Puerto Vallarta:

What to Do In... Puerto Vallarta, Jalisco, Mexico C. C. Thomas, 2015-02-09 When you finally make the time for a vacation you don't have the time to waste searching through websites for things to do and places to eat. You don't have the time to waste on a bad meal or an activity no one will enjoy. On your next vacation use this guide to Puerto Vallarta Jalisco Mexico to help you find some spots mostly off the beaten path spots that locals know but are unknown to most tourists. These are activities and eateries that are well worth making the time and money for. This guide book and others in the series will give you some fun and economical places to visit. Many of them will be places you might have heard of but I always try to visit the out of the way and forgotten spots too. The other half of the book will focus on places to eat mom and pop places or little dives that most tourists might skip. My top focus is on delicious eats but ambiance will come a close second. I will also include a bit of history and some fun trivia. Hopefully you'll find all you need to have the trip of a lifetime. If you like this volume check out my other titles with reviews for locations all over the world. This print book makes the perfect travel companion it's slim enough to slip inside your luggage purse or pocket. And there are some extra pages at the end to record your own adventures. The Kindle version can be downloaded to your device and read on the go. Plus it has links to the locations in the book for your convenience. All books can be ordered through Amazon either printed or on Kindle. Another option is to visit my website www.ccthomaswriter.com or my travel blog www.iknowfuntravels.blogspot.com where a different locale is featured bimonthly.
