Knight, 2004 From a first time novelist comes this spine tingling supernatural thriller set in a small town where the dead refuse to stay dead and an evil vengeance threatens to live forever *Risen Gods* J. F. Penn, J. Thorn, 2018-11-27 As the people they love are threatened and New Zealand begins to crumble can Ben and Lucy find each other again and save the country from the wrath of the Risen Gods *Risen Gods* is a fast paced urban fantasy adventure set in Aotearoa New Zealand rich with Maori mythology of gods and goddesses demons and devils *Risen Gods* ,2017 **The Murmuring Field** Jan Strnad, 2014-05-09 SIX SHORT STORIES served up with a twist From The Best Fishing Ever a fish story with no fish a horror story with no horror to the title story The Murmuring Field a tale about love loss passion and alien visitors here are six journeys into the strange the wonderful and the bizarre Hafford House is a haunted house tale where justice is served up hot where the barrier between this world and the next is as insubstantial as a wisp of smoke At thirteen Cassie knows her future and that is why she screams A symphony conductor runs afoul of a local witch with the insidious ability to implant ear worms Could Polly Wolly Doodle literally drive a man insane Mankind has twelve minutes to exist before annihilation by a rogue asteroid The public has no clue but in the offices of a computer street mapping company a video technician discovers an oddly garbed man standing in six places at once staring at the sky Photobombing the Apocalypse Keywords phantom supernatural Cassandra fate hex alien Twilight Zone science fiction fantasy **The Summer We Lost Alice** Jan Strnad, 2014-05-11 The defining moments of young Ethan Opochensky's life occurred during the summer he spent with his cousin Alice in the small rural town of Meddersville Three children disappeared that summer his cousin among them Nine year old Ethan believes he knows the killer but his story is so fanciful it is dismissed out of hand Twenty five years later children are once again disappearing in Meddersville Ethan returns to Meddersville to separate fact from childish fantasy to

discover the truth behind Alice's disappearance and to bring her killer to justice. *The Summer We Lost Alice* is a story of loss and grief of courage of family and ultimately of healing and the triumph of an enduring spirit. Full length novel. Contains paranormal elements, a trace of mild language, no explicit sex, no child violence. Keywords: witch, reincarnation, dog, psychic, skeptic, murder, evil, love, family, mystery, death, afterlife. From the author: My mother's name was Alice. She grew up dirt poor on a small Kansas farm. We don't have too many photos from that time but we do have two that stand out. The first is a snapshot of my mother as a little girl with her older sister and a dog. My mother wears a cereal box on her head like a crown. This photo inspired the scene in the book where Alice crowns herself Queen of Bohemia. My family on my father's side came from Bohemia so there's another family connection and the explanation for my strangely vowel impoverished last name. The second photo shows my mother probably about age five with her two older sisters. The sisters stand behind her in their black dresses looking very dour while my mother in her light colored dress plays with her fingers and smiles winsomely at the camera. That's the spirit I wanted to capture in my fictional Alice. My first book *Risen* is a supernatural thriller about people coming back from the dead not as zombies but perfectly healthy. The idea was to explore the question: What is the value of life without death? *The Summer We Lost Alice* a more mainstream book not a horror novel is also about rebirth. I was able to play with differing viewpoints about the afterlife from the skeptic's point of view (Ethan in the story) to the spiritual believer's (Heather) with a touch of traditional faith (Flo). It's a story of loss and how it destroys a family and how that family manages to come together to heal itself. All wrapped in the guise of a paranormal mystery thriller. And there's a dog of course. Old Boo. Got to have a dog.
