

The background of the entire slide is a photograph of a sunset or sunrise. The sky is a mix of deep blue, purple, and pink. The sun is partially visible on the right side, creating a bright glow. In the distance, there are dark, silhouetted mountains. In the foreground, there is a body of water that reflects the colors of the sky. The overall mood is serene and majestic.

Right Before His Very Eyes:

Right Before His Very Eyes Donovan Russell, 2001-06-24 This is a story about people whose ancient way of life is threatened by social upheaval and violence It is a story of Africans black brown and white during the convulsive height of apartheid made worse by the great power struggle for Africa during the incredible Cold War It is a story of people caught in something they do not understand But the story is about more than this It is also about the dilemmas that people have when face to face with a vastly different culture It is about their helplessness as events wash over them as modernization steals their children and as hard times reach into their homes The story is also about the suffering of ordinary people when big men step into the breach in Africa to exploit intimidate and struggle with each other for power and riches Issues of socioeconomic development come alive through the story Peoples lives are seen in relation to the initiatives of development organizations But this is not a story entirely about the negative side of life It is told through the touching lives of people who manage remarkably well It is a story of people from vastly different backgrounds who have hope where there is little room for it civil relations where there should be antagonism patience in the face of extreme frustration and who trust in an atmosphere of suspicion The story is at times even amusing It takes place in a complicated fascinating and overwhelmingly beautiful part of the world
