Personal Evangelism:

Personal Evangelism J C Macaulay, Robert H Belton, 2013-04-25 Here is a fresh approach to personal evangelism by two writers who speak out of their experience in witnessing and in teaching principles of evangelism in the classroom The approach is biblical Scriptures are constantly introduced in dealing with various types such as the anxious the unsatisfied the fearful the procrastinator and the self righteous The study of the Word is emphasized as preparation for the soul winner Important principles are deduced from the Gospel of John The work of the Holy Spirit is emphasized because He must prepare the heart of the seeker guide the speech of the witness and cause new life to spring up in each individual heart Practicality and tact are two words which may be said to characterize this text It is not limited to theory developed in the seclusion of the study nor does it neglect criticism of such wrong approaches as the holier than thou or the wiser than thou

The Art of Personal Evangelism Will McRaney, 2003-05-01 A textbook written in a conversational style and tone practical in nature but providing the necessary foundation to understand the principles and practices of evangelism

Personal Evangelism E. W. Kenyon, 2025-07-15 SOUL WINNING IS OUR BUSINESS Jesus made it clear that we are to bring others to His Father He said Follow me and I will make you fishers of men But many Christians don't know how to win souls for their Savior They are too timid to speak out don't know what to say or don't want to offend anyone Legendary Bible teacher E W Kenyon offers a solution in Personal Evangelism 22 Lessons to Effectively Share the Gospel He takes readers through all possible scenarios of reaching the lost from those who have false hopes to the indifferent from the skeptical to those who have broken fellowship with the church Until soul winning becomes the business of our life we will not lead many from darkness to light Kenyon says Soul winning is the art of arts We are selling the greatest thing in the world The joy that it gives to the one who finds Christ the blessings that go into the home can never be estimated The man you lead to Christ may become a key man in some community turning a whole section of men to Christ Our time is not our own but belongs to the Lord When we evangelize to snatch souls from the hands of the enemy we give them strength joy and success and obtain more stars in our own heavenly crown

The Gospel and Personal Evangelism (Foreword by C. J. Mahaney) Mark Dever, 2007-09-07 Evangelism is not only misunderstood it is often unpracticed Many Christians want to share the gospel with others but because those Christians don't grasp the fundamentals of witnessing they feel intimidated and incapable of sharing the truth of the gospel Yet those believers fail to recognize that God has already established who and how we are to evangelize In *The Gospel and Personal Evangelism* Dr Mark Dever seeks to answer the four basic questions about evangelism that many Christians ask Who should we evangelize

How should we evangelize What is evangelism Why should we evangelize In his answers Dever draws on New Testament truths and helps believers apply those truths in practical ways As readers understand the fundamentals of evangelism they will begin to develop a culture of evangelism in their lives and their local churches **Weapons and Tactics: A Handbook on Personal Evangelism** Jim Wilson, 2012-12-11 Even if communities understand how to follow the principles of spiritual warfare the actual winning of souls usually occurs on the personal level Big picture evangelistic strategy must be complemented by an understanding of personal evangelism Weapons and Tactics teaches individual Christians how to apply the evangelistic principles described in Principles of War Using thorough analysis of Scripture and real life examples Jim Wilson provides insight on spiritual weapons what God has given us to fight with and tactics the effective use of those weapons with simple powerful language Weapons and Tactics calls us to personal life changing obedience as we follow our captain in the fight Larry Moyer's How-to Book on Personal Evangelism Richard Larry Moyer, R. the witnesses who composed the books were not just witnesses to the truth they were changed by it The task of The Believer's Guide On Personal Evangelism is to bring people to faith in Jesus Christ An individual should unmistakably and coherently present the need for Jesus Christ and the provision God has made to address that issue While there are numerous approaches this book puts forward the plain facts and the directness of the straightforwardness simplicity of the gospel of our Lord and Savior Jesus Christ

100 Answers to Questions from the Neighborhoods Tim Wallingford, 2016-12-29. *100 Answers to Questions from the Neighborhoods* Personal Evangelism Done Jesus Style Companion Study Guide is a modern day application of Jesus and the apostles strategy to fulfill the Great Commission. In just 30 years their evangelistic method was bearing fruit and growing throughout the whole world. Colossians 1:6 Did you know Jesus walked over 3 000 miles through neighborhoods throughout Palestine. In Matthew 10 Jesus commanded his disciples to go into a neighborhood find a worthy person and stay at their home. From there they went out and met the neighbors. The disciples then showed love to those they met by meeting any physical needs. Only then would they share God's love story the gospel of Christ. This was also Jesus personal strategy. Today most evangelistic plans involve attracting the neighbors into the church. Churches do this with events dynamic worship services and quality programs for every member of the family. Many churches do this well but sadly the American church is in decline. Less than 20% of Americans now regularly attend church. In 1990 20.4% attended church. In 2000 the percentage dropped to 18.7%. By the year 2050 if the church doesn't change it is estimated church attendance will drop to 11.7%. This can be reversed if we adopt the evangelistic strategy used by Jesus and the apostles. This book gives you a detailed breakdown of the gospel the apostle Peter presented on the Day of Pentecost that ended with 3 000 baptisms in one day. The book will also show you how Luke the author of Acts packaged the never changing gospel to ten different types of neighbors: the hurting religious spiritualist seeker fanatic good person abuser skeptic misinformed and pleasure seeker. This book and its training manual identify over one hundred questions about spiritual matters and help you have the answers your neighbors need to hear.
