between major events in the Middle East and crucial decisions that were made in Tehran and Damascus particularly ones that have been overlooked or ignored by regional analysts and scholars These include the impact of the Israeli invasion of Lebanon in 1982 and the subsequent Syrian Iranian consultations on Iran s position regarding the war with Iraq the effects of US Iraqi actions in the Persian Gulf in 1988 and Iran s moves in Lebanon against the wishes of Syria Goodarzi analyses the stability and security of this partnership and assesses its prospects for the future The United Nations and Peace Enforcement Mohamed Awad Osman,2018-02-06 This title was first published in 2002 This original text studies the UN system for the maintenance of international peace and security in the face of threats to the peace breaches of the peace and acts of aggression It assesses the Security Council attempts to employ enforcement measures under Chapter VII of the UN Charter in response to inter state and intra state conflicts paying attention to the effect of the Council s increasing involvement in internal situations both on the development of the system and on the outcome of conflicts Filling a notable lacuna in contemporary literature Mohamed Osman studies peace enforcement on its own and within an independent theoretical and empirical framework The book will appeal both to students of the UN and humanitarian intervention but also to international lawyers and political philosophers concerned with questions of intervention and sovereignty In addition its detailed case studies make the volume an excellent reference tool *Turkey Between East And West* Vojtech Mastny,2019-05-20 Linked by ethnic and religious affinities to two post Cold War crisis areas the former Soviet Union and Yugoslavia Turkey is positioned to play an influential role in the promotion of regional economic cooperation and in taking new approaches to security In this book experts from Turkey Europe and the United States address key aspects of Turkey

New Trends in Turkish Foreign Affairs Salomon Ruysdael,2002 With the present book we intend to give an account of Turkish foreign policy written by Turkish scientists and decision makers Up to now countless treatises on the foreign policy of the Republic of Turkey have been published within the Anglo American language area The specialized literature is particularly extensive in the domain of Turkish European policy as well as on the Europeans foreign policy towards Turkey and on security and defense policy We are primarily interested in the self perception of Turkish decision makers and advisors who as the scientific and bureaucratic elite have a significant influence on the conception of Turkish foreign policy We are interested in the elites priorities in shaping the country s foreign policy We hope that readers will be able to read the ideas hopes and fears between the lines of the contributions in order to form ideas for themselves We also intend to bring the Turkish perspective to sectors outside the university Moreover we intend to draw an outline of scientific literature by means of which readers may immerse themselves in the subject **Leadership Styles and Job Performance** Agnieszka Bieńkowska,Katarzyna Tworek,2023-12-19 Various styles of leadership have the potential for positive and negative influence on employees and organization The monograph offers a new approach and proposes the systematic analysis of negative leadership traits and behaviors through the broadening of existing approaches based on employees orientation and

organizational orientation by analyzing them together with a third dimension leader's traits which will allow us to analyze the intent of the leader. Based on this approach the monograph introduces the term fake leadership characterized by an emphasis on individual goals of the leader regardless of their importance for the organization coupled with intentional anti employees and anti organizational behaviours. Such leaders operate with intent to engage in negative behaviors towards employees and organization simultaneously aiming at hiding such intent. The monograph introduces and empirically verifies various models explaining the mechanisms through which fake leadership negatively influences job performance of employees and organizational reliability based on intraorganizational trust and positive job related attitudes work motivation job satisfaction work engagement organizational commitment as well as negative job related attitudes work disengagement job dissatisfaction work demotivation tend to hide errors which is coupled with the number of management and employees errors. These models reference the concept of authentic leadership which is chosen as a positive alternative to the described fake leadership.

Renegades Regimes and Foreign Policy Crises Balkan Devlen, 2008. The main puzzle that leads me to conceive this project is the seemingly irrational behavior of certain leaders like Slobodan Milosevic and Saddam Hussein during crises with the US. Why did they risk war with the United States while the odds are clearly against them? Why do they sometimes escalate the crisis to the point of war and sometimes seek conciliation and settlement? Therefore the central question of this study is what are the dynamics behind the foreign policy behavior of renegade regimes/rogue states during crises. The cases include crises with Iraq 1991, Serbia 1999 and North Korea 1994. I created a theoretical framework that brings together psychological theories of foreign policy analysis and rational choice models and incorporates systemic and domestic constraints that leaders face to analyze their foreign policy behavior. This book is primarily directed towards researchers interested in foreign policy international security and rogue states. Policymakers in the foreign policy community journalists and people who are interested in how can we deal with emerging threats to peace and security hopefully would find this book helpful and informative.

Presidential Machismo Alexander DeConde, 2000. A look at the expansion of executive authority in America and the influence of scholars journalists and presidents themselves.

An Extensive Bibliography of Studies in English, German and French on Turkish Foreign Policy, 1923-1997 Mustafa Aydın, M. Nail Alkan, 1997.

Proceedings of the Fifteenth Annual Conference of the Cognitive Science Society Science Society Cognitive, Con, POLSON, 1993. This volume features the complete text of all regular papers posters and summaries of symposia presented at the 15th annual meeting of the Cognitive Science Society.

Groupthink Clifton Wilcox, 2010.

Persian Gulf War Views From The Social And Behavioral Sciences Book Review: Unveiling the Power of Words

Persian Gulf War Views From The Social And Behavioral Sciences Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Persian Gulf War Views From The Social And Behavioral Sciences free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Persian Gulf War Views From The Social And Behavioral Sciences free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While

downloading Persian Gulf War Views From The Social And Behavioral Sciences free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Persian Gulf War Views From The Social And Behavioral Sciences. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Persian Gulf War Views From The Social And Behavioral Sciences any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Persian Gulf War Views From The Social And Behavioral Sciences Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Persian Gulf War Views From The Social And Behavioral Sciences is one of the best book in our library for free trial. We provide copy of Persian Gulf War Views From The Social And Behavioral Sciences in digital format, so the resources that you find are reliable.
