

THE RIGHT TO DIE

UNDERSTANDING EUTHANASIA

"Thorough, dispassionate and wise, this book brings to light what is so often missing when this issue arises—the facts."

—Betty Rollin, author of *Last Wish*

DEREK HUMPHRY • ANN WICKETT

Right To Die Understanding Euthanasia

Raymond A. Whiting

Right To Die Understanding Euthanasia:

The Right to Die Derek Humphry, Ann Wickett, 1987 This book is an attempt to explain the complexities of the most controversial issue of the 1980s and 1990s against the historical legal religious and cultural background The Right To Die is the result of objective research into and analysis of a subject that is not only controversial but difficult to define quickly or easily a person's right to choose to die whether alone or with help of another In 1988 an attempt in California to change the law to permit physician assisted suicide of a terminally ill person failed Fresh reform attempts were made in Washington and Oregon in 1991 and in California again in 1992 In The Right To Die the authors give a complete history of the subject beginning with Greek and Roman attitudes toward dying They cover active and passive euthanasia suicide mercy killing and the medical and legal issues as well as the moral and ethical questions on both sides Back cover Dying with Dignity Derek Humphry, 1992 Thanks to the runaway success of the number one national bestseller Final Exit the Practicalities of Self Deliverance and Assisted Suicide for the Dying the right to die has been brought to the moral and political forefront Derek Humphry's new book Dying with Dignity Understanding Euthanasia puts the somewhat confusing ethics and legality of the right to die in perspective and serves as an important companion volume to Final Exit Euthanasia became a personal experience for Derek Humphry when his first wife Jean who was suffering from terminal breast cancer asked him to help her die This unhappy event and the public interest surrounding it caused him to found the nonprofit National Hemlock Society and become the champion of this cause Through essays and briefings Humphry's latest book Dying with Dignity helps readers work their way through the labyrinth of complex issues which comprise the subject Topics of discussion include Euthanasia Is it mercy or murder The case for rational suicide when suicide is justified and the ethical parameters of autoeuthanasia i.e. the taking of one's own life The trend toward acceptance why more judges are increasingly ruling for the terminally ill patient's rights over the hospital's responsibilities to preserve life Evidence of the dramatic growth of the right to die movement Questions and answers about the Hemlock Society answers including why this pioneer group was formed and what its political goals are Specific questions regarding the pros and cons of different suicide methods are also discussed The landmark cases of eleven doctors who have been charged with killing a terminally ill patient or family member and the consequences of these cases from Harold Balzer who in 1935 murdered his daughter a victim of cerebral spinal meningitis to Dr Jack Kevorkian who in 1991 developed a suicide machine The profound differences between mercy killing assisted suicide and auto euthanasia and the one the Hemlock Society supports and why Dying with Dignity also discusses the effect that major mercy killing cases have had involving individuals like Roswell Gilbert Dr Peter Rosier Nancy Cruzan and Karen Ann Quinlan and the lessons these cases have taught In Humphry's professional opinion voluntary euthanasia will become lawful within the next few years Recent polls overwhelmingly indicate that the public believes in a person's moral right to end his or her life when that person has an incurable disease And with the surprising success of Final Exit it's apparent that the right to

die is on a lot of people's minds Dying with Dignity will help readers to sort out the complexities of this issue BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved The Right to Die Derek Humphry, Ann Wickett, 1986 A Natural Right to Die Raymond A. Whiting, 2001-11-30 While other books deal with the contemporary issue of the right to die no attempt has been made to demonstrate substantially the historic nature of this question beyond the borders of the United States Whiting demonstrates that the right to die controversy stretches back more than two thousand years and he explains how current attitudes and practices in the U S have been influenced by the legal and cultural development of the ancient western world This perspective allows the reader to understand not only the origins of the controversy but also the different perspectives that each age has contributed to the ongoing debate Whiting discusses the development of legal rights within both western culture and the United States then applies these developments to the question of the right to die In an environment of public debate that features such emotional events as the exploits of Jack Kevorkian the publication of how to suicide manuals and the counterattacks of Right to Life groups the United States is left with very few options *Freedom to Die* Derek Humphrey, Mary Clement, 2000-04-17 The strength of the right to die movement was underscored as early as 1991 when Derek Humphry published *Final Exit* the movement's call to arms that inspired literally hundreds of thousands of Americans who wished to understand the concepts of assisted suicide and the right to die with dignity Now Humphry has joined forces with attorney Mary Clement to write *Freedom to Die* which places this civil rights story within the framework of American social history More than a chronology of the movement this book explores the inner motivations of an entire society Reaching back to the years just after World War II *Freedom to Die* explores the roots of the movement and answers the question Why now at the end of the twentieth century has the right to die movement become part of the mainstream debate In a reasoned voice which stands out dramatically amid the vituperative clamoring of the religious right the authors examine the potential dangers of assisted suicide suggesting ways to avert the negative consequences of legalization even as they argue why it should be legalized The Reality of Assisted Dying: Understanding the Issues Julian Hughes, Ilora Finlay, 2024-08-20 This is a book to be read by all involved in either side of this heated debate Dr C Fourcade President of the French Association for Palliative Care France This powerful collection of essays brilliantly unpacks the legal ethical and practical issues around the assisted dying debate Jonathan Herring Professor of Law University of Oxford UK This is an essential exploration of the complexities behind the sound bites Baroness Campbell of Surbiton DBE UK A much needed timely compendium covering the main issues underlying and surrounding Assisted Dying Robert Twycross Past Head WHO Collaborative Centre for Palliative Care Oxford UK Wherever your views lie on assisted dying you should read this book Dr Matt Morgan Professor of Intensive Care Cardiff University UK and Curtin University Australia At a critical moment in the UK debate this book provides up to date reflections from a broad variety of international experts on the profoundly important issues that surround changes in the law in any jurisdiction in connection

with assisted dying and considers the realities that surround such changes The Reality of Assisted Dying covers all the important issues in the debates about assisted suicide and euthanasia This includes thoughts on the role of the law discussion of important philosophical and ethical concepts investigating the various issues that arise in the practice of medicine and palliative care and scrutinizing concerns about definitions coercion consequences and safety This book Provides up to date data evidence and reflections from professionals from countries where assisted dying has been legalized Takes a fresh look at the arguments around legalization of assisted dying Shows how a change in the law must take account of all those who will be affected including families and those who will feel compelled to participate by assisting suicides or performing euthanasia Shows the problems and dangers of embedding assisted dying within healthcare and explores how alternative socio legal procedures would improve legitimacy and monitoring for patients and their families The book is relevant to a variety of intellectual disciplines and to political and social debates both in the UK and internationally as well as being of interest to general readers and students studying the many relevant subjects from medicine to law sociology politics philosophy and ethics Julian C Hughes has studied and been a professor of both philosophy and of old age psychiatry He was an NHS consultant in old age psychiatry and served as deputy chair of the Nuffield Council on Bioethics UK His most recent book was Dementia and Ethics Reconsidered published by Open University Press Ilora G Finlay is a Crossbench Peer in the House of Lords an honorary professor of palliative medicine at Cardiff University UK past President of the BMA and the Royal Society of Medicine A founder director of Living and Dying Well she co authored Death by Appointment and led on legislation to encourage the availability of palliative care for all

Terminal Choices Robert N. Wennberg, 1989 A discussion of the moral religious legal and personal issues surrounding euthanasia suicide and the right to die

Killing and Letting Die Bonnie Steinbock, Alastair Norcross, 2024-10-22 Available in a new digital edition with reflowable text suitable for e readers This collection contains twenty one thought provoking essays on the controversies surrounding the moral and legal distinctions between euthanasia and letting die Since public awareness of this issue has increased this second edition includes nine entirely new essays which bring the treatment of the subject up to date The urgency of this issue can be gauged in recent developments such as the legalization of physician assisted suicide in the Netherlands how to manuals topping the bestseller charts in the United States and the many headlines devoted to Dr Jack Kevorkian who has assisted dozens of patients to die The essays address the range of questions involved in this issue pertaining especially to the fields of medical ethics public policymaking and social philosophy The discussions consider the decisions facing medical and public policymakers how those decisions will affect the elderly and terminally ill and the medical and legal ramifications for patients in a permanently vegetative state as well as issues of parent infant rights The book is divided into two sections The first Euthanasia and the Termination of Life Prolonging Treatment includes an examination of the 1976 Karen Quinlan Supreme Court decision and selections from the 1990 Supreme Court decision in the case of Nancy Cruzan Featured are articles by

law professor George Fletcher and philosophers Michael Tooley James Rachels and Bonnie Steinbock with new articles by Rachels and Thomas Sullivan The second section Philosophical Considerations probes more deeply into the theoretical issues raised by the killing letting die controversy illustrating exceptionally well the dispute between two rival theories of ethics consequentialism and deontology It also includes a corpus of the standard thought on the debate by Jonathan Bennet Daniel Dinello Jeffrie Murphy John Harris Philipa Foot Richard Trammell and N Ann Davis and adds articles new to this edition by Bennett Foot Warren Quinn Jeff McMahan and Judith Lichtenberg

Birth, Suffering, and Death Kevin Wm. Wildes S.J., Francesc Abel S.J., John Collins Harvey, 2012-12-06 For centuries the Roman Catholic Church has been concerned with the moral implications of medical practice Indeed until two decades ago Catholic moral theologians were the major source of moral guidance scholarly reflection and teaching on a variety of medical moral topics particularly those bearing on human life Many not only those within the Catholic communion turned to the Church for guidance as each new possibility for altering the conditions of human life posed new challenges to long held moral values Two decades ago the center of gravity of ethical reflection shifted sharply from theologians and Christian philosophers to more secular thinkers A confluence of forces was responsible for this metamorphosis an exponential rate of increase in medical technologies expanded education of the public the growth of participatory democracy the entry of courts and legislation into what had previously been private matters the trend of morality towards pluralism and individual freedom and the depreciation of church and religious doctrines generally Most significant was the entry of professional philosophers into the debate for the first time It is a curious paradox that until the mid sixties professional philosophers largely ignored medical ethics Today they are the most influential shapers of public and professional opinion

When It's Right to Die Dick Westley, 1995 Can a good Catholic or a faithful Christian favor euthanasia Dick Westley here says yes and argues for an individual's right to choose when and how to die He critiques current cultural misperceptions of death and dying analyzes positions opposed to euthanasia and presents a justification for active voluntary euthanasia Westley believes that under certain circumstances euthanasia or assisted suicide is perfectly in accord with the highest ideals of the Christian faith Book cover

While this might not be the Right To Die Understanding Euthanasia full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Right To Die Understanding Euthanasia eBooks, including some popular titles.

FAQs About Right To Die Understanding Euthanasia Books

What is a Right To Die Understanding Euthanasia PDF? A PDF (Portable Document Format) is a file format developed

by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Right To Die Understanding Euthanasia PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Right To Die Understanding Euthanasia PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Right To Die Understanding Euthanasia PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Right To Die Understanding Euthanasia PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
