major aspects of Jewish sacred music **Music in the Hebrew Bible** Jonathan L. Friedmann, 2013-11-04 Music in the Hebrew Bible investigates musical citations in the Hebrew Bible and their relevance for our times Most biblical musical references are addressed either alone or as a grouping and each is considered from a modern perspective The book consists of one hundred brief essays divided into four parts Part one offers general overviews of musical contexts recurring musical biblical themes and discussions of basic attitudes and tendencies of the biblical authors and their society Part two presents essays uncovering what the Torah Pentateuch has to say about music both literally and allegorically The third part includes studies on music's place in Nevi'im Prophets and the perceived link between musical expression and human divine contact Part four is comprised of essays on musical subjects derived from the disparate texts of Ketuvim Writings *Music in Jewish Thought*, 2014-09-17 With the nineteenth century came new freedom for European Jews Enjoying an integration that had been denied since the Middle Ages they now wrestled with the form and degree of that integration in all areas of their lives including in their creation appreciation and criticism of music The writings focus on Jewish musicology biography historical surveys secular music and songs performed in the synagogue **Judaism** Dan Cohn-Sherbok, 2003-09-02 Written by an experienced university teacher who is also a scholar and rabbi this extensive textbook presents an unrivalled guide to the history belief and practice of Judaism Beginning with the ancient Near Eastern background it covers early Israelite history the emergence of classical rabbinic literature and the rise of medieval Judaism in Islamic and Christian lands It also explores the early modern period and the development of Jewry throughout the nineteenth and twentieth centuries Extracts from primary sources are used to enliven the narrative and provide concrete examples of Jewish civilization Judaism introduces texts and commentaries including the Hebrew Bible rabbinic texts mystical literature Jewish philosophy and Jewish theology provides the skills necessary to understand these step by step explains how to interpret the major events in nearly 4 000 years of Jewish history supports study with discussion questions on the central historical and religious issues includes key reading for each chapter and an extensive bibliography illustrates the development of Judaism its concepts and observances with nearly 200 maps and photographs A companion website links each chapter to other online resources and gives guidance on activities and support for teachers **Chai Noon** Jonathan L. Friedmann, 2025 Only a few Westerns contain explicitly Jewish stories or themes and very rarely do Old West tales involve identifiably Jewish characters Yet Jewish contributors have shaped the Western once Hollywood's most popular genre ever since the silent era both onscreen and offscreen and some filmmakers have sought to infuse the genre with a distinctly Jewish sensibility In Chai Noon Jonathan L. Friedmann applies some of the central questions of Jewish film studies to the Western What makes a movie Jewish What counts as a Jewish image on screen What types of Jewish representation are appropriate How much of a film's Jewishness owes to the filmmakers and how much to the viewer's interpretation This volume joins other reconsiderations of outsider and minority representations in Westerns to offer a more nuanced view of the genre Friedmann engages with larger themes of Jewish

identity in popular film including depictions of race ethnicity and foreignness He also identifies similar concerns within the invention and creation of the imaginary West writ large in American culture The juxtapositions prove to be both unexpected and intuitively understandable Sacred Sound Guy L. Beck, 2006-07-17 This innovative book explores religion through music the source of spiritual elation social cohesion and empowerment in cultures around the world BOOK JACKET
