Rip It Up And Start Again

John A. Zukowski

Rip It Up And Start Again:

Rip It Up and Start Again Simon Reynolds, 2006-02-17 A landmark history of post punk and the basis of the documentary film directed by Nikolaos Katranis Renowned music journalist Simon Reynolds celebrates the futurist sound and spirit of such bands as Joy Division Gang of Four Talking Heads and Devo which resulted in endless innovations in music lyrics performance and style Reynolds explores these influences which continued into the early eighties with the video savvy synth pop of groups such as Human League Depeche Mode and Soft Cell all of whom found success which coincided with the rise of the iconic Music Television or better known as MTV Full of insight and anecdotes and populated by charismatic and well known characters Rip It Up and Start Again re creates the idealism urgency and excitement of one of the most important and challenging periods in the history of popular music

Rip It Up and Start Again Simon Reynolds, 2006-02-17 A landmark history of post punk the basis of the documentary film directed by Nikolaos Katranis Renowned music journalist Simon Reynolds celebrates the futurist spirit of such bands as Joy Division Gang of Four Talking Heads and Devo which resulted in endless innovations in music lyrics performance and style and continued into the early eighties with the video savvy synth pop of groups such as Human League Depeche Mode and Soft Cell whose success coincided with the rise of MTV Full of insight and anecdotes and populated by charismatic characters Rip It Up and Start Again re creates the idealism urgency and excitement of one of the most important and challenging periods in the history of popular music

Follow for Now, Volume 2 Christopher Roy, 2021-09-14 Follow for Now Vol 2 picks up and pushes beyond the first volume with a more diverse set of interviewees and interviews The intent of the first collection was to bring together voices from across disciplines to cross pollinate ideas At the time social media wasn't crisscrossing all of the lines and categories held a bit more sway Volume 2 aims not only to pick up where Follow for Now left off but also to tighten its approach with deeper subjects and more timely interviews Featuring conversations with thinkers like Carla Nappi Rita Raley Dominic Pettman Ian Bogost Mark Dery Douglas Rushkoff and Dave Allen and musicians like Tyler The Creator Matthew Shipp Sean Price Rammellzee and Sadat X as well as writers like Ytasha L Womack Chris Kraus Pat Cadigan Bob Stephenson Simon Critchley Simon Reynolds Malcolm Gladwell and William Gibson Follow for Now Vol 2 is another critical cross section of the now

Popular Music and the Politics of Novelty Pete Dale, 2016-02-11 Popular music today has supposedly collapsed into a retromania which according to leading critic Simon Reynolds has brought a slow and steady fading of the artistic imperative to be original Meanwhile in the estimation of philosopher Alain Badiou a significant political event will always require the dictatorial power of a creation ex nihilo Everywhere it seems at least amongst commentators of a certain age and type pessimism prevails with regards to the predominant aesthetic preferences of the twenty first century popular music supposedly is in a rut Yet when if ever did the political engagement kindled by popular music amount to more than it does today The sixties The punk explosion of the late 1970s Despite an on going fixation upon these periods in much rock

journalism and academic writing this book demonstrates that the utilisation of popular music to promote political causes on the one hand and the expression of dissent through the medium of popular song on the other hand remain widely in practice today This is not to argue however for complacency with regards to the need for expressions of political dissent through popular culture Rather the book looks carefully at actual usages of popular music in political processes as well as expressions of political feeling through song and argues that there is much to encourage us to think that the demand for radical change remains in circulation The question is though how necessary is it for politically motivated popular music to offer aesthetic novelty

The Only Music That Mattered John A. Zukowski, 2025-10-24 After the first full fledged punk singles arrived in 1976 many punks threw out nearly all their records released before then all but music containing the seeds of punk This was called proto punk the foundation for punk now considered a genre of its own All roads of punk lead back to the golden era of punk post punk and Second Wave ska from 1976 to 1983 This strange era between the hippie and the yuppie produced music that still resonates because of its authenticity and defiance This essential discography with commentary is a gateway into this era It covers in detail the standout artists of this period the not to be overlooked B sides and the essential one hit wonders For both seasoned punks and newcomers to the genre this book is the entry point to finding out about this celebrated era of music

The Routledge Research Companion to Modernism in Music Björn Heile, Charles Wilson, 2018-10-29 Modernism in music still arouses passions and is riven by controversies Taking root in the early decades of the twentieth century it achieved ideological dominance for almost three decades following the Second World War before becoming the object of widespread critique in the last two decades of the century both from critics and composers of a postmodern persuasion and from prominent scholars associated with the new musicology Yet these critiques have failed to dampen its ongoing resilience The picture of modernism has considerably broadened and diversified and has remained a pivotal focus of debate well into the twenty first century This Research Companion does not seek to limit what musical modernism might be At the same time it resists any dilution of the term that would see its indiscriminate application to practically any and all music of a certain period In addition to addressing issues already well established in modernist studies such as aesthetics history institutions place diaspora cosmopolitanism production and performance communication technologies and the interface with postmodernism this volume also explores topics that are less established among them modernism and affect modernism and comedy modernism versus the contemporary and the crucial distinction between modernism in popular culture and a popular modernism a modernism of the people In doing so this text seeks to define modernism in music by probing its margins as much as by restating its supposed essence

[Ranciere and Music](#) Joao Pedro Cachopo, 2020-04-15 This collection explores Ranciere's thought along a number of music historical trajectories including Italian and German opera Romantic and modernist music Latin American and South African music jazz and contemporary popular music and sets him in dialogue with key thinkers including Adorno Althusser Badiou and Deleuze

Jeff Noon's "Vurt" Andrew C.

Wenaus,2022-08-01 This book offers an examination of Jeff Noon's iconoclastic debut novel *Vurt* 1993 In this first book length study of the novel which includes an extended interview with Noon Wenaus considers how *Vurt* complicates the process of literary canonization its constructivist relationship to genre its violent and oneiric setting of Manchester its use of the Orphic myth as an archetype for the practice of literary collage and musical remix and how the structural paradoxes of chaos and fractal geometry inform the novel's content form and theme Finally Wenaus makes the case for *Vurt*'s ongoing relevance in the 21st century an era increasingly characterized by neuro totalitarianism psychopolitics and digital surveillance With *Vurt* Noon begins his project of rupturing feedback loops of control by breaking narrative habits and embracing the contingent and unpredictable An inventive energetic and heartbreaking novel *Vurt* is also an optimistic and heartfelt call for artists to actively create open futures *Avant-Garde Performance and Material Exchange* M. Sell,2010-11-30 Assembling a remarkable group of scholars these essays explore how the circulation and exchange of vectors of the radical shape the avant garde Mapping the movement of scripts theatre activists performances and other material entities they provide unprecedented perspectives on the transnational performance culture of the avant garde *Punk Rock and German Crisis* C. Shahan,2013-12-04 1977 is usually associated with West German terrorism but it witnessed another cultural watershed punk music A new reckoning with the legacy of political and aesthetic spaces this book argues the centrality of punk music for understanding crises of state and terrorist violence American racism and German fascism and aesthetic production
