Sunbelt Rising Michelle Nickerson, Darren Dochuk, 2011-04-14 This volume examines patterns of growth government organization and cultural representation that created a new region across the nation's southern rim following World War II. The People Are Going to Rise Like the Waters Upon Your Shore Jared Yates Sexton, 2018-08-07 Sexton grapples with the Trump campaign from the perspective of the crowds reveling in the candidate's presence and message. It is a useful vantage point given the increasingly blatant bigotry in the months since the election. The Washington Post. *The People Are Going to Rise Like the Waters Upon Your Shore* is a firsthand account of the events that shaped the 2016 presidential election and the cultural forces that powered Donald Trump into the White House. Includes an all new afterword that details the first year of the Trump presidency. With a novelist's flair for the dramatic scene and evocative detail, Sexton expertly marries the quotidian tedium of the campaign trail so many hotel room beers and the outlandish circumstances of this particular election season with his astute observations about our polarized national condition. Salon. This is the post campaign book I was waiting for. Essential reading for understanding this country now and going forward. Alexander Chee, author of *The Queen of the Night*.

Rise Up Jacqueline Hampton-Beverly, 2021-10-08 What she longs for in her heart would come through great trials and pain that would be shielded by a greater love than she ever hoped for. The streets would teach her and the addiction could not hold her because the greatest power in the universe had and have her in His hands. Through it all she had to rise up.
