Folktales Retold Amie A. Doughty, 2015-03-14 Folktales and fairy tales are living stories as part of the oral tradition they change and evolve as they are retold from generation to generation In the last thirty years however revision has become an art form of its own with tales intentionally revised to achieve humorous effect send political messages add different cultural or regional elements try out new narrative voices and more These revisions take all forms from short stories to novel length narratives to poems plays musicals films and advertisements The resulting tales paint the tales from myriad perspectives using the broad palette of human creativity This study examines folktale revisions from many angles drawing on examples primarily from revisions of Western European traditional tales such as those of the Grimm Brothers and Charles Perrault Also discussed are new folktales that combine traditional storylines with commentary on modern life The conclusion considers how revisionists poke fun at and struggle to understand stories that sometimes made little sense to start with *The Books of Simion* Ivory Simion, 2015-01-23 Warning The Books of Simion are the most Profound books of knowledge that have ever been delivered to the Gentile nations The Books of Simion are written for kings and all in authority only so kings and all in authority can determine what is best for the people The Books of Simion are the books of records that are referred to as the books of remembrance that are written for kings and all in authority so kings and all in authority are not dishonored and their kingdoms are not destroyed by deceptions Ezra 4 1415 and Malachi 3 16 The Books of Simion are the translation of the Holy Bible and the ancient scriptures by those who are scattered whose ancestors were slaves and persecuted in Egypt for 430 years Later in the latter days ascendants were taken to a foreign land named America on ships in bondage and held there as slaves and persecuted for 430 years that the Holy Bible has identified as Gods chosen people and Gods firstborn There is no other interpretation and translation of the Holy Bible and the end time prophesies of the God of Abraham by any other race of people on the planet earth that is better Genesis 15 1314 Acts 7 67 Deuteronomy 28 68 Jeremiah 30 3 Jeremiah 30 18 Luke 21 24 John 11 52 Joel 3 1 and Exodus 4 22 The Books of Simion will connect all of the dots or events in history together with the Holy Bible and the ancient scriptures to bring events and scriptures together to make sense of what happened in our past to understand what is happening in our present and to determine what will happen in the future The readers will learn more about the Holy Bible God and the devil the extraterrestrials the old black African dominion and the new white Gentile dominion from the Books of Simion than they have learned and understood from the combined books and learning institutions they have been exposed to all of the their lives For the first time in the readers lives they will understand what they could never understand before Without the Books of Simion the readers will go from university to university constantly learning but never able to come to the knowledge of the truth 2 Timothy 3 7 All of the great secrets including the mystery of the gospel have been revealed in the Books of Simion Because the world was started over to give the Gentiles a second chance for salvation in the world we live in today the final outcome from all of our actions and choices of today will be revealed as well as what we all must do to inherit the earth Absolutely nothing is more important than knowing the final

outcome from last time before we make our final choices this time Prepare yourself **Living in The Story** Charlotte Vaughan Coyle, 2021-08-26 What kind of book is the Bible Is it a rulebook or a guidebook for moral living Is it a history book or a book filled with fascinating and sometimes fantastic stories Did humans write the Bible or did God somehow speak a perfect message that the authors transcribed Many people have asked these questions about the nature of this beautiful odd comforting disturbing book the church calls its Holy Scripture Charlotte Vaughan Coyle shares her own journey to make sense of the Bible in this read through the Bible in a year project She discovered that the crucial work of asking hard questions and even arguing with the Bible revealed the Scriptures to be a symphony of polyphonic voices a work of art that paints an alternative vision of reality a complex novel like story unavoidably embedded in its own culture and time and yet able to give witness to the God beyond history who has acted and continues to act within history With the heart of a pastor and the passion of a preacher Rev Coyle invites seekers and students both church and unchurched to strap on their scuba gear and join her for a deeper dive beneath the surface of this immense colorful mysterious world of the Bible **Singing Story, Healing Drum** Kira Van Deusen, 2004 Based on extensive field work and including folktales legends and shamanic poems that elucidate spiritual traditions as well as descriptions of local rituals this book guides readers through the often confusing phenomena of the shamanic revival both in Russia and abroad It is a travel narrative history and an ethnology
