The Rise and Development of Western Civilization John L. Stipp, 1967 **The Rise and Development of Western Civilization, Pt. 3** John Lloyd Stipp, Charles Warren Hollister, Allen Wendell Dirrim, 1972 **The Rise of Western Power** Jonathan Daly, 2013-12-19 The West's history is one of extraordinary success no other region empire culture or civilization has left so powerful a mark upon the world The Rise of Western Power charts the West's achievements representative government the free enterprise system modern science and the rule of law as well as its misdeeds two frighteningly destructive World Wars the Holocaust imperialistic domination and the Atlantic slave trade Adopting a global perspective Jonathan Daly explores the contributions of other cultures and civilizations to the West's emergence Historical geographical and cultural factors all unfold in the narrative Adopting a thematic structure the book traces the rise of Western power through a series of revolutions social political technological military commercial and industrial among others The result is a clear and engaging introduction to the history of Western civilization **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1974 **On the Causes of Economic Growth** Carlos Sabillon, 2008 What's the secret Can policies grow the economy How do leaders make their countries prosper Since the earliest of times humans have endeavored to uncover the causes of prosperity Step by step Sabillon tests the principal theories on the causes of economic growth against the facts of history Here for the first time the economic statistics of the world are presented in a rationalized format that allows for an easy comparison across countries and through time with a challenge to those who study them What do the statistics show and what are the trends beyond cherished theories that suit various political purposes Tested against the historical data textbook ideas and theories consistently come up short Such analyses are highly troubling because they reveal an absence of correlation between theory and reality The data statistics illustrating the development of the world economy during the last several centuries was extracted from economic history and economic history books from publications of the World Bank the Organization for Economic Cooperation and Development the International Monetary Fund the World Trade Organization the United Nations specialized agencies research institutes and country statistical publications and other books and journals Analyzing the data over geography and time Sabillon concludes that contrary to contemporary wisdom left to market forces alone the economy will not and does not flourish Only decisive intervention in support of manufacturing and technological advancement can provide growth This systematic review of history and test of accepted dogma challenges economic theorists to consider one part of the equation of economic policy that has been wiped off the blackboard in today's politically correct debates **Understanding Western Society, Volume 2: From the Age of Exploration to the Present** John P. McKay, Bennett D. Hill, John Buckler, Clare Haru Crowston, Merry E.
