Nyarko, 2024-03-10 Every religion on earth godly or ungodly Christianity occultism and satanic religions all respects blood and have something in one way or the other to do with blood The Bible is a bloody book because blood is central to both the Old and New Testaments After man sinned in the garden the story of man s redemption has been a journey that began with the shedding of blood in Eden and ended with blood at Calvary We have been taught about blood and how that blood is powerful There are more religious songs about power in blood than any other subject but what the church have not looked much into is the revelation of what makes blood powerful Is it the usual red color of blood Pre suppose the blood of Jesus wasn t shed at all will there still be any power at all in bloods in general that were shed before the crucifixion of Christ This book takes the reader on an intriguing journey about mysteries in blood from a biblical perspective **Blood Power** Dag Heward-Mills, 2014-07-26 The Bible speaks of many types of blood the blood of goats the blood of sheep the blood of pigeons The Bible also speaks very categorically that without the shedding of blood there is no remission of sins So can any one of these different types of blood take away our sins The answer is an emphatic No So what can wash away our sins Nothing but the blood of Jesus Only the blood of Jesus **Blood Cries Out** A. J. Swoboda, 2014-11-11 John McConnell Jr was the famed founder and visionary of Earth Day McConnell s vision was one of creating a day of remembrance solitude and action to restore the broken human relationship to the land Little acknowledged are McConnell s religious convictions or background McConnell grew up in a Pentecostal home In fact McConnell s parents were both founding charter members of the Assemblies of God in 1914 His own grandfather had an even greater connection to the origins of Pentecostalism by being a personal participant at the Azusa Street Revival in Los Angeles in 1906 Earth Day thus began with strong religious

convictions McConnell seeing the ecological demise through his religious background envisioned a day where Christians could show the power of prayer the validity of their charity and their practical concern for Earth s life and people In the spirit of McConnell today s Pentecostal and Charismatic theology has something to say about the earth Blood Cries Out is a unique contribution by Pentecostal and Charismatic theologians and practitioners to the global conversation concerning ecological degradation climate change and ecological justice

Righteousness Jeffrey J. Niehaus, 2023-12-06 The third volume of this three volume work exegetes and comments on every occurrence of the Greek terms for righteousness righteous righteously and righteous judgment in the New Testament It begins with a general discussion of the righteous word group in the New Testament and concludes with a discussion of the righteousness of God and the righteousness of faith The same proposal that was explored in Volumes 1 and 2 that righteousness means conformity to God s Being and doing is now explored in the NT Whatever flavor or nuance righteousness terminology may have in different NT contexts study shows that the underlying sense of righteousness as conformity to God s Being and doing both for God and for people has the explanatory power required to commend the definition Such a result has further implications for justification studies

A Ransom for Israel Nicholas J. Schaser, 2025-05-09 In this study of the Gospel of Matthew Nicholas J Schaser proposes that Matthew intended to narrate the corporate salvation of ethnic Israel rather than its replacement by an ethnically diverse Christian church Instead of presenting Jesus as a new Israel to replace the old Matthew highlights Jesus s salvific value in exchange for the nation of Israel when he dies as a ransom for their sins This book presents one of the most comprehensive challenges to the prevalent interpretation that Matthew locates Israel in an ongoing exile from which Jesus offers redemption only if they follow him Rather the gospel when read alongside Israel s Scriptures presents Israel at risk of an eschatological exile from God s kingdom and Jesus removes his people s exile inducing sins by being cast out in their place Schaser s compelling reading has the potential to open new dialogue between Jews and Christians

The Ante-Nicene Fathers Alexander Roberts, 2007-05-01 One of the first great events in Christian history was the Council of Nicaea in 325 AD convened to organize Christian sects and beliefs into a unified doctrine The great Christian clergymen who wrote before this famous event are referred to as the Ante Nicenes and the Apostolic Fathers and their writings are collected here in a ten volume set The Ante Nicenes lived so close to the time of Christ that their interpretations of the New Testament are considered more authentic than modern voices But they are also real and flawed men who are more like their fellow Christians than they are like the Apostles making their words echo in the ears of spiritual seekers In Volume I of the 10 volume collected works of the

Ante Nicenes first published between 1885 and 1896 readers will find the writings of Clement of Rome the fourth pope who was supposedly martyred by being tied to an anchor and tossed overboard Mathetes an anonymous writer considered the first Christian apologist Polycarp a Christian bishop who was stabbed to death after he failed to burn at the stake Ignatius a student of John the Apostle who was Bishop of Antioch before he was killed Barnabas an anonymous writer given the name of Saint Barnabas Papias author of Interpretations of the Sayings of the Lord a textbook on quotes from Jesus Justin Martyr a Christian apologist and accomplished philosopher and Irenaeus disciple of Polycarp apologist and bishop of Lugdunum
