Risk Factor The Executioner 253 The Executioner 253

Don Pendleton

Risk Factor The Executioner 253 The Executioner 253:

Triangle of Terror Don Pendleton, 2014-01-15 STORMING THE GATES A secret intelligence task force has unleashed the rogue fury of black ops at the highest reaches of the U S Administration Shrouded in lies the group has spun its web and baited the President Its mandate to protect him becomes a smoke screen for an insidious agenda the overthrow of the American government Mack Bolan has witnessed the darkest conspiracies at the heart of evil but this is the ultimate treason The scheme links the deaths of innocent marines the razing of an illegal POW camp in Brazil and enough nerve agents to turn Main Street U S A into a ghost town As the hours tick down toward anarchy the Executioner is seeking the clues that will point the guilty finger at the most ruthless traitor in the history of the republic Serpent's Lair Don Pendleton, 2014-01-15 SUICIDE MISSION Mack Bolan is dispatched to shut down a high tech arms deal brokered by the Yakuza But a simple assignment takes an ugly twist when Bolan s cover is blown Outgunned outnumbered and on the run with a gutsy kid in tow Bolan s grim situation becomes worse when a new and deadlier enemy appears in his sights An ancient cult is taking new recruits and its leader is manufacturing death in a canister A temporary truce with his Yakuza enemies may be the Executioner s only chance He has to stay alive long enough to halt the threat of the hour a madman with a bioweapon that could wipe out the population of Japan and beyond **Blood Tide** Don Pendleton, 2014-01-15 INFILTRATE AND DESTROY Mack Bolan s hard probe against pirates raiding looting and murdering in the Asian Pacific reveals a plot of holy terror an army of religious fanatics is planning a gruesome jihad against Western invaders Hopped up on homegrown hash the enemy fights hard wages war and follows the orders of a mysterious charismatic leader Bolan knows his best and only shot is to go undercover as a fellow fanatic a convert born of hate in the killing fields of Kosovo Joining the ranks and preparing to lead the slaughter the Executioner uncovers a deadly conspiracy that chills his blood Much bigger than piracy in the Asian shipping lanes it s a working plan to explode dirty bombs in every major port in the Pacific Edge of Hell Don Pendleton, 2014-01-15 MASTERMIND OF TERROR For more than a century the world s most famous serial killer case has remained unsolved Now on the streets of London the legend has come back to life with a new twist Jack the Ripper s grisly work is being recreated leaving a city in terror But this time the relentless killer wears body armor has crack military training and a squad of former SAS commandos as his backup Jack and his death dealers have a bloody agenda of greed money and power and they ve got a workable operation in place to make it all happen But this modern day Ripper faces a foe that the original man of mystery never dreamed about the Executioner Risk Factor Don Pendleton, 1999-11-24 The Russian mafiya is masterminding nuclear doom by getting Arab terrorists to smuggle in fissionable materials to the highest bidders The Executioner teams up with Stony Man pilot Jack Grimaldi to unleash a two man Armageddon to turn the tables on the ruthless purveyors of evil and greed **Suicide Highway** Don Pendleton, 2014-01-15 TARGET ACQUIRED Mack Bolan arrives in war torn Afghanistan in answer to the murders of UN relief workers and walks into the crossfire of an

international crisis that includes Mossad Hamas and American Special Forces All are hunting a coalition of rogue Israeli agents calling themselves Abraham s Dagger This killing squad is on a rampage of wanton slaughter Every day Bolan walks the fine line between being a soldier on a mission and a vigilante He fights by a strict code civilian losses are unacceptable and he strikes only when dead certain of the prey s guilt Abraham s Dagger has violated the rules of war confusing justice with revenge The Executioner plans to show them the fine print in blood *Death Gamble* Don Pendleton,2014-01-15

MISFORTUNES OF WAR Nightwind the military s best kept secret is the most lethal anti missile aircraft in America s arsenal Its solid state laser system and advanced optics make it virtually indestructible and infinitely lethal But willing to barter his secrets to enemies of the Western world the scientist who created it has sold out The blueprints for Nightwind are going on the auction block in exchange for cold hard cash Brokering the deal is an ex KGB killer with traitors on his payroll Nikolai Kursk s vision is limited only by his capacity for power Not only has he put the scientist and the system plans on the market he s about to up the ante by stealing the plane itself His buyers are dealing because they want to see America burn And their blood money suits Kursk just fine But that kind of currency carries a price soon to be collected in full by the Executioner

SOVIET SPECTER Don Pendleton,2017-01-21 A customs bust in New York alerts Mack Bolan to a heroin smuggling operation run by Russian gangsters His mission is three pronged find the brain behind the enterprise smash the network that stretches from New York to Moscow and protect the beautiful Russian witness from enforcers working around the clock to kill her **RULES OF ENGAGEMENT** Undercover as a rogue cop on the take Bolan penetrates the drug ring and finds tentacles reaching deep into the U S justice system Shooting his way out of a blood bath at every turn the Executioner winds his way through the maze of corruption and death delivering the kind of payback these criminals have coming to them POINT POSITION Don Pendleton,2017-01-21 Bankrolled by a drug czar turned arms dealer Europe s most dangerous right wing splinter group grabs a cache of stolen chemical weapons Doubling the score the terrorists seize a prototype weapon the brainchild of a U S black ops project so covert not even the Oval Office is aware of its existence **SHOCK WAVE** Mark Bolan s offensive to neutralize the terrorists and recover the weapons is undermined by rogue mercenaries operating deep inside a shadow world all determined to retrieve the prototype a sonic weapon of stunning destructive capabilities The Executioner s long arm of justice never wavers as he stalks the streets and catacombs of Marseilles targeting the guilty with a hail of lead and fury **Poison Justice** Don Pendleton,2014-01-15 **TRIANGLE OF TERROR** A deadly alliance between the New York Mob a Colombian cartel and Middle Eastern terrorists is the starting point of a plot that could end with the wholesale slaughter of innocent Americans At stake is a radioactive toxin developed for the space program but now for sale to fanatics in the market for a killer weapon Corrupt Justice officials are neck deep in the conspiracy but where black ops activity begins and ends is anybody s guess Bad odds get worse when Mack Bolan posing as a Justice agent turns up at the scene of a shooting The victim Hal Brognola On the run and hunted by both sides of the law Bolan s luck is running out But the battle

never ends until the Executioner wins or dies
