Rising In Love:

The Road to the Great Cosmic Mother Avivah Moreland-El, 2008-03 This book is about situations we all have had or will go through literally in life that will either transform our minds or allow us the opportunity to have other situations that will. The need to know yourself and your purpose for being here is the key point of the journey. The book shares that in life we all have stories, adventures, even tragedies that we feel are real. We have them but we are not them. The chapters describe the high roads and the low roads of love, sex, relationships, talents, servitude, and gratitude. Ultimately, the book pronounces the importance of the male and female balance. It reintroduces the significance of The Woman, The Mother, The Female, and her presence in the world. She is the focal point of this book. Due to the patriarchal dominance for so long, this book is written to cause thoughts of what the world would be like when the balance of both male and female energy is in total harmony without dominance, control, and power for the gratification of the false ego versus the higher sense of being. **Unblocked** Margaret Lynch Raniere, David Raniere, PhD, 2022-04-12 A practical step by step program for healing the four lower chakras, the empowerment chakras using EFT tapping. Noted empowerment coach Margaret Lynch Raniere introduces the hidden power of the four lower empowerment chakras: root, sacral, solar plexus, heart, and the groundbreaking healing techniques she created to heal them using Emotional Freedom Technique (EFT), also known as tapping. These four chakras are the source of the exact rising empowerment energy you need to feel, speak, and act with confidence, courage, and deeply felt belief in yourself and your value. However, these are the chakras that get blocked with long buried fears and pain that create self-doubt, procrastination, playing small, and years of trying to prove you're good enough. Healing these lower chakras will help you reclaim your inner power so you can stop proving and start being your most powerful, passionate, and authentic self.

Unvoiced Love Seeks Affection Bharat Jangid, 2025-09-18 This Anthology of poems is the author's first venture at poetry. Publication in the form of a book. The Anthology contains poems of different themes and using objects in the poems with varying lengths and emotions. This book contains personal language and emotions. The book 'Unvoiced Love Seeks Affection' is about the life of a person who is living in one-sided love and living with lopsided bond. He or she has fear of expressing their love to their beloved because they thought if they express their love in front of their beloved, they will lose them for forever. The book contains the emotions of every single human being who can't express themselves due to religious beliefs, society pressure, and gender, but love is love, and it's a pure feeling. This book completely shows the condition of a person in one-sided love and living with lopsided bond, that how he or she gets suppressed by their own emotions and by religion, society, and by faithful people, and how he or she gets criticism over religion and loving in same gender. This book is full of love, emotions, and hope. The Apocalypse Explained According to the Spiritual Sense Emanuel Swedenborg, 1894
