Risk N Roses:

Risk N' Roses , Beyond The Risk Society: Critical Reflections On Risk And Human Security Mythen, Gabe, Walklate, Sandra, 2006-08-01 Bringing together cutting edge academics and researchers Beyond the Risk Society provides an understanding of the relevance and impact of the concept of risk in various subject areas Contributions by domain experts critically evaluate the way in which theoretical risk perspectives have influenced their fields of interest offering the opportunity to reflect upon the problems and possibilities for future work on risk **Risk N' Roses** Jan Slepian, 1992-08-01

In 1948 newly moved to the Bronx eleven year old Skip longs to shed her responsibility for her mentally handicapped older sister and give her whole attention to her new friendship with the bold and daring girl who seems to run the neighborhood

Risk and Morality Richard V. Ericson, Aaron Doyle, 2003-01-01 Collectively the contributors explain why risk is such a key aspect of Western culture and demonstrate that new regimes for risk management are transforming social integration value based reasoning and morality Securitizations of Citizenship Peter Nyers, 2009-05-19 Securitizations of Citizenship critically assesses the fate of citizenship in relation to securitized practices of surveillance and control that have emerged in the post 9 11 period **Education and the Risk Society** Steven Bialostok, Robert Whitman, William Bradley, 2012-12-23

Sociological and anthropological literature has examined how contemporary western society has become a risk society Education and the Risk Society is the first volume to explore this seminal concept through the lens of education Drawing on a theoretical literature that has great potential as a lens to view changes in neoliberal discourses of global capitalism from both critical and generative perspectives Education and the Risk Society presents situated empirical studies investigating an uncertain world as people practice it on the ground through language and activity within educational settings **The SAGE Handbook of Punishment and Society** Jonathan Simon, Richard Sparks, 2012-09-18 The project of interpreting contemporary forms of punishment means exploring the social political economic and historical conditions in the society in which those forms arise The SAGE Handbook of Punishment and Society draws together this disparate and expansive field of punishment and society into one compelling new volume Headed by two of the leading scholars in the field Jonathan Simon and Richard Sparks have crafted a comprehensive and definitive resource that illuminates some of the key themes in this complex area from historical and prospective issues to penal trends and related contributions through theory literature and philosophy Incorporating a stellar and international line up of contributors the book addresses issues such as capital punishment the civilising process gender diversity inequality power human rights and neoliberalism This engaging vibrantly written collection will be captivating reading for academics and researchers in criminology penology criminal justice sociology cultural studies philosophy and politics **Biosocialities, Genetics and the Social Sciences** Sahra Gibbon, Carlos Novas, 2007-07-20 This pioneering collection uses Paul Rabinow's concept of biosociality to chart the shifts in social relations and in ideas about nature biology and identity brought about by developments in biomedicine **Risk and**

Public Policy in East Asia Mutsuko Takahashi, 2016-04-08 Contemporary Asian society is marked by social processes associated with the loss of stable economic growth and high employment family structures capable of caring for family members in need and governmental economic and political competence Post financial crisis job uncertainty and income and labor market polarization have become important issue in Asian societies Family structures are viewed as have been weakened with a corresponding rise in divorce and domestic violence Trust in the government is in decline Against this backdrop it is timely to review three critical issues 1 policies addressing work related risks and socio economic security 2 changes regarding the structure and stability of families and 3 issues concerning governance in times of weakened state capacity declining trust and the emergence of new politics Containing chapters written by international scholars this book introduces the concepts and theoretical approaches of risk and risk and governance and places them within the context of Asian societies
