Personal Copy A Memoir Of The Sixties:

Youth Culture in Modern Britain, c.1920-c.1970 David Fowler,2008-09-30 This book traces the history of youth culture from its origins among the student communities of inter war Britain to the more familiar world of youth communities and pop culture Grounded in extensive original research it explores the individuals institutions and ideas that have shaped youth culture over much of the twentieth century Sixties Britain Mark Donnelly,2014-01-14 Sixties Britain provides a more nuanced and engaging history of Britain This book analyses the main social political cultural and economic changes Britain undertook as well as focusing on the silent majority who were just as important as the rebellious students the residents of Soho and the icons of popular culture Sixties Britain engages the reader without losing sight of the fact that the 1960s were a vibrant fascinating and controversial time in British History **Gay Men and the Left in Post-war Britain** Lucy Robinson,2013-07-19 Available in paperback for the first time his book demonstrates how the personal became political in post war Britain and argues that attention to gay activism can help us to fundamentally rethink the nature of post war politics While the Left were fighting among themselves and the reformists were struggling with the limits of law reform gay men started organising for themselves first individually within existing organisations and later rejecting formal political structures altogether Culture performance and identity took over from economics and class struggle as gay men worked to change the world through the politics of sexuality Throughout the post war years the new cult of the teenager in the 1950s CND and the counter culture of the 1960s gay liberation feminism the Punk movement and the miners strike of 1984 all helped to build a politics of identity There is an assumption among many of today s politicians that young people are apathetic and disengaged This book argues that these politicians are looking in the wrong place People now feel that they can impact the world through the way in which they live shop have sex and organise their private lives Robinson shows that gay men and their politics have been central to this change in the post war world **Années Wilson** Monica Charlot,1998

America in the British Imagination J. Lyons,2013-12-18 How was American culture disseminated into Britain Why did many British citizens embrace American customs And what picture did they form of American society and politics This engaging and wide ranging history explores these and other questions about the U S s cultural and political influence on British society in the post World War II period The politics of housing Peter Shapely,2017-10-03 Exploring the politics of housing during 1890 1990 this fascinating study examines the interaction not only of national and local politics but also of local factors such as civic culture key local players local discourse and geographical and demographic problems This book argues that increasingly tenants acted as consumers of a public service and it questions the way in which notions of consumerism shaped responses to the housing debate An analysis of the impact of legislation on housing policy in different cities is provided as well as a more detailed account of the politics of housing in Manchester including the Victorian legacy the emergence of local government intervention post war overspill estates new system built flats and their rapid

deterioration rising tenant anger and protests and the beginning of a new approach based on consultation and partnerships
The book will be of value to anyone studying urban history politics governance civic culture social policy and society **A**

Thirst for Empire Erika Rappaport, 2019-03-05 Tea has been one of the most popular commodities in the world Over centuries profits from its growth and sales funded wars and fueled colonization and its cultivation brought about massive changes in land use labor systems market practices and social hierarchies the effects of which are with us even today A Thirst for Empire takes a vast and in depth historical look at how men and women through the tea industry in Europe Asia North America and Africa transformed global tastes and habits and in the process created our modern consumer society As Erika Rappaport shows between the seventeenth and twentieth centuries the boundaries of the tea industry and the British Empire overlapped but were never identical and she highlights the economic political and cultural forces that enabled the British Empire to dominate but never entirely control the worldwide production trade and consumption of tea Rappaport delves into how Europeans adopted appropriated and altered Chinese tea culture to build a widespread demand for tea in Britain and other global markets and a plantation based economy in South Asia and Africa Tea was among the earliest colonial industries in which merchants planters promoters and retailers used imperial resources to pay for global advertising and political lobbying The commercial model that tea inspired still exists and is vital for understanding how politics and publicity influence the international economy Jacket **British Counter-Culture 1966-73** Elizabeth Nelson, 1989-09-25 A

study of the atmosphere out of which the counter culture grew the anti bomb movement and the emergence of youth and its music and culture The underground press forms the focus of an examination of its aspirations and significance and the failure of the counter culture to achieve its aims *Refugees in Twentieth-Century Britain* Becky Taylor, 2021-05-13 This timely

history explores the entry reception and resettlement of refugees across twentieth century Britain Focusing on four cohorts of refugees Jewish and other refugees from Nazism Hungarians in 1956 Ugandan Asians expelled by Idi Amin and Vietnamese boat people who arrived in the wake of the fall of Saigon Becky Taylor deftly integrates refugee history with key themes in the history of modern Britain She thus demonstrates how refugees experiences rather than being marginal were emblematic of some of the principal developments in British society Arguing that Britain s reception of refugees was rarely motivated by humanitarianism this book reveals the role of Britain s international preoccupations anxieties and sense of identity and how refugees reception was shaped by voluntary efforts and the changing nature of the welfare state Based on rich archival sources this study offers a compelling new perspective on changing ideas of Britishness and the place of outsiders in modern Britain **British Cinema of the 1950s** Sue Harper, Vincent Porter, 2003 In this definitive and long

awaited history of 1950s British cinema Sue Harper and Vincent Porter draw extensively on previously unknown archive material to chart the growing rejection of post war deference by both film makers and cinema audiences Competition from television and successive changes in government policy all forced the production industry to become more market sensitive

The films produced by Rank and Ealing many of which harked back to wartime structures of feeling were challenged by those backed by Anglo Amalgamated and Hammer The latter knew how to address the rebellious feelings and growing sexual discontents of a new generation of consumers Even the British Board of Film Censors had to adopt a more liberal attitude The collapse of the studio system also meant that the screenwriters and the art directors had to cede creative control to a new generation of independent producers and film directors Harper and Porter explore the effects of these social cultural industrial and economic changes on 1950s British cinema Having it So Good Peter Hennessy, 2007-05-03 Winner of the Orwell Prize for Political Writing Peter Hennessy's *Having it So Good* Britain in the Fifties captures Britain in an extraordinary decade emerging from the shadow of war into growing affluence The 1950s was the decade in which Roger Bannister ran the four minute mile Bill Haley released *Rock Around the Clock* rationing ended and Britain embarked on the traumatic disastrous Suez War In this highly enjoyable original book Peter Hennessy takes his readers into front rooms classrooms cabinet rooms and the new high street coffee bars of Britain to recapture as no previous history has the feel the flavour and the politics of this extraordinary time of change Utterly engaging a treat It breathes exhilaration Libby Purves *The Times* If the Gods gossip this is how it would sound Philip Ziegler *Spectator* Books of the Year A particular treat fine wise and meticulously researched Andrew Marr *Stands clear of the field* as our best narrative history of this decisive decade Peter Clarke *Sunday Times* A compelling narrative Hennessy's love of the flesh and blood of politics breathes on every page Tim Gardam *Observer* The late Ben Pimlott once described Hennessy as something of a national institution You can forget the first two of those five words *Guardian* Richard Hoggart and Cultural Studies S. Owen, 2008-10-14 In this new collection of essays a range of established and emerging cultural critics re evaluate Richard Hoggart's contribution to the history of ideas and to the discipline of Cultural Studies They examine Hoggart's legacy identifying his widespread influence tracing continuities and complexities and affirming his importance Understanding Youth Mary Jane Kehily, 2007-02-22 The series *Youth Perspectives and Practice* provides a distinctive combination of expert commentary new research original theorising and critical reflection on how we should understand youth and work with young people These books deserve a wide readership the way they are written and organised will make them particularly appealing to students Professor Robert MacDonald *University of Teesside* I have found that these books have enlightened and further developed my understanding of young people and are an excellent point of reference to support my work in this field Carolyn Moore *Youth Worker* Young people's lives have changed in dramatic ways in recent years Important transformations have taken place in the social structures and processes shaping young lives including education the loss of the traditional youth labour market and shifts in the nature of family and intimate relationships *Understanding Youth Perspectives Identities and Practices* engages with these changing experiences By drawing on recent research and the insights of young people the book provides a clear and comprehensive overview of youth in late modernity Part 1 *Perspectives* presents three different ways of conceptualising and

understanding youth Part 2 Identities considers issues of self and identity Part 3 Practices explores the everyday practices that give shape to young people's lives The book adopts an interdisciplinary approach and presents complex issues in an accessible and interactive way It will be essential reading for students on courses in youth work youth studies education social work and social policy and for professionals working with young people in a wide range of settings Together with its companion volume Youth in Context Frameworks Settings and Encounters it is a core text for The Open University's third level undergraduate course Youth Perspectives and Practice KE308 Mary Jane Kehily is Senior Lecturer in Childhood and Youth Studies at The Open University

No Respect Andrew Ross, 2016-09-16 The intellectual and the popular Irving Howe and John Waters Susan Sontag and Ethel Rosenberg Dwight MacDonald and Bill Cosby Amiri Baraka and Mick Jagger Andrea Dworkin and Grace Jones Andy Warhol and Lenny Bruce All feature in Andrew Ross's lively history and critique of modern American culture Andrew Ross examines how and why the cultural authority of modern intellectuals is bound up with the changing face of popular taste in America He argues that the making of taste is hardly an aesthetic activity but rather an exercise in cultural power policing and carefully redefining social relations between classes

Being boys Melanie Tebbutt, 2017-10-03 This original and fresh approach to the emotions of adolescence focuses on the leisure lives of working class boys and young men in the inter war years Being Boys challenges many stereotypes about their behaviour It offers new perspectives on familiar and important themes in interwar social and cultural history ranging from the cinema and mass consumption to boys clubs personal advice pages street cultures dancing sexuality mobility and the body It draws on many autobiographies and personal accounts and is particularly distinctive in offering an unusual insight into working class adolescence through the teenage diaries of the author's father which are interwoven with the book's broader analysis of contemporary leisure developments Being Boys will be of interest to scholars and students across the humanities and social sciences and is also relevant to those teaching and studying in the fields of child development education and youth and community studies

Children and young people's cultural worlds Sara Bragg, Mary Jane Kehily, 2013 Growing up in an increasingly media saturated commercial and globalized world children and young people in contemporary society encounter and must creatively adapt to a range of cultural phenomena Offering a critical introduction to childhood in the digital age Children and Young People's Cultural Worlds challenges common concepts and concerns about childhood innocence held by many adults It examines the diversity of childhood experiences and relationships the distinctiveness of children's worlds and explores topics such as the consequences of age and the experience of living in different cultural contexts Utilizing contributions from scholars in a variety of different fields it is interdisciplinary and international in scope Including resources for teachers and students such as learning outcomes activities and additional readings and commentary this well written and beautifully presented book will be a valuable resource to anyone interested in new perspectives on childhood in the digital age

Life On Air, 2008-09-25 Radio Four has been described as the greatest broadcasting channel in the world the

heartbeat of the BBC a cultural icon of Britishness and the voice of Middle England Defined by its rich mix encompassing everything from journalism and drama to comedy quizzes and short stories its programmes such as Today The Archers Woman s Hour The Hitchhiker s Guide To the Galaxy Gardeners Question Time and The Shipping Forecast have been part of British life for decades Others less successful have caused offence and prompted derision Born as it was in the Swinging Sixties Radio Four s central challenge has been to change with the times while trying not to lose faith with those who see it as a standard bearer for quality authoritativeness or simply old fashioned BBC values In this first major behind the scenes account of the station s history David Hendy a former producer for Radio Four draws on privileged access to the BBC s own archives and new interviews with key personnel to illuminate the arguments and controversies behind the creation of some of its most popular programmes He reveals the station s struggle to justify itself in a television age favouring clear branding and tightly targeted audiences with bitter disputes between the BBC and its fiercely loyal listeners The story of these struggles is about more than the survival of one radio network Radio Four has been a lightning rod for all sorts of wider social anxieties over the past forty years A kaleidoscopic view of the changing nature of the BBC the book provides a gripping insight into the very nature of British life and culture in the last decades of the twentieth century **The Tourism Area**

Life Cycle: Conceptual and theoretical issues Richard Butler,2006 This book is divided into five sections the conceptual origins of the TALC spatial relationships and the TALC alternative conceptual approaches renewing or retiring with the TALC and predicting with the TALC It concludes with a review of the future potential of the model in the area of the destination development process **Screening the Hollywood rebels in 1950s Britain** Anna Ariadne Knight,2021-09-28 This book examines issues of censorship publicity and teenage fandom in 1950s Britain surrounding a series of controversial Hollywood films The Wild One Blackboard Jungle Rebel Without a Cause Rock Around the Clock and Jailhouse Rock It also explores British cinema s commentary on juvenile delinquency through a re examination of such British films as The Blue Lamp Spare the Rod and Serious Charge Taking a multi dimensional approach the book intersects with star studies and social history while reappraising the stardom of Marlon Brando James Dean and Elvis Presley By looking at the specific meanings pleasures and uses British fans derived from these films it provides a logical and sustained narrative for how Hollywood star images fed into and disrupted British cultural life during a period of unprecedented teenage consumerism **Hollywood and the**

Americanization of Britain Mark Glancy,2013-10-17 For 100 years Hollywood has provided both the majority and the most popular of films shown on British screens For many Britons Hollywood films are not foreign films Whether seen in the cinema on television or the internet they are regarded as normal screen fare and a part of everyday life Hollywood and the Americanization of Britain is the first book to take a wide ranging view of this phenomenon exploring the tastes and preferences of British audiences from the silent era to the present Mark Glancy investigates the British reception of Hollywood films ranging from The Public Enemy through film history to The Patriot and Grease Drawing on rich original

sources his carefully researched and lively book explores Hollywood's capacity to appeal to British audiences as well as its ability to alienate, enrage and amuse them
