Third Series Library of Congress. Copyright Office,1978 Batboys and the World of Baseball Neil D. Isaacs,1995 A unique look at baseball s clubhouse culture through the eyes of batboys Women Characters in Baseball Literature Kathleen Sullivan,2005-05-25 Since the early 20th century American writers have both recorded and fictionalized the real life activities of great athletes as well as created original characters for sports stories How have women fared in this literature Women Characters in Baseball Literature is the first comprehensive evaluation of the women characters of baseball literature including women s crucial roles on and off the field of play Applying several feminist theories and examining the works in the context of both myth and psychology the author discusses baseball fiction written by both men and women Among the topics discussed are the literary implications of motherhood how patterns of behavior in women characters often recall Greek goddesses and how women characters and the feminist imagination enrich the literature of this apparently masculinized sport Authors covered include Bernard Malamud Mark Harris August Wilson Lamar Herrin Nancy Willard Silvia Tennenbaum Karen Joy Fowler and others

Fractures Lamar Herrin,2025-10-16 A Thousand Acres and Empire Falls meet during the present hydrofracking controversy as a beleaguered patriarch must decide the fate of his land and children in this enveloping family drama The Joyner family sits atop prime Marcellus Shale When landmen for the natural gas companies begin to lease property all around the family s hundred acres the Joyners start to take notice Undecided on whether or not to lease the family land

Frank Joyner must weigh his heirs competing motivations All of this culminates as a looming history of family tragedy resurfaces A sprawling family novel Fractures follows each Joyner as the controversial hydrofracking issue slowly exacerbates underlying passions and demons With echoes of Jonathan Franzen's Freedom Fractures takes its reader deep into the beating heart and hearth of a family divided Lamar Herrin's Fractures is a brilliantly conceived and executed novel that illustrates how coping with familial dysfunctions can help us understand and deal with the more deadly dysfunctions of society Here's one of my favorite writers at his finest Ron Hansen author of The Assassination of Jesse James

Bottom of the Ninth John McNally, 2003 Skillfully edited by John McNally Bottom of the Ninth Great Contemporary Baseball Short Stories collects nineteen contemporary baseball short stories from a successful mix of well established writers lesser knowns and a few up and comers These stories are characterized by the same dramatic elements that draw people to the sport itself the mythologizing of players the obsessions and romance of the game the bonds between players and fans parents and children From a key play a missed catch a chance lost these are tales of characters facing high stakes and calls to action metaphorically and literally in the bottom of the ninth

Seeking the Perfect Game Cordelia Chávez Candelaria, 1989-09-07 In this comprehensive study of baseball in American literature Candelaria looks primarily at novels to explore how writers have used this quintessential American symbol and to examine what the metaphors and images of the fictional universe of baseball have to tell us about ourselves Her analysis includes both juvenile and adult sports fiction and other types of literary works that draw significantly on baseball imagery Candelaria offers a probing analysis of the progression from allegory and romanticism in the earliest baseball fiction to the realism irony and solipsism of contemporary narrative Candelaria examines the origins and folklore of baseball the development of its mythic status as the national game or pastime as well as early literary treatments Baseball soon emerged as a romantic and heroic metaphor in juvenile and pulp fiction and as a vehicle for ironic comedy in the work of Ring Lardner and other writers of the early decades of the twentieth century Allusions to baseball in works by such literary masters as Mark Twain Sinclair Lewis and Ernest Hemingway emphasize the symbolic dimensions of the game and its mythic possibilities have been fully exploited by more recent writers notably Bernard Malamud in The Natural and Philip Roth in The Great American Novel Increasingly complex levels of abstraction are characteristic of the baseball fiction of Philip Roth Mark Harris Jay Neugeboren John Graham Alexander and Robert Coover Candelaria offers a probing analysis of the progression from allegory and romanticism in the earliest baseball fiction to the realism irony and solipsism of contemporary narratives A stimulating work of literary and cultural criticism this book will appeal to students and scholars of American literature popular culture American studies and physical education as well as to baseball enthusiasts
